A Novel

After narrowly surviving his last operation, Gabriel Allon, the wayward son of Israeli intelligence, has taken refuge behind the walls of the Vatican, where he is restoring one of Caravaggio's greatest masterpieces. But early one morning he is summoned to St. Peter's Basilica by Monsignor Luigi Donati, the all-powerful private secretary to His Holiness Pope Paul VII. The body of a beautiful woman lies broken beneath Michelangelo's magnificent dome. The Vatican police suspect suicide, though Gabriel believes otherwise. So, it seems, does Donati. But the monsignor is fearful that a public inquiry might inflict another scandal on the Church, and so he calls upon Gabriel to quietly pursue the truth—with one caveat. "Rule number one at the Vatican," Donati said. "Don't ask too many questions." Gabriel believes that the dead woman had uncovered a dangerous secret—a secret that threatens a global criminal enterprise whose secrets are so valuable and so well guarded that they are sold to the highest bidder. But there is more to this network than just greed. A mysterious operative is plotting an act of sabotage that will plunge the world into a conflict of apocalyptic proportions. . . . An intoxicating blend of art, intrigue, and history, The Fallen Angel moves swiftly from the cloistered chambers of the Vatican to the glamorous ski slopes of St. Moritz to the graceful avenues of Berlin and Vienna—and, finally, to a shocking climax beneath the world's most sacred and contested parcel of land. Each setting in this extraordinary novel is rendered with the care of an Old Master, as are the spies, lovers, priests, and thieves who inhabit its pages. It is a story of faith and of the destructive power of secrets—and an all too timely reminder that those who cannot remember the past are condemned to repeat it.

Arī Shamron, the head of Israeli intelligence, calls on former intelligence operative Gabriel Allon to thwart a Palestinian plot to destroy the Middle East peace negotiations, a conspiracy linked to a Palestinian zealot with ties to Gabriel's past.

The Crooked Staircase

Never before had Daniel Bergner seen a spectacle as bizarre as the one he had come to watch that Sunday in October. Murderers, rapists, and armed robbers were competing in the annual rodeo at Angola, the grim maximum-security penitentiary in Louisiana. The convicts, sentenced to life without parole, were thrown, trampled, and gored by bucking bulls and broncos before thousands of cheering spectators. But amid the brutality of this gladiatorial spectacle Bergner caught surprising glimpses of exaltation, hints of triumphant skill. The incongruity of seeing hope where one would expect only hopelessness, self-control in men who were there because they'd had none, sparked an urgent quest in him. Having gained unlimited and unmonitored access, Bergner spent an unflinching year inside the harsh world of Angola. He forged relationships with seven prisoners who left an indelible impression on him. There's Johnny Brooks, seemingly a latter-day Stepin Fetchit, who, while washing the warden's car, longs to be a cowboy and to marry a woman he meets on the rodeo grounds. Then there's Danny Fabre, locked up for viciously beating a woman to death, now struggling to bring his reading skills up to a sixth-grade level. And Terry Hawkins, haunted nightly by the ghost of his victim, a ghost he tries in vain to exorcise in a prison church that echoes with the cries of convicts talking in tongues. Looming front and center is Warden Burl Cain, the larger-than-life ruler of Angola who quotes both Jesus and Attila the Hun, declares himself a prophet, and declaims that redemption is possible for even the most depraved criminal. Cain becomes Bergner in, and so begins a journey that takes the author deep into a forgotten world and forces him to question his most closely held beliefs. The climax of his story is as unexpected as it is wrenching. Rendered in luminous prose, God of the Rodeo is an exploration of the human spirit, yielding in the process a searing portrait of a place that will be impossible to forget and a group of men, guilty of unimaginable crimes, desperately seeking a moment of grace.
