for the rehearsal of OSCEs in preparation for these exams, but also for American and Indian exams, and any other exams within the field of intensive care medicine. The

Acces PDF Examination Intensive Care Medicine

OSCE is a style of examination that requires the candidate to present specific information in a short space of time matched to a prescriptive mark scheme. This book

Acces PDF Examination Intensive Care Medicine

allows candidates preparing for an ICM OSCE to format their knowledge for this type of examination whilst practising and rehearsing against time. The 60 OSCE

Acces PDF Examination Intensive Care Medicine

stations
provide a broad
array of topics
from past exams
ranging across
the training
ICM
curriculums.
The mark
schemes are
presented in a
short,
punctuated form

Acces PDF Examination Intensive Care Medicine

allowing the candidate access to important points, ideal at the sharp end of an exam campaign. The 5 sets of OSCE exams are designed to run as a set of 12. Each set will
