The fifth book in the #1 New York Times bestselling Field Party series—a southern soap opera with football, cute boys, and pick-up trucks—from USA TODAY and New York Times bestselling author Abbi Glines. Ryker Lee is finally enjoying his senior year—he has great friends, hangs out with hot girls, and is on track to get a football scholarship that will set him up for college. Despite this, a small part of him wonders if there's more to life than parties and meaningless hookups—and if football even means as much to him as it does to his fellow teammates. And when he meets the new girl at school, his world totally changes... Aurora McClay is new to Lawton. She's grateful that her twin brother, Hunter, is the star of the football team and can help her adjust to her new school, but she's not grateful at how overprotective he is over every person she meets. Just because she's deaf does not mean people have to treat her differently. When she meets Ryker Lee, the two of them spark an instant and intense chemistry, one that proves to be controversial not only because of Ryker's

reputation as a player, but also because of Aurora and Hunter's father's bigoted views about who Aurora can and can't date. Aurora and Ryker know in their hearts that they are meant for each other. But can their relationship endure the turmoil of rumors and prejudice?

Believing her marriage to Andy to be perfect in every way, Ellen runs into former flame Leo and wonders why she has been unable to forget him even though they brought out the worst in each other.

One memory. One special summer. The one thing Bliss had lost herself in when the fear and sickness were too much, moments never to be damaged by the harsh reality that followed... until now. Bliss York didn't live a normal

teenage life. She didn't go to Friday night football games, walk the halls with her friends every day, go to her prom or even walk to receive her diploma. It had all been taken from her the fall that she was fifteen years old and she was given the diagnosis no one ever wants to hear. She had leukemia. Seven years after spending a summer with a girl who he knew would always be his first love and the one who got away, Nate Finlay returns to Sea Breeze to help his fiancé open her new boutique clothing store. When the new employee walks in Nate is taken back seven years to the girl he thought he'd love forever. The one who never answered his calls or returned his text. The one who shut him out completely with not even a goodbye and broke his heart. They've each become someone different. No longer the young teens with stars in their eyes. But does that matter when your heart still says that's the one.

Sometimes you have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you

discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson.
