Presents a survey text of American history from European exploration to the present day, with an emphasis on the interconnections between social, cultural, political, and economic history.

Pulitzer Prize-winning historian Eric Foner tells the story of how, between 1830 and 1860, three remarkable men from New York city - a journalist, a furniture polisher, and a black minister - led a secret network that helped no fewer than 3,000 fugitive slaves from the southern states of America to a new life of liberty in Canada.
