*no, you can't go to the bathroom. You know where you can go? The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care.*

In Ruskin's Culture Wars, Judith Stoddart provides the first sustained modern critical reading of Fors Clavigera, placing this classic work in the context of its Victorian contemporaries: art journals, liberal and working-class periodicals, and popular criticism. In recreating the intellectual climate, she demonstrates the sense of cultural crisis and change evident at the time. Rebelling against the tendency to treat Ruskin's letters as the prose lyric of a damaged psyche, Stoddart shows how the cumulative text of Fors Clavigera not only records but revises and redirects the preoccupations of his period. He was an integral part of Victorian discussions of literary tradition and of the roles of democracy and nationality in late-nineteenth-century Europe.
