spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a

local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be

scooped up by Janey and her team and saved. What makes you passionate about working with SQL Server? What lessons have you learned, perhaps the hard way, on how to get the best performance and scalability out of your SQL Server databases? We challenged a group of talented, up-and-coming 'new voices' in SQL Server to share their passion and knowledge with the Community. A DBA's core responsibilities are constant. A DBA must maintain and enforce security mechanisms on the data, prepare effectively for disaster recovery, ensure the performance and availability of all the databases in their care. As such, we have chapters providing tips on how to get the most out of features such as data compression, backup

Read Book Acca F6 Zwe Past Papers

verification, performance tuning with traces and extended events, auditing, SSIS, and more. Side by side with these, we have chapters on the importance to a DBA of communicating clearly with their co-workers and business leaders, presenting data as useful information that the business can use to make decisions, adopting a more Agile approach to their work, and sound project management skills. The resulting book, *Tribal SQL*, is a reflection of how a DBA's core and long-standing responsibilities sit alongside new thinking and fresh ideas about where the DBA role is going, and what it means to be a DBA in today's businesses.

In this electrifying bestseller, the shrewd and voluble trial lawyer Louis Nizer, who made a long career of representing famous people in famous cases, recounts some of his significant civil and criminal cases. Nizer rose to national fame with his real-life accounts of tension-filled courtrooms and the fervor of the advocate, and “My Life in Court” proved to be no exception: it rose to the top of the Times’s best-seller list on its publication in 1961 and logged 72 weeks as a sales leader. The book is an in-depth collection of some of Mr. Nizer’s court case success stories, including his client Quentin Reynolds’ famous libel action against the columnist Westbrook Pegler, which would also become the basis of the 1963 Broadway play “A Case of Libel.” Praised by critics as “entertaining and philosophically instructive, an unusual combination,” Nizer’s movie-like plots of real-life courtroom

with that page's letter, while further entertainment for older children may be found in locating the rest. The readership doesn't stop with children, however, as H is for Home is presented for the enjoyment of the family in its entirety. Questions designed to prompt conversation are asked, and adult-and-child projects are suggested. An 8" x 10" hardcover volume of 56 pages printed in bright color on 70 lb. paper, each alphabet page is fully illustrated from A is for Angel right up to Z is for Zzzzz. Throughout the book, those with an inquisitive and active gaze will note certain objects appear in more than one
