

A Story Of A Grandma S Love Sharing The Hope Of Ch

From mother-daughter team Hillary Clinton and Chelsea Clinton comes a celebration of family, tradition and discovery, and an ode to mothers, grandmothers and the children they love. Grandma Dorothy shared her love of gardens with her daughter, Hillary, and her granddaughter, Chelsea. She taught them that gardens are magical places to learn, exciting spaces for discovery, quiet spots to spend time with family and beautiful areas to share stories and celebrate special occasions. But most of all, she taught them that in her gardens, her love grew and blossomed. In this inspiring and heartwarming mother-daughter story, Hillary Clinton and Chelsea Clinton team up to show readers how sharing the things we love with the people we love can create powerful, everlasting bonds between generations. Praise for Grandma's Gardens: "A deeply affectionate tribute to the bounty of nature and the love of gardening." --Publishers Weekly "Filled with mindfulness, the story inspires children to reflect on family and keep memories alive." --Booklist

A must-read for fans of Rachel Joyce's The Unlikely Pilgrimage of Harold Fry and Maria Semple's Where'd You Go, Bernadette 'A touching, sometimes funny, often wise portrait of grief.' Kirkus Heartbreaking and hilarious in equal measure, by the author of the New York Times bestselling phenomenon A Man Called Ove will charm and delight anyone who has ever had a grandmother. Everyone remembers the smell of their grandmother's house. Everyone remembers the stories their grandmother told them. But does everyone remember their grandmother flirting with policemen? Driving illegally? Breaking into a zoo in the middle of the night? Firing a paintball gun from a balcony in her dressing gown? Seven-year-old Elsa does. Some might call Elsa's granny 'eccentric', or even 'crazy'. Elsa calls her a superhero. And granny's stories, of knights and princesses and dragons and castles, are her superpower. Because, as Elsa is starting to learn, heroes and villains don't always exist in imaginary kingdoms; they could live just down the hallway. As Christmas draws near, even the best superhero grandmothers may have one or two things they'd like to apologise for. And, in the process, Elsa can have some breath-taking adventures of her own . . .

Grandma's Gift

This sweet, rhyming counting book introduces young readers to numbers one through 15 as Grandma's family and friends fill her tiny house on Brown Street. Full color.

Preserve your life story and pass it down to your family in this beautiful keepsake memory book. Grandma's Story is a guided journal thoughtfully designed to help grandmothers record their special memories and share them with their grandchildren and family.

Created by bestselling author and artist Korie Herold, this keepsake book offers writing prompts and journaling pages to guide grandmothers along as they record their life's most precious moments. This book is the perfect gift for Mother's Day, birthdays, or any time of year for your grandmother. Sections and writing prompts include: □ Early Childhood: What was your house like growing up? What were your favorite toys or playtime activities? □ School Years: What did you think you wanted to be when you grew up? What were you like as a teenager? □ Work and Travel: What was your first job? What family vacations do you remember the most? □ Love and Family: What's your best relationship advice? How did you feel when you found out you were going to be a grandmother? □ Character and Values: What do you value most in life? What family values do you hope to pass down? □ Hypotheticals and Curiosities: What's something you wish you had done differently? What's the best advice you ever received? □ Words of Wisdom: Additional space to write letters to your family Special features include: □ Elegant linen cover □ Acid-free and archival paper □ Layflat design allows you to easily write in the book □ Carefully developed designs and prompts allow to you reflect and remember Most children love to hear stories, especially at bedtime. The favorite story of my two sons was told them by their father, over and over again, of which they never tired: HOW HE CAME OVER TO AMERICA FROM SCOTLAND ON A BIG BOAT. My purpose in writing this story now, of my voyage to Africa on a freighter, is that my grandchildren and great grandchildren might enjoy hearing of some of my experiences, which in the providence of God, have taken place in my life. Some statistics and a little information was acquired from the library before leaving for the various countries. This has been interwoven in my travelogue all of which was written on board ship.

Every time little Joseph visits his grandmother, Doris, he is afraid of the love she offers. Like many children, Joseph does not recognize what having a grandma means. Still, they go everywhere together--she picks him up from school, takes him to the doctor when he is sick, and plays ball with him. As Joseph grows up, he and his grandmother create a bond like no other. When Joseph has his Bar Mitzvah and officially becomes a man, according to Jewish customs, no one smiles bigger than his grandma. But as Doris ages, she becomes sick, weak and unable to carry on with their Jewish traditions. Joseph is right by her side, just like a grandson

should be. He plays cards with her, keeps her company, and brings her whatever she needs. Just as he finally realizes what unconditional love really means, he must prepare to say goodbye to her. In this poignant children's tale, a little boy comes of age, with the help of his devoted grandmother, and learns what it is like to be loved.

3-minute Stories!

