This book is a concise guide to mechanical ventilation for trainees in emergency medicine. Divided into two sections the first part provides an overview of respiration, the physical act of breathing, pulmonary gas exchange, and respiratory physiology. The second section provides in depth coverage of mechanical ventilation, discussing its use in the emergency room, modes of mechanical ventilation, ventilator complications, and the

management of ventilated patients. This useful text is enhanced by clinical images and diagrams, and features a comprehensive bibliography for further reading. Key points

Concise guide to mechanical ventilation in the emergency room for trainees Provides clear explanation of basics of breathing and pulmonary gas exchange In depth coverage of modes of mechanical ventilation, possible complications and management Highly illustrated with clinical images and diagrams

Tough times haven't ended for Mal Reynolds and his crew aboard the Serenity. When a call

for help to find a missing friend takes them to an Alliance post on the Outer Rim, they encounter a new force building strength to fight the battle of the Browncoats--soon leading the crewmembers to question their individual values . . . Discovering that their friend is in Alliance custody and that an Alliance Operative is on the way, Mal concentrates his energy on the problem at hand and strikes an uneasy partnership for a daring rescue. But this is only the beginning of the story. Success will be when the Serenity's crew makes it off this planet alive and all accounted for . . . Georges

Nnopbeclika

Jeanty (Buffy Season 8, Season 9, Serenity) returns to the 'verse! iZombie creator Chris Roberson writes the continuing adventures of Mal and the crew. Follows the film Serenity, and the comics series Serenity: Leaves on the Wind. Executive Producer Joss Whedon! Collects: Serenity No Power in the 'Verse #1-6, and Free Comic Book Day 2016 "Serenity: The Warrior and the Wind" Chess Explained books provide an understanding of an opening and the middlegames to which it leads, enabling you to find the right moves and plans in your own games. It is as if you were sitting at the board with a chess coach

answering your questions about the plans for both sides, the ideas behind particular moves, and what specific knowledge you need to have. The Nimzo-Indian is one of the most important of all chess openings, and popular at all levels of play. Together with the Queen's Indian (also covered in this series), the Nimzo has provided the backbone of the opening repertoire of a large portion of the world's top players over the last 80 years. It is considered a fully reliable defence, and provides winning chances for both sides as it leads to structures of great strategic variety and complexity. Key battlegrounds in the Nimzo

include the blockade, IQP positions, the handling of unbalanced pawn-structures, and the struggle between bishop and knight. All these topics are covered in depth in this book, and an understanding of them will prove valuable in a much broader context than just the Nimzo-Indian.

After the fun of coloring these enchanting characters, kids can create magical keepsakes! Simple instructions explain how to make 15 different foldables that will look different every time they're flipped.

explores some of the wonderful sights, sounds and smells of nature in this heartwarming tale. Perfect for families to share. Filled with beautiful illustrations, grown-ups will adore reading this book to children of any age. With a lasting message about appreciating some of the extraordinary things we can often take for granted, this story is timeless, and it can be shared over and over again.

With her twins in college and her ex-husband off to a younger pasture, Cassie is resigned to a disappointing life in Los Angeles, until she reluctantly returns to Paris to visit her ailing father. There, she discovers the existence of an estranged aunt, a woman of many secrets who lives in a beautiful house in Paris's exclusive

Cité des Fleurs. Dumbfounded by what she learns, Cassie sets out on a quest to understand her family's past and make sense of her father's cold indifference toward her. In Paris, as the truth about her failed marriage begins to take form, Cassie fights with her family, grapples with French idiosyncrasies and her own, and attempts to resist the charms of a good-looking Parisian who rides a vintage motorcycle. From the last gasp of the Ottoman Empire to Paris of the 1920s to the prewar French Riviera to the World War II Allied landing in North Africa, the extraordinary story of her family unfolds to reveal the burdens Cassie has carried her entire life. The Curator of Broken Things is a family-saga trilogy that takes

place over a century. The novel weaves multiple narrative threads, each revealing new sides of the story until three generations of secrets are revealed that might bring a family together or tear it apart. In Book 2, ESCAPE TO THE CÔTE D'ZUR, a family flees Paris at the dawn of the Second World War, haunted by secrets that threaten to rip them apart. Seventy years later, Cassie, in modern-day Paris, finds herself alone frantically trying to confront her hostile relatives. Meanwhile, puzzled by the advances of a charming Frenchman, she struggles to cope with the demands of her manipulative ex and gain an understanding of her true self.

