"The U.S. Government has a new ground based "Star Wars" weapon which is being tested in the remote bush country of Alaska. This new system manipulates the environment which can: Disrupt human mental processes. Jam all global communications systems. Change weather patterns over large areas. Interfere with wildlife migration patterns. Negatively affect your health. Unnaturally impact the Earth's upper atmosphere. The U.S. military calls its zapper HAARP (High-frequency Active Auroral Research Project). But this skybuster is not about the Northern Lights. This device will turn on lights never intended to be artificially manipulated. Their first target is the electrojet - a river of electricity that flows thousands of miles through the sky and down into the polar icecap. The electrojet will become a vibrating artificial antenna for sending electromagnetic radiation raining down on the earth. The U.S. military can then "X-ray" the earth and talk to submarines. But there's much more they can do with HAARP. This book reveals surprises from secret meetings"--Back cover. A novel by Mickey Martin. Book two in The Given series.

Thank You, My Angel's three-book series is based on some of Susan Davis's deepest, darkest times of her young life. During her late teenage years through her young twenties, she was a victim of domestic abuse and violence. Her life was horrific; she lived in fear in every moment of each day. There was no escape. On a cold winter's night, she met an angel. The angel became her salvation. Because of life's twists and turns, Susan finally found her way back to writing this story. Susan enjoys writing for Trip Advisor and joined the team in December of 2014. She is actively in sharing her reviews and comments world-wide including shows, restaurants, amusements and vacation destinations. She proudly owns a Highlighted badge reaching a readership of 20,000. Susan is on Level Five for Contributions and Level Nine for Attraction Expert. Her ninth grade English teacher gave the class a creative writing assignment on a subject of their choice. Susan wrote a modern-day love story based on the classic, "Romeo and Juliet". It was then she was told of her gift of writing and she's had that writing bug ever since. Susan's greatest accomplishments were overcoming the life of domestic abuse and violence; re-learning self-worth, self-confidence, self-respect and also learning she is a good person who deserves a good life. She is thrilled to share that on June 1, 1988 her dream came true. Susan married the love of her life.

The Summer Called Angel -a story of hope on the journey through Prematurity" is a powerful and inspiring story about the author; Sola Olu's experience with preeclampsia and prematurity. Premature birth remains the number one killer of newborns in the United States. In fact, with approximately 1 in 8 pregnancies resulting in premature birth each year, the U.S. has one of the worst records in the world, and certainly among developed nations. The statistics are not only appalling, but surprising, and many parents are shocked, frightened and confused as they attempt to navigate the world of the neonatal intensive care unit. After she and her husband endured this agonizing experience, Olu was inspired to offer her support to others in the same situation. "The Summer Called Angel" will help other parents deal with the physical and emotional challenges of prematurity and learn how they can find hope and strength in the process. The memoir, which began as Sola's journal entries, is an incredibly moving and detailed account of her thoughts and feelings at each step of her journey. With candor and incandescence, The Summer Called Angel serves as a powerful tribute to parental love in the face of unexpected challenges. It is certain to offer strength to readers attempting to process prematurity in their lives—and salve to those who have undergone a similar experience. All in all, rare and profound celebration of devotion is certain to resonate with parents everywhere.

Rita's father had been fond of saying, "If you want to make the Holy Angels laugh, just tell them your plans." Now, the widowed Dr. Margarita Zornova's grown sons and medical practice partner have conspired to force Rita to take her first real vacation in thirteen years, starting by sending to her 40th High School reunion, continuing by enticing her into a cruise with two of her sons, their wives, and her elderly mother. Did anyone hear that laughter?

The murder of a world-famous physicist raises fears that the Illuminati are operating again after centuries of silence, and religion professor Robert Langdon is called in to assist with the case.

Winner of the prestigious Pearson Best Play Award, 2004, from Royal Exchange Writer-in-Residence When ice-cream man Giuseppe Raffa decides it's finally time to come in from the cold and retire, he sets his two sons in competition with each other. Over the next twelve months - from the fall of the Berlin Wall to the fall of Thatcher - Rocco and Lino will compete to see who can sell the most ice-cream. The winner will gain the family business; the loser will be left with nothing. From the Sunday Times bestselling author Penny Vincenzi, NO ANGEL is the first novel in the acclaimed Spoils of Time trilogy. 'Penny Vincenzi dazzlingly combines the old-fashioned virtues of gripping storytelling with the up-to-the-minute contemporary feel for emotional depth and insight into the lives of the characters. She is a supreme stylist and clever writer. Reading her is an addictive experience'-Elizabeth Buchan. In pre-war London, Lady Celia Lytton is the perfect host. Beautiful, intelligent and determined, she throws glittering parties, publishes bestselling books, and enjoys her young family and loving husband. But there are tragedies her family will not escape: the Titanic, the First World War, the flu epidemic. And beneath their perfect image, the Lyttons cannot ignore the changing world around them. In the shattering aftermath of the War, Celia is beginning to understand that there will be a price to pay for the life she has chosen, that is greater than she could ever have imagined...