My Grandma and Me

In a true tale of a young girl in Iran and her grandmother, this beautiful ode to family celebrates small moments of love that become lifelong memories. In this big universe full of many moons, I have traveled and seen many wonders, but I have never loved anything or anyone the way I love my grandma. While Mina is growing up in Iran, the center of her world is her grandmother. Whether visiting friends next door, going to the mosque for midnight prayers during Ramadan, or taking an imaginary trip around the planets, Mina and her grandma are never far apart. At once deeply personal and utterly universal, Mina Javaherbin's words make up a love letter of the rarest sort: the kind that shares a bit of its warmth with every reader. Soft, colorful, and full of intricate patterns, Lindsey Yankey's illustrations feel like a personal invitation into the coziest home, and the adoration between Mina and her grandma is evident on every page.

The New York Times Bestseller From one of the country's most recognizable journalists, Lesley Stahl of CBS's 60 Minutes: How becoming a grandmother transforms a woman's life. After four decades as a reporter, Lesley Stahl's most vivid and transformative experience of her life was not covering the White House, interviewing heads of state, or researching stories at 60 Minutes. It was becoming a grandmother. She was hit with a jolt of joy so intense and unexpected, she wanted to "investigate" it—as though it were a news flash. And so, using her 60 Minutes skills, she explored how grandmothering changes a woman's life, interviewing friends like Whoopi Goldberg, colleagues like Diane Sawyer (and grandfathers, including Tom Brokaw), as well as the proverbial woman next door. Along with these personal accounts, Stahl speaks with scientists and doctors about physiological changes that occur in women when they have grandchildren; anthropologists about why there are grandmothers, in evolutionary terms; and psychiatrists about the therapeutic effects of grandchildren on both grandmothers and grandfathers. Throughout *Becoming Grandma*, Stahl shares stories about her own life with granddaughters Jordan and Chloe, about how her relationship with her daughter, Taylor, has changed, and about how being a grandfather has affected her husband, Aaron. In an era when baby

boomers are becoming grandparents in droves and when young parents need all the help they can get raising their children, Stahl ' s book is a timely and affecting read that redefines a cherished relationship.

Told in diary form, Oscar relates how his grandmother becomes less able to look after herself and enters a nursing home, with information about dementia to help children discuss their feelings and adjust to the changing relationship.

When you babysit a grandma, if you're lucky . . . it's a sleepover at her house! And with the useful tips found in this book, you're guaranteed to become an expert grandma-sitter in no time. (Be sure to check out the sections on: How to keep a grandma busy; Things to do at the park; Possible places to sleep, and what to do once you're both snugly tucked in for the night.) From the author-illustrator team behind the bestselling How to Babysit a Grandpa comes a funny and heartwarming celebration of grandmas and grandchildren. This Read & Listen edition contains audio narration.

A Doll for Grandma

When I Found Grandma

Grandma Tell Me a Story

Grandma's Bag of Stories

Kiera loves spending time with her grandma. They play dress up. They paint their nails. They make cookies for picnics with Kiera's doll. But then Grandma starts to change. She starts misplacing items and forgetting how to do everyday tasks. Soon she has to move out of her home into a memory-care center for people with Alzheimer's. She starts calling Kiera by a different name. Then Kiera has an idea and finds a new way to enjoy time with her Grandma. A Doll for Grandma is perfect for children grappling with their changing relationship with a family member who has dementia or Alzheimer's disease. A special page with information on helping children understand Alzheimer's disease written by expert Judy Cornish, the founder of the Dementia and Alzheimer's Well Being Network is included for family discussion.

Fatima was tired of people treating her like a child. Determined to prove her worth, she sets off to complete the tasks on Grandma's to-do list. She resists all distractions. However, when she reaches her first destination, she realizes she has lost the list. Fatima is certain she remembers everything on the list and doles out instructions to her family accordingly. But as the family sits down to dinner, they slowly realize that, perhaps, Fatima didn't remember quite as well as she had thought. SEL connections in this story include accurate self-perception, recognizing strengths, self-confidence, and empathy. The Story of Grandma

Thirty five three minute stories which are adaptations of fairy tales, folk tales, and fables.

Grandma Tell Me a Story is a wonderful collection of stories that are interesting, fun to read and enjoyable. The book contains stories about animals, magic trees, talking pebbles, hunters and kings. The stories have been written in a simple yet compelling manner that will appeal to children. Each story has been illustrated with splendid pictures that complement the text.

This prequel to Eric Velasquez's biographical picture book *Grandma's Records* is the story of a Christmas holiday that young Eric spends with his grandmother. After they prepare their traditional Puerto Rican Christmas celebration, Eric and Grandma visit the Metropolitan Museum of Art for a school project, where he sees a painting by Diego Velasquez and realizes for the first time that he could be an artist when he grows up. Grandma witnesses his fascination, and presents Eric with the perfect Christmas gift—a set of paints—to use in his first steps toward becoming an artist. A heart-warming story of self-discovery, *Grandma's Gift* is a celebration of the special bond between a grandparent and grandchild.

