BSBINN301A Promote Innovation in a Team Environment

"An organisation's relationship with its employees is shaped by the organisation's human resource management (HRM) actions and the quality and consistency of its decisions. These decisions have a direct impact on the workforce and its capacity and motivation to achieve business objectives. Managing Human Resource Systems, 2E provides a strong foundation for students to achieve a high degree of competence as HR practitioners. It introduces key topics including: human resource services; performance management systems; workforce planning; HRM information systems; remuneration and employee benefits; recruitment, selection and induction processes; personal effectiveness programs; industrial relations issues." - product description.

"HRM Fundamentals, 2nd edition, assists students in gaining a practical understanding of human resources management theory, skills and applications. This text provides students with: skills to ensure organisations have appropriately trained, motivated and productive staff; theory and practice to evaluate the effectiveness of HR's contribution to the organisation; guidelines for

ethical practice; summaries and self-check questions to ensure understanding of chapter key points; case studies to put newly acquired skills into practice; and activities that enable them to apply the theory." -- back cover Author from West Coast TAFE, Australia, and universities in QLD, NSW, WA.