No-hitters are rare in baseball. Father-and-son combinations are rarer. Baseball the Wright Way covers all those bases and then some. Two pitchers with vastly contrasting styles, both Clyde Wright and his son Jaret Wright discuss the art and craft of pitching with an authentic, straightforward sincerity that will captivate all baseball fans. In the mid-1960s, Clyde became the country boy from Tennessee who had his feet in LA when he made his debut with the California Angels. With his special brand of small-town, country charm, Clyde invites you to relive his journey from the farm to the major leagues, where he won one hundred games, tossed a no-hitter, made an all-star team, and played alongside and against many superstars and Hall of Famers in the backdrop of sunny Southern California. From there, Clyde spent three years pitching in Japan, forging many lifelong friendships in the Land of the Rising Sun. When his playing days were done, Clyde returned to Anaheim and launched a pitching school where he trained thousands of major-league-hopeful youths for decades. One of those hopefuls was his son Jaret, who later carved out an eleven-year major league pitching career of his own that included starting game 7 of the 1997 World Series as a twenty-one-year-old rookie for the Cleveland Indians. Jaret picks up the story where his dad leaves off and moves candidly and honestly through his time in the major leagues, where he quickly rose to prominence and played with and against many of the game's legends. If you are a baseball fan, this book is right in your wheelhouse. If you are not a baseball fan, then Clyde and Jaret Wright will convert you with fascinating tales of life before, during, and after baseball.

A shifter cop and a sexy angel must stop a killer in this paranormal romance by the New York Times–bestselling author of Angel in Chains. With a messed-up family background and a tendency to grow claws and fangs, Tanner Chance isn't exactly the boy next door. But he's a decent cop, and he keeps himself on the side of the good guys. Convenient, because when he rescues a survivor of a horrific shifter attack, he finds himself instantly smitten—with an honest-to-goodness angel, as innocent as she is irresistible. Marna may be angelic, but she's not stupid or weak. She can take care of herself. Tanner is more temptation than protection anyway. Or so she thinks, until someone wearing her face starts taking out some of New Orleans's more unsavory paranormals. With police and predators both gunning for her blood, Marna has no choice but to trust Tanner . . . even though what's sparking between them is hotter than anything holy. Praise for Avenging Angel "Red hot Eden delivers a satisfying tale full of pulse-pounding action and passion." —Publishers Weekly "Marna goes through a metamorphosis, beginning the book as an angel who's vulnerable and scared, tortured by memories of losing her wings, and finishing with strength, power, and conviction . . . [Marna and Tanner] have a steamy relationship and will quickly become a favorite in the Fallen series." —RT Book Reviews, 4 1/2 Stars"/B>

In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless

Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way. Miss Angela Michaels, the new karate teacher in Bailey City, who is also the school crossing guard, is so kind and generous that Melody becomes convinced that she is a guardian angel. Original.

The Angel of the Revolution tells the tale of a group of self-styled 'terrorists' who conquer the world through airship warfare. Led by a crippled, brilliant Russian Jew and his daughter, the 'angel' Natasha, 'The Brotherhood of Freedom' establishes a 'pax aeronautica' over the earth after a young inventor masters the technology of flight in 1903. The hero falls in love with Natasha and joins in her war against established society in general and the Russian Czar in particular.

A girl on modern Earth and a boy from another world are thrown into a fight for their lives, only to discover they may both be connected to events in the distant past more epic than either can imagine. Welcome to the 5-book Star Angel pentalogy. --- Book 5: Jess has uncovered a stunning reality. A truth that's been there all along, revealed. It's a discovery that shakes her to the core. But she's on the move, no time to pause, still so far from her objective, and the next stop on this long road may be right back where she started. For there's a reason she ended up where she did, and it has little to do with chance, everything to do with her own, hidden determinism; a buried impulse, shaping events beyond her current awareness, all of it leading to the realization of an even greater legacy. The conclusion to a quest spanning so much more than the short time she thought she'd been on it. And so two journeys are about to come to a close. One that began with the arrival of Zac; intense, filled with epic events. Another that began a thousand years before, equally epic, the inception of it all. Two incredible journeys, both racing toward the same world-shattering conclusion. Both journeys hers.

He Called Me Lieutenant Angel

The destruction of mankind is imminent! A powerful evil looms on the horizon plotting their revenge. They've grown tired of waiting in the shadows and are ready to unleash a new Armageddon. The only thing standing in their way is 17 year old Esta Hope, and she doesn't even know it yet! The fallen gods of ancient Greece want her, the devil wants her dead. Esta's world is about to be turned upside down, as the battle between good and evil comes to a head. Can she embrace her true destiny before it's too late? While her life disintegrates, who can she trust? And will the arrival of mysterious Luc and Sam in town be her salvation, or will they send her straight to hell? If she can accept what she was born to become and win the impending battle, is she simply opening the door for a much bigger, more violent war? Celestria is a story about love, hope and trust. The power of faith, and how evil can destroy all of us when our belief in goodness has left.