idea for anyone who loves this

amazing animals and animal

lover out there. Show everyone

in the world this cute and funny

animal notebook. Perfectly sized

at 8.5" x 11" 120 pages

Softcover Bookbinding Flexible

Paperback

Providing a range of different practical and theoretical perspectives and summarising guidelines for best practice, this book considers the key concerns involved in the provision of e-learning for disabled students in Higher and Further Education. Part three of the Hitchhiker's Guide to the Galaxy trilogy of five books. Featuring exclusive bonus material from the Douglas Adams archives, and an introduction from Simon Brett, producer of the original radio broadcast. In Life, the Universe and Everything, the third book in Douglas Adams' blockbuster sci-

fi comedy series, Arthur Dent finds himself enlisted to prevent a galactic war. Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be

destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown. Follow Arthur Dent's galactic (mis)adventures in the rest of the trilogy with five parts: So Long, and Thanks for All the Fish, and Mostly Harmless. You may have watched hundreds of episodes of The Simpsons (and its sister show Futurama) without ever realising that they contain enough maths to form an entire university

course. In *The Simpsons and Their Mathematical Secrets*, Simon Singh explains how the brilliant writers, some of the mathematicians, have smuggled in mathematical jokes throughout the cartoon's twenty-five year history, exploring everything from to Mersenne primes, from Euler's equation to the unsolved riddle of P vs. NP, from perfect numbers to narcissistic numbers, and much more. With wit, clarity and a true fan's zeal, Singh analyses such memorable episodes as 'Bart the Genius' and 'Homer3' to offer an entirely new insight into the most successful show in television history.

Return to the critically-
acclaimed world of Joss
Whedon's Firefly and Serenity,
in an all new graphic novel
spotlighting Hoban "Wash"

Washburne, pilot of the spaceship Serenity...who has just realized he's about to die. As Wash's life flashes before him, he revisits untold moments in his life, from growing up on a planet ravaged by pollution, to meeting the woman of his dreams in Zoe. And in those final moments, Wash will reach out to connect with a surprising someone he never thought possible to meet...proving that some bonds transcend our mortal coils. With original short stories from superstar creative teams, learn the untold past, present, and maybe even future of the best pilot in the

"Verse—Hoban "Wash"
Washburne."

A collection of familiar short stories, retold. Include retellings of "Solomon and the Bee," Aesop's "The Man, the Boy, and the Donkey," "Stubborn Husband, Stubborn Wife" and others.

A fill-in journal that encourages you to vent your feelings, jot down your anger and scribble out your rage. Irreverent, hilarious and more than a little bit swearsy, this is the perfect place to let it all out. Make a paper voodoo doll, invent your own swear words and scribble as hard as you possibly can.

With plenty of space to have a good rant about those daily things that just really get on your nerves, this is the perfect book for anyone who loves a really good moan - just make sure it's for your eyes only!

If you love dragons, magic is in the air! Learn to create your own dragons in a uniquely fun style. Author Piper Thibodeau walks you through drawing basics and how to design a dragon character, then gives you everything you need to know to detail and color your dragon. Includes instruction for both traditional and digital artists. A final start-to-finish

demonstration takes you through all the steps for one dragon design.

The emotional new novel

from the author of The Promise and One More Tomorrow. On the surface, it's perfect. Behind closed doors, they're hiding a thousand secrets. When heroic fire-fighter Joshua Jones walks into a London police station and declares his wife and newborn son are dead, PC Kaitlyn March is determined to get to the bottom of his story. And not just because she is sure there are secrets Josh is refusing to share. Her boss, to her surprise and confusion, insists on her involvement in the

case, but as he becomes more sure of Josh's guilt, Kaitlyn grows even more convinced of his innocence. With her own life in tatters since the father of her son left her penniless and riddled with debt, Kaitlyn is determined to get the promotion she so desperately needs. Her son is living a daily nightmare, targeted by school bullies for being different, and Kaitlyn knows that getting a confession from Josh could be her ticket out of the life they've been forced