Who can resist a good story, especially when it's being told by Grandma? From her bag emerges tales of kings and cheats, monkeys and mice, bears and gods. Here comes the bear who ate some really bad dessert and got very angry; a lazy man who would not put out a fire till it reached his beard; a princess who got turned into an onion; a queen who discovered silk, and many more weird and wonderful people and animals. Grandma tells the stories over long summer days and nights, as seven children enjoy life in her little town. The stories entertain, educate and provide hours of enjoyment to them. So come, why don't you too join in the fun.

The Joys and Science of the New Grandparenting

Grandma Wishes

When Grandma Gives You a Lemon Tree

Students respond, in rhyming text, to their teacher's question about what each calls his or her grandmother, offering examples of things they like to do together.

*Maya longs to see her grandmother, but when Grandma arrives from far away for a visit, she is not quite what Maya expected. The birth of a baby is an opportunity for celebration far beyond the anticipation of the new parents. There are happy aunts and uncles, and, of course, delighted grandparents who can't wait to meet the newborn. In *Grandma Loves You!*, Grandma Bunny joyously welcomes the new arrival. In warm and tender rhyme, long-awaited introductions are made. Grandma's touching endearments reflect the sentiments of anyone who has welcomed a new member of the family. Brought to life in enchanting woodland scenes that seem to echo Grandma's joy, *Grandma Loves You!* will be a treasured gift from generation to generation, celebrating one of life's most important moments and relationships.*

This beautiful journal, with a matching COLOR INTERIOR, can either be completed by Grandma, and then given to a grandchild, OR Grandma's grandchild can give it to her for completion. This is the perfect keepsake gift to ensure Grandma's memories are written down in her own words and handwriting, so that they can be preserved forever and leave a lasting legacy for years to come. This journal contains prompts and questions and enough space for Grandma to record her own stories and memories and to journal her own thoughts freely. The prompts are simply suggestions to give Grandma ideas of stories she can share with her grandchild, and allows her the freedom to decide what she wants to include. The lined, 8.5" X 11" pages provide Grandma with plenty of room to write her answers to the guided prompts. Examples of what you will find inside this beautiful journal include: A traditional family tree AND a page to create a less-traditional family tree, if there have been deaths, divorces, and/or remarriages in the family that need to be reflected A page to create a family tree of Grandma's siblings and their families as well Blank pages to add relevant photos (ideas given), drawings, or extra space for writing Guided prompts and plenty of space for recording answers in a free-style format Some guided prompts included in the book are: Questions about Grandma's early years including where Grandma was born, when, her given name, her parents', siblings' and grandparents' names and DOB Grandma's earliest childhood memory How Grandma's parents met, and what they did to earn a living Grandma's grandparents and their interests, personalities, and skills Grandma's heritage and information on ancestry and family traditions What life was like for Grandma compared to what life is like for children today Where Grandma went to school, what grades she attended, what her favorite school subjects were, what she liked and didn't like about school Grandma's first jobs How Grandma met your grandfather, their engagement, and wedding Grandma's memories of her own children Grandma's memories of the day her grandchild was born, funny stories to share, etc. 18 random things you didn't know about Grandma Grandma's love letter to her grandchild, including her hopes and dreams for her grandchild The best lessons Grandma learned in life that are important for her grandchild to know What Grandma loves about being a parent and a grandparent The best piece of advice that Grandma has for her grandchild Grandma's tips for how to get through the hard times in life Grandma's view on what is most important in life and why This journal

serves to demonstrate where Grandma came from, and how she has become the person she is today. This journal makes a great Christmas or birthday gift, Valentine's, or even a unique pregnancy announcement! Make the decision to have Grandma record her memories and life for her grandchild, and she will live on forever in her words and stories that only she can tell.

Great-Grandma Tell Me Your Life Story

Grandma's Tiny House

Grandma tells the best stories in the world! Join Joss, Terry and Alex as their granny tells tales of scary pirates and children with strange red dots on their faces; of a naughty boy named Robin whose toothpaste, toothbrush, schoolbag and alarm clock scold him! And then there is the story of Red Riding Hood and the Big Bad Wolf who wanted to gobble her up; and Pinocchio whose nose grew longer and longer every time he told a lie!

Create a cherished family keepsake with this grandmother's journal Grandmothers have an entire lifetime of unique memories and perspectives that can help younger generations discover where they came from and offer wisdom to guide them. Stories From Grandma is full of questions and prompts that help grandmothers organize the story of their life into a beautiful journal that families can share and pass down for generations to come. The prompts on each page will give your family a glimpse into where grandma came from, what she experienced, and her hopes for the future. It's her opportunity to reflect and open up about her past and things she wished she had learned from her own grandmother. The questions and activities are designed to trigger memories, highlight personal insights, and help grandma connect with the younger members of your family. A lifelong keepsake--This grandma journal can be saved and shared with children, grandchildren, and beyond. No rules--Grandma can open the book and pick any prompt, go through them in sequence, or have someone else write while she dictates--it's up to her. Time for everything--The prompts are grouped by themes and ideas, with sections for grandma's childhood, jobs, favorite things, big events, friends, and more. Preserve grandma's legacy for your family to treasure forever, with this grandparent journal.