An Irish mystic talks about her encounters with angels and other spiritual beings, discussing how these entities exist as guardians and companions to every person and provide comfort and guidance in every stage of life.

ABOUT THIS BOOK: This book is written to show how God uses faithful people who lived on the earth and then died and was resurrected or was translated without tasting death as His Angels and messengers to accomplish His purposes.

Such was the case with Noah who became the Angel Gabriel and was sent to deliver messages to Daniel, Zacharias and Mary, the mother of Jesus. This book is also written to show that Ancient Prophets who held special keys, authority and power on earth and in heaven was chosen to come back to earth and confer and restore those keys and power to servants of God in these latter days. That this is the dispensation of the fullness of times preparing the world for the Second Coming of Jesus Christ.

Here is a simple, easy-to-read, delightfully illustrated book for young children! The author presents, in a very easily comprehensible way, the basic Spiritual truths, explaining who we are, where we have come from, why we are here and the part God plays in all our lives. It is our responsibility as adults and particularly as parents, to ensure that our young children come to an understanding of the truths about Spiritual matters at as early an age as possible. This book is meant to develop a child's imagination, awakening tender young minds to the beauty that lies all around us and to connect with that beauty in an inspiring and meaningful way. It also explains, in simple terms, realities about creation and the subtle higher energy vibrational levels, which exist in close proximity all around us. The exercises and experiments will delight and amaze, as well as nurture your child's creativity, introducing, in a fascinating way, the truths that are fundamental to our understanding of our existence here on Planet Earth. Your child will learn that life is meant to be fun and to be enjoyed. But there are rules, as in any game! This book explains these Spiritual Universal Laws, helping your child to see this world as the wonderful, amazing, beautiful place it really is, and to live a life of fulfillment, joy and abundance. Arsen is toying with me. Rynne is actually my guardian angel, and he might be dead because he tried to protect me. The angels say I'm some kind of chosen one, that it's my destiny to stop demons from plaguing the earth once and for all. Somehow, Arsen's soul is connected to mine. I can use him and make him pay for what he's done without any

repercussions because he can't kill me. I'll do it. I'll make him suffer, and I'll get justice. These Immortal Vows is a young adult LGBTQ+ paranormal romance series. The books must be read in order.

Douglas Connelly examines what the Bible says about angels, focusing on their ministry among God's people from ancient days to the present.

Nephilim are descended from Angels. Everyone knows the Angels died out eons ago. But not all Nephilim believe that. My grandfather didn't, and neither does my brother. After the search for the Angel brings us to Australia, rumours arise that Ibir Corp has found the body of an Angel. They want it for its DNA. When they find out that we're on the trail of a live Angel, they'll go to great lengths to find him first. Including harming our family. With time running out and Ibir Corp not far behind, suddenly we're in a race to decipher the clues. My name is Zeph Angelis And I've got an Angel to find.

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Revised and Complete Edition

A death bed request inspires an Army Nurse to tell the truth about the war. He Called Me Lieutenant Angel speaks to you with the insistent voice of love, hope and redemption, from the Intensive Care Ward of a Vietnam Hospital. It is a story of strength and enlightenment, a tribute to all the extraordinary young soldiers and nurses who share the intimate, final moments of life. "Thank you for this important gift to humanity. I could not put the book down. I was intensely engaged in the imagery of the poems, narrative and "aftertaste" of each chapter. I felt elated, saddened, shocked, tearful, angry, sympathetic, reflective, and even somehow envious over the dynamic relationship you had with Davey and the powerful experiences that came from it. I think about our men and women currently in war and pray that each of them has a Lt Angel by their side." Mark Stanford, PhD

In his previous release, you were invited to a year long retreat with the Church Fathers; now, Mike Aquilina presents a new volume of contemplations and prayers about those most mysterious of all created beings: the Angels. Drawing again from the deep well of the Fathers' wisdom, Aquilina has compiled a year's worth of reflections on the Nine Choirs of Angels. A Year With The Angels invites you to discover the authority and strength of the Heavenly Host. Angels embody virtues, graces, and knowledge of the Truth because they stand before the very Throne of God. Among the Angels' responsibilities are governing the universe and the movements of nature, defending creation from the attacks of the devil, and acting as messengers of God to mankind. This year, learn to appreciate our unique relationship with the Angels - especially those assigned to protect us during our sojourn on earth. What better protectors and intercessors could we ask for than the first of all creatures who have beheld the face of God from their very beginning?
