

Golden Girls Forever

Celebrate Christmas with Blanche, Dorothy, Rose, and Sophial This illustrated gift book is ideal for fans of the beloved sitcom that won 11 Emmy Awards, three Golden Globes, and a place in pop culture as one of the best shows of all time. Full color.

Includes 30 pages of bonus material! The complete, first-ever Golden Girls retrospective, packed with hundreds of exclusive interviews, behind-the-scenes and never-before-revealed stories, more than two hundred color and black-and-white photos, commentary, and more. They were four women of a certain age, living together under one roof in Miami—smart and strong Dorothy, airhead Rose, man-hungry belle Blanche, and smart-mouthed matriarch Sophia. They were the Golden Grls and for seven seasons, this hilarious quartet enchanted millions of viewers with their witty banter, verve, sass, and love, and reaffirmed the power of friendship and family. Over thirty years after it first aired, The Golden Girls has become a cult classic, thanks to fan fiction, arts and crafts, podcasts, hundreds of fan blogs and websites, and syndication. Now, Golden Girls Forever pays homage to this wildly popular, acclaimed, and award-winning sitcom. Drawing on interviews with the show's creators, actors, guest stars, producers, writers, and crew members, Jim Colucci paints a comprehensive portrait of the Girls both in front of the cameras and behind the scenes. Illustrated with hundreds of photos, including stills from the show and a treasure trove of never-before-seen and newly rediscovered photos, Golden Girls Forever includes:
• Girls and Their Guests: short profiles of the show's most famous guest stars
• Why I Love the Girls: Lance Bass, Laverne Cox, Ross Mathews, Perez Hilton, Zachary Quinto, Chris Colfer, Jason Collins, and many, many other celebrities share their love of the Girls
• Exclusive Interviews with ninety-four-year-old Betty White: the famously private Bea Arthur and Rue McClanahan, before their deaths; and fan-favorite actors who appeared on the show
• Harvey Fierstein's tribute to his close friend, Estelle Getty
The ebook also features 30 pages of material not included in the print edition, such as 17 Golden Girls pieces on Estelle Getty's make-up, the Rue LaRue Cafe, and additional fan art. Bursting with fun facts, anecdotes, reminiscences, and insights, Golden Girls Forever is the ultimate companion to the show for fans old and new.

A deluxe boxed set of four hilarious yet heartwarming autobiographies from your favorite Golden Girls. Celebrate The Golden Girls with this handsome set, including four hardcover books, each with 48 pages of content and featuring full-color photos, packaged in a slip-cased box. Each book reads as an autobiography as told from your favorite Golden Girl, alongside fun sidebars (think Sophia's secret Sicilian family recipe) and funny quotes (Rose: "As they say in St. Olaf, Helgenbargenfergen"). The 4 hardcover books include: Pray for Brains by Dorothy Zbornak
As They Say in St. Olaf by Rose Nylund
Picture It: Sicily by Sophia Petrillo
The Curse of Being a Devastatingly Beautiful Woman by Blanche Devereaux

Get to know the Golden Girls in this collection of 15 sticker art puzzles! Each sticker jigsaw puzzle uses more than 100 removable stickers to complete full-color images of these famous sassy seniors! An answer key and numbering on the stickers helps out if you have trouble, and each puzzle offers a bit of trivia about the characters. Puzzles keep the brain challenged and are fun for all ages!

Love You Forever

The beloved fairy tale, Golden Hair a lost girl meets Jack the Bear, the King of the Ever Ever Forrest. Jack saved all the animals from Meaniothia, an evil queen. An enchantment spell is wearing off that keeps the Queen locked in Skull castles dungeon. Soon Meaniithia will escape and enslave all the animals. Strikker, the Queen's pet wolf carries out her plan to kidnap Jack so she can rule the Forrest again. Golden Hair's bright light will guide the animals to the dark end of the forbidden Forrest to rescue Jack. Will they be able to save Jack? Will Golden Hair leave the Forrest gates to go back home or stay to help the animals? If she helps she will be trapped in the Ever Ever Forrest forever once the gates close. A story of finding your destiny and true calling. The courage to accept your uniqueness and finding your path no matter how difficult it may be. Great for kids, teens and adults. Danger lies ahead but first you have to meet the cheeky & wise cracking animals of the Forrest: Pierre The Mouse who cleans the house, Sammy the nervous duck and an announcer, Star The Punk Rock Squirrel, The Bunny family: Pipa, Piper, Popin and Nugget the chunky baby bunny, Henry Hawk, Madame Maimie the good lion, Henry Hawk the scout, Ozzie the Beaver who builds and Paloma the swift horse. The bad guys: Strikker the pet wolf of the mean Queen Meaniithia and his two pack brothers Sizzle and Drizzle. Golden Hair learns to follow her inner light and let it shine bright. Lily Heartson, is known as Golden Hair. Thank you and enjoy.

