The Book Sulaim Bin Qais is the oldest known Shia Hadith collection by Sulaim ibn Qais Hilali, who entrusted it to Abban ibn Abi Ayaish and has received endorsement from five Infallible Imams." The author researched and verified events before he penned them so that their authenticity is incontrovertible. The book was entrusted to only one person, Aban ibn Abi Ayyash who was held to a solemn oath not to talk of the book during Sulaym's lifetime and that after his death he would give the book only to trustworthy Shia.

Hayat Al Qulub the third volume deals with the topic of Imamate, the appointment of the Imam (a.s.), the inerrancy of the Imams and the obligation of the people to obey them. After this the Author has collected all the verses of the Holy Quran whose Exegesis (Tafsir) points towards Ahlul Bayt (a.s.). He has supported his statements with traditions. This volume can be said to be a Special Tafsir of the Holy Quran.

Despite being one of the key Shi'i Muslim communities, the Ismailis were until recently studied primarily on the basis of the accounts of their enemies. This new introduction is the first to be based on modern scholarship, taking account of recently recovered Ismaili texts. It covers all the main developments in the major phases of Ismaili history, from the early formative

This volume offers an introduction to all questions of teaching Religious Education as a school subject and as an academic discipline related to this subject. The chapters cover most of the aspects that religion teachers have to face in their work, as well as the theoretical background necessary for this task. The volume is a textbook for students and teachers of religious education, be it in school or in an academic context, who are looking for reliable information on this field. The book has proven its usefulness in German speaking countries. This volume is the

The present English version is based on the 2012 edition which aims for a most current representation of the field. The background of the book is Protestant but its outlook is clearly ecumenical, and questions of interreligious education are considered in many of the chapters. The compendium continues to be widely used in Germany, Austria and Switzerland - as an introduction to the field and as a handbook for students who are

reflects in her writing. Noor-e -Qurbat, loosely translates to the illuminating power of intimacy, is a memoir, taken directly from the pages of her notebook. All the poems show unrequited love, undying hope and a greater relationship than love, friendship, from the writer's perspective. She uses sun and the moon and brings forth their contrasting personalities and depicts why despite never being together, they still make the greatest lovers of all times...

This popular book provides more than two hundred Quran verses, hadith, and scholarly explanations related to the topic of making Duas more effective and thus increasing the chances of them getting accepted. The book also narrates many stories and examples of how the prophets invoked Allah in various situations. In this information packed publication (also available as a regular paperback book),