*to endure. This case could
change everything for her.
But she won't ruin a man's
life to save her own.*

characters Bear and Duck
in this hilarious story
about a bear who is fed up
being a bear and wants to
be a duck. Bear is sick
and tired of being a bear.
Who wants to sleep all
winter? His fur feels so
hot in the summer. And the
bees . . . there are just*

too many angry bees! Bear is done being a bear. But when he sees a line of happy yellow ducklings, he has a thought. What if he could be a duck? With a few duck lessons from Duck, Bear learns that being a duck is fun; but as it turns out, Bear realizes he makes a really good bear . . . and he makes a really good friend along the way. Young readers will delight in the hilarious relationship between Bear and Duck. What happens when the legacy of a father collides with the dreams

of his son? Widow Jeeto Gill has spent her life working hard and making sacrifices for her children. Now she looks forward to going back to her land in the Punjab, eating saag and roti on a verandah and letting her tired eyes rest on green fields. Her son Pal seems to have it all but he's restless. He's got big plans for his Daddy's business and a taste for Johnny Walker Black Label. However his kind-hearted wife Liz has her own ideas about what's best. Meanwhile Pal's sharp-

tongued sister Cookie runs the tackiest beauty salon in town and harbours a dark secret. When their cousin's destitute wife, Reema, arrives from back home, the Gills propose to take care of her. Little do they know that her arrival will change the course of their family's destiny forever.

"The Big One" could make his career or ... break him. FBI Special Agent Samuel Kerman has been tasked to catch a wildly erratic serial killer dropping bodies in Pennsylvania state parks.

The victims differ, and the manner of murder changes every time. Amid the mountains of physical evidence, only a mysterious gray dust and declarations of guilt or innocence link the crimes. It's not much to work with, and the case drags on for months. Then, things go from bad to worse when the killer decides to make it personal.

or looking for some more blank journals like this, then feel free to click our brand at the top of this page (right over the title). We always try to provide new designs to our customers, so maybe right for you. Here you always will find a perfect gift idea for your birthday kid or for every other occasion, like easter, back to school, fathers day, mothers day, halloween, christmas, new year and so on. So don't click around anymore and get your product right here!

A moving tribute to the true meaning of Christmas, this charming holiday collection features over fifty true stories

that will make you laugh, cry and remind you that the greatest gifts in life can't be wrapped. There's something truly magical about Christmas. Combining two charming story collections—A Miracle Under the Christmas Tree and A Kiss Under the Mistletoe—into one beautiful package, these heartwarming stories of the kindness of strangers, reunions with loved ones and the blessings of answered prayers capture the spirit of the season. From a snowy impromptu game of Frisbee in the center of a holiday light display to a woman's trepidation as she arrives home

on Christmas Eve with crates of rescued shelter dogs, these stories will brighten the spirit of you and your family this season and for many future seasons to come. Some stories are funny, some are sweet and some are heartbreaking, but all of them show that if our hearts are open to giving and receiving love during this special season, incredible things can happen. “Want it all? instantly identifies the book as a good read.” – New York Times bestselling author Sandra Brown

When a rough-cut Texas cowboy haunted by his past saves a Park Avenue bride on the run, opposites attract in a big, Texas way in USA Today Bestselling Ann Major's *Love with an Imperfect Cowboy*. Should she? Or shouldn't she? Hannah Lewis never imagined she'd run from her own magnificent, Upper East Side wedding. Born and bred in a penthouse on Park Avenue, she excels at everything - except maybe juggling a career, planning a wedding and paying attention to her fiancé . But

couldn't he have chosen another day to cheat with her twin sister? Now Hannah's headed as far away as she can get from New York and her public humiliation. No one will expect to find her at a dude ranch in Lonesome, Texas ... but just maybe she can find herself there. Liam Stark is trying to hold it together on the anniversary of the worst night of his life. When a stuck-up beauty walks into the Lonesome Dove Bar, full of rough truckers and ranch-hands, she's trouble in red cowgirl boots--trouble that Liam doesn't need. Especially when he offers her safe haven from a storm on his ranch, and she stirs

up memories he'd give anything to forget. Liam has lost too many people he loved--his wife and son on a dangerous stretch of Texas highway, and men under his command in the Afghan conflict. This beauty will be gone in a New York minute as well ... unless he asks her to stay.

Attraction flames between them, hot as the Texas sun. But when their pasts cause problems, can they trust each other enough to believe they can share a future?

This is the third of a three-volume series books on the French Revolution, which aims to provide an up-to-date synthesis of the latest research and to

highlight recent controversies.

The period covered by Denis Woronoff extends from the fall of Robespierre to the rise to power of Napoleon Bonaparte, a period that to some seems to have unfolded in a minor key. But this interlude between two epic period is crucial for a proper understanding of contemporary France: one can trace here the extraordinary tenacity with which the republican bourgeoisie maintained its hold on power, and how 'respectable citizens' searched ceaselessly for 'the means of termianting the Revolution' to their own benefit.