A fully illustrated and authorized episode guide celebrating the twenty-fifth anniversary of the hit-television show Friends, including a look behind-the-scenes of cult-favorite episodes, exclusive photos from Warner Bros., brand new interviews with show creators Marta Kauffman, David Crane, and set designer John Shaffner, and more. The beloved show Friends introduced the world to six young New Yorkers living together, falling in love, breaking up (cue Ross's "We were on a break!"), and getting into hilarious shenanigans, which became an instant classic formula that inspired dozens of "hangout sitcoms" long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like "the Rachel" and timeless catchphrases like "How you doin'?" while creating a cultural sensation that catapulted the cast members to instant mega-stardom. Throughout the show's ten- season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and, of course, plenty of sarcasm. Friends Forever takes fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred episodes and sneak peeks of how popularly referenced lines from the show came to be. Friends Forever also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner who reveals his inspirations behind the iconic looks behind Monica's and Rachel's apartment and Central Perk. It's no wonder why the Friends cast was chosen by TV Guide readers as the Best Comedy cast of all time, while countless other publications such as Vanity Fair named the show one of the best sitcoms of all time. Fun, hilarious interactives include: Joey's fake resume vs real one Countdown to the funniest Thanksgivng foods Trivia game Q&A from "The One with the Embryos" (Seriously, what is Chandler Bing's job?) Follow Ross's infidelity trail from "The One with the Morning After" Who is that celebrity? A comprehensive guide to some of the most famous celebrity guest stars from all ten seasons

A young woman confronts the horrifying events of her childhood, an infamous crime that destroyed her family, with the help of the son of the police officer who had aided her many years ago, unless the old evil finds her first. Reprint.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

The Definitive Golden Girls Cultural Reference Guide is an in-depth look at the hundreds of topical references to people, places, and events that make up many of the funniest lines from the ever-popular television series, The Golden Girls. Over the course of seven seasons and 180 episodes, The Golden Girls was a consistent top 10 hit, yielding 58 Emmy nominations, multiple spin-off shows, and millions of lifelong devoted fans with its biting observations and timeless humor about such issues as dating, sex, marriage, divorce, race, gender equality, gay rights, menopause, AIDS, and more. Re-runs are run on multiple cable networks daily and are streaming 24/7 on Hulu. This book brings 21st Century viewers "in on the joke" while educating readers about pop culture and world events from the past.

"This book blew me away, completely. Gripping from page one. I—quite literally—couldn't put it down."—Christina Lauren, New York Times bestselling author of The Unhoneymooners Growing up, Mallory Dodge learned that the best way to survive was to say nothing. And even though it's been four years since her nightmare ended, she's beginning to worry that the fear that holds her back will last a lifetime. Now, after years of homeschooling, Mallory must face a new milestone—spending her senior year at a public high school. But she never imagined she'd run into Rider Stark, the friend and protector she hasn't seen since childhood, on her very first day. It doesn't take long for Mallory to realize that the connection she shared with Rider never really faded. Yet soon it becomes apparent that she's not the only one grappling with lingering scars from the past. And as she watches Rider's life spiral out of control, Mallory must make a choice between staying silent and speaking out—for the people she loves, the life she wants and the truths that need to be heard. Praise for The Problem with Forever: "We're left breathless and a little haunted and wanting more."—Danielle Paige, New York Times bestselling author of Dorothy Must Die "Heartbreakingly real...a remarkable novel about the power of first love and the courage it takes to face your fears."—Kam Garcia, #1 New York Times bestselling author Also from #1 bestselling author Jennifer L. Armentrout: If There's No Tomorrow The Harbinger Series The Dark Elements Series

