This authorized history of International Harvester and Case-IH tractors includes data and photos of every model built from 1958 to 2013, as well as in-depth information about how these tractors were designed and constructed. The story traces the innovations and struggles of the final days of International Harvester, and then the exciting story of the creation of the Case-IH Magnum, an innovative machine that blends some of the great engineering done by International Harvester in the their final days with thoughtful engineering additions and refinements from the newly blended team. With a mix of new photography of some of the most exceptional collectible models in existence along with hundreds of previously unpublished photographs from the IH and Case-IH archives, this thorough book is the most authoritative guide on red tractors ever published. The story of the four-wheel-drive tractors built by Steiger, International Harvester, Case, and Case IH is told in dramatic fashion in this authoritative guide. Starting with the development of early four-wheel-drive systems at International Harvester, the book traces the evolution and design some of the most powerful and capable tractors of the twentieth century. With fresh detail on the 4300, 4100, Steiger-built IH tractors, and the 2+2 tractors including the Super 70 series, the book offers prototype drawings of several models--including the complete story of the never-before-published Magnum 2+2-- as well as inside stories and backroom drama that is a must for any enthusiast for farm history or tractors. Learn the complete story of Steiger tractors, which were originally designed and built in the barn of John, Douglass, and Maurice Steiger located near Red Lake Falls, Minnesota. Containing interviews with more than 50 of the people who built Steiger from its humble origin to a world leader, the book traces the evolution of the lime green Steigers in engrossing detail. The book also covers the J.I. Case 4WD line in great detail. In addition, the book tells the story of how each of these significant players in the industry combined under one banner and--together--created one of the current industry-leading technologies, the Quadtrac. The modern evolution of the Steigers and the introduction of the STX Series (and more) also receive in-depth coverage. The same team that created the award-winning books Red Tractors 1958-2013 and Red Combines 1915-2015 created this book, and notable new contributors include Sherry Schaefer (editor of Heritage Iron magazine) and noted historian Jim Allen. Contributors include Sherry Schaefer, Oscar H. Will III, Jim Allen, Kenneth Updike, Todd Markle, Gregg Montgomery, Guy Fay, Martin Rickatson, Sarah Tomac, Matthias Buschmann, Jean Cointe, Michael Osweller, and Johann Dittmer.

“You are the most God-gifted writer I’ve ever had,” Tom’s college professor told him. However, Tom quit college; his love of farming drew him back to the farm. Thirty years later, Tom picked up the pen again, drawing readers into farming adventures with him. In these exciting and uplifting true stories, he shares his love of farming, family, and God. His unique writing style brings the reader right alongside him and his family as they work on their northern Wisconsin dairy farm. Tom’s stories have spread like wildfire from his hometown newspaper to papers across America. Readers tell him, “Please don’t quit writing.” Others ask him, “When are you going to make it a book?” Due to popular demand here it is. From quotes like “Dad, I really enjoyed fixing that with you” to “She’s a dead cow don’t call me anymore,” these engaging stories will keep you turning the pages to read one story, then another. As you do, you will be blessed as so many others have been. Come, read, and enjoy our farm life with us.