From The New Yorker's fiercely original, Pulitzer Prize-winning culture critic, a provocative collection of new and previously published essays arguing that we are what we watch. "Emily Nussbaum is the perfect critic—smart, engaging, funny, generous, and insightful."—David Gram, author of Killers of the Flower Moon NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Chicago Tribune • Esquire • Library Journal • Kirkus Reviews From her creation of the "Approval Matrix" in New York magazine in 2004 to her Pulitzer Prize–winning columns for The New Yorker, Emily Nussbaum has argued for a new way of looking at TV. In this collection, including two never-before-published essays, Nussbaum writes about her passion for television, beginning with Buffy the Vampire Slayer, the show that set her on a fresh intellectual path. She explores the rise of the female screw-up, how fans wary the shows they love, the messy power of sexual violence on TV, and the year that jokes helped elect a reality-television president. There are three big profiles of television showrunners—Kenya Barris, Jenji Kohan, and Ryan Murphy—as well as examinations of the legacies of Norman Lear and Joan Rivers. The book also includes a major new essay writing during the year of #MeToo, wrestling with the question of what to do when the artist you love is a monster. More than a collection of reviews, the book makes a case for toppling the status anxiety that has long haunted the "idiot box," even as it transformed. Through it all, Nussbaum recounts her fervent search, for a new kind of criticism, one that resists the false hierarchy that elevates one kind of culture (violent, dramatic, gritty) over another (joyful, funny, stylized). I Like to Watch traces her own struggle to punch through stifling notions of "prestige television," searching for a more expansive, more embracing vision of artistic ambition—one that acknowledges many types of beauty and complexity and opens to more varied voices. It's a book that celebrates television as television, even as each year warns the definition of just what that might mean. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY "This collection, including some powerful new work, proves once and for all that there's no better American critic of anything than Emily Nussbaum. But I Like to Watch turns out to be even greater than the sum of its brilliant parts—it's the most incisive, intimate, entertaining, authoritative guide to the shows of this golden television age."—Kurt Andersen, author of Fantasyland "Reading Emily Nussbaum makes us smarter not just about what we watch, but about how we live, what we love, and who we are. I Like to Watch is a joy."—Rebecca Traister

The Golden Girls: Forever Golden

If there's one thing the nation can agree on--we all love Betty White! This spirited homage to Betty captures her unique humor, timeless wisdom, and impish irreverence that's made her one of America's longest lasting and most beloved stars. An unparalleled American icon, Betty White started show business in 1939 in radio and was a pioneer in the early days of TV. Over eight decades, she's appeared on countless sitcoms, game shows, and talk shows, including the iconic comedy The Mary Tyler Moore Show and The Golden Girls. Her accolades over the years include two Emmy nominations, a Grammy, and induction into the Television Academy Hall of Fame, while she had her best decade yet as a nonagenarian: becoming the oldest person to host SNL, starring in a Super Bowl ad, and winning praise with her popular supporting role in Hot in Cleveland. Through it all, her "don't take yourself too seriously" attitude appeals to legions of fans, spanning all generations. How to Be Golden recounts her engaging life story while weaving in her words of wisdom and insight about love, friendship, work, family, sex, acting, aging, beauty, and more.

Filled with innovative recipes by renowned chef Christopher Styler, and beautiful photos by NYT food photographer Andrew Scrivani, plus fun quotes, info, and photos from the show. There will be Italian meals like Clams Fra Diavio in Sophia's chapter, and Southern food like honey-bourbon glazed carrots in Blanche's, and of course some amazing cheesecakes. And what Golden Girls cookbook would be complete without Rose's favorite Scandinavian dishes, like St. Olaf Friendship cake, simple, buttery treat. From drinks and appetizers, to salads and mains, there is something to delight every fan in this witty and approachable cookbook.

Pay tribute to The Golden Girls with this one-of-a-kind talking button that fans everywhere can display at home or the office. Fans of the beloved show, The Golden Girls, will love this fun kit celebrating everyone's favorite Foursome. Kit includes: A talking button featuring 20 hilarious phrases from the show Mini book with quotes and full-color photos

Pairs full-color photos from the animal kingdom with inspiring sayings that stress the importance of friendship.

With a single kiss, a young maid saves her beloved from the Snow Queen's icy imprisonment. When splinters from an evil troll's magic mirror get into the heart and eye of Kai, he is tricked into accompanying the Snow Queen to her palace, and only the innocence and kindness of Gerda's heart can save him. The inspiration for Frozen, Hans Christian's Andersen's "The Snow Queen" is one of the most beloved fairy tales in history. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Miami can get pretty humid this time of year... It's probably time you put your feet up and unwind with a Golden Girls-centric cocktail. Everybody needs a stiff drink from time to time, be it alcoholic or otherwise. This irreverent book is as close as you're ever going to get to clinking glasses with Rose, Blanche, Sophia and Dorothy, the sassy foursome from The Golden Girls. More than 30 years after it first aired, The Golden Girls retains a steadily growing cult following. The show ran for seven seasons (collecting a staggering fifty-eight Emmy nominations and eleven wins along the way), and over the years, this hit comedy about four fierce and sassy broads sharing a house in Miami charmed millions of viewers with its wit and verve. In this book, there are recipes for frozen belinis, piña coladas, coconut kisses, and other gloriously silly cocktails. There's also mocktails like the nonalcoholic Bahama Mama and Blanche's Punch (that pack's quite the punch). And, because it's The Golden Girls we're talking about here, there are some cheesecake recipes for good measure.

Are some of the world's most talented children's book authors essentially children themselves? In this engaging series of essays, Pulitzer Prize-winning author Alison Lurie considers this theory, exploring children's classics from many eras and relating them to the authors who wrote them, including Little Women author Louisa May Alcott and Wizard of Oz author Frank Baum, as well as Dr. Seuss and Salman Rushdie. Analyzing these and many others, Lurie shows how these gifted wrtlers have used children's literature to transfigure sorrow, nostalgia, and the struggles of their own experiences.

Rue McClanahan, best known for her portrayal of Blanche Devereaux in the Emmy-award winning series The Golden Girls reveals her life in and out of the spotlight in a laugh-out-loud funny memoir about love, marriage, men, and getting older that is every bit as colorful as the characters she played. Raised in small-town Oklahoma in a house "thirteen telephone poles past the standpipe north of town," Rue developed her two great passions--theater and men--at an early age. She arrived in New York City in 1957 with two-weeks worth of money in her pocket, hustled her way into a class with the legendary Uta Hagen, and began working her way up in the acting world against the vibrant, free-spirited backdrop of the sixties. That's when she met and married Husband #1—a handsome rogue of an aspiring actor who quickly left her with a young son. Still, she was determined to make it on the stage and screen—and in the years that followed, rose to the top of the entertainment world with a host of adventures (and husbands) along the way. From her roles on Broadway opposite Dustin Hoffman and Brad Davis, to her first television appearances on Maude and All in the Family, to the Golden Girls era and beyond, My First Five Husbands is the irresistible story of one woman's quest to find herself. Rue is proof that many things can and do get better with age—and that, if she keeps her wits about her, even a small-town girl can make it big. People always ask me if I'm like Blanche. And I say, 'Well, Blanche was an oversexed, self-involved, man-crazy, vain Southern Belle from Atlanta—and I'm not from Atlanta!'" —Rue McClanahan

Perfect for framing or washi-taping to your walls, this officially licensed deluxe poster art book features twelve unique 8" x 10" removable designs of Blanche, Rose, Dorothy, and Sophia alongside some of their most hilarious and iconic catchphrases. Posters include: "As they say in St. Olaf, 'Helgenbargenfergenfurfenfernen'" --Rose "Nobody ever believes me when I'm telling the truth. I guess it's because of being a historically successful woman." --Blanche "Go to sleep, sweetheart. Pray for brains." --Dorothy "Have I given you any indication at all that I care?" --Sophia "You truly are one chromosome away from being a potato." --Dorothy "If this sauce were a person, I'd get naked and make love to it." --Sophia And more

A collection of in-depth interviews with the creators, cast, and crew of the Emmy Award-winning television series offers a behind-the-scenes look at Will & Grace, accompanied by profiles of cast members and guest stars, a lavishly illustrated episode guide, favorite moments, and more. Original, 60,000 first printing. (An NBC television series, starring Eric McCormack, Debra Messing, Sean Hayes, & Megan Mullally) (Performing Arts) What better way to thank someone for being a friend than to share this fabulous book with them? It's packed with the inimitable wit and wisdom of everyone's favorite ladies--Blanche, Dorothy, Rose, and Sophia! They've lived a lot of life, and the Golden Girls are here to provide some pearls of wisdom (with more than a bit of sarcasm and some naïveté). From "Sticks and stones can break your bones. But cement pays homage to tradition," to "Isn't it amazing how I can feel so bad, and still look so good?" to "As they say in St. Olaf: 'Helderbargenfergenfurfenfernen!'" America's four favorite housemates share their hard-earned life lessons.

A fun and inspirational holiday to The Mary Tyler Moore Show--now 50 years after its debut--with "life lessons" on how Mary Richards serves as an icon and inspiration for generations of women to "make it after all." When the character of Mary Richards walked into the WJM News Room in the fall of 1970, one of the most beloved shows in television history was born. The Mary Tyler Moore Show would win 29 Emmys over its 7-year run, and would later be lauded as one of the most influential TV shows of all time. Not only that, but Mary Richards would become an icon and inspiration for future generations of women-(for example, Oprah Winfrey, Andrea Mitchell, and Tina Fey have all credited Mary with inspiring their careers). Now entertainment writer Paula Bernstein writes this charming celebration of this groundbreaking show, offering not only fun trivia and history, but also the "lessons" we've gleaned, including:
* Make the Most of a Small Space. Mary's adorable nook in a Victorian home became TV's most famous bachelorette pad--and, with Mary's "sit on the wall, inspired thousands of women to adopt their own first initial as home decor.
*Get Along with Everyone at Work. Lou Grant was grumpy, Ted Baxter a blowhard, and Murray an all-around nice guy. Mary worked with all her colleagues with grace and style. (And at the time, Mary's position as Associate Producer at WJM was glass-shattering!)
*You Can Have the Town--Take it!: How Mary's famous "hat throw" was an inspiration to independent, working women everywhere. And many more!

Golden Girls Adult Coloring Book

Letter from the Birmingham Jail

A Look Into Your Future from the Lanai

Arguing My Way Through the TV Revolution

Betty White

Iconic actress Hayley Mills shares personal memories from her storied childhood, growing up in a famous acting family and becoming a Disney child star, trying to grow up in a world that wanted her to stay forever young. The daughter of acclaimed British actor Sir John Mills was still a preteen when she began her acting career and was quickly thrust into the spotlight. Under the wing of Walt Disney himself, Hayley Mills was transformed into one of the biggest child starlets of the 1960s through her iconic roles in Pollyanna, The Parent Trap, and many more. She became one of only twelve actors in history to be bestowed with the Academy Juvenile Award, presented at the Oscars by its first recipient, Shirley Temple, and went on to win a number of awards including a Golden Globe, multiple BAFTAs, and a Disney Legacy Award. Now, in her charming and forthright memoir, she provides a unique window into when Hollywood was still 'Tinseltown' and the great Walt Disney was at his zenith, ruling over what was (at least in his own head) still a family business. This behind-the-scenes look at the drama of having a sky-rocketing career as a young teen in an esteemed acting family will offer both her childhood impressions of the wild and glamorous world she was swept into, and the wisdom and broader knowledge that time has given her. Hayley will delve intimately into her relationship with Walt Disney, as well as the emotional challenges of being bound to a wholesome, youthful public image as she grew into her later teen years, and how that impacted her and her choices--including marrying a producer over 30 years her senior when she was 20! With her regrets, her joys, her difficulties, and her triumphs, this is a compelling read for any fan of classic Disney films and an inside look at a piece of

real Hollywood history.

This fabulous adult picture book pays homage to The Golden Girls—one of the most beloved shows in TV history. Fans will go crazy for the chic, stylized illustrations of Dorothy, Rose, Blanche, and Sophia, paired with hand-lettered lyrics to the theme song that touched millions of hearts. Thank You For Being a Friend is a perfect gift for Golden Girl enthusiasts of all ages to give to their very own besties.

"Drawing on unprecedented access and personal experiences that would not be possible for any reporter today, Shaughnessy takes us inside the legendary Larry Bird-led Celtics teams, capturing the camaraderie as they rose to dominate the NBA. Fans can witness the cockiness of Larry Bird (who once walked into an All Star Weekend locker room, announced that he was going to win the three-point contest, and did); the ageless athleticism of Robert Parish;

the shooting skills of Kevin McHale; the fierce, self-sacrificing play of Bill Walton; and the playful humor of players like Danny Ainge, Cedric Cernibread Maxwell, and M.L. Carr."--
