

Heal Me If You Can On Changes Of Attitude And Other Stories By A Happy

Alfred Döblin (1878-1957) studied medicine in Berlin and specialized in the treatment of nervous diseases. Along with his experiences as a psychiatrist in the workers' quarter of Berlin, his writing was inspired by the work of Holderlin, Schopenhauer and Nietzsche and was first published in the literary magazine, Der Sturm. Associated with the Expressionist literary movement in Germany, he is now recognized as on of the most important modern European novelists. Berlin Alexanderplatz is one of the masterpieces of modern European literature and the first German novel to adopt the technique of James Joyce. It tells the story of Franz Biberkopf, who, on being released from prison, is confronted with the poverty, unemployment, crime and burgeoning Nazism of 1920s Germany. As Franz struggles to survive in this world, fate teases him with a little pleasure before cruelly turning on him. Foreword by Alexander Stephan Translated by Eugene Jolas>

Now Available in One Volume—The Jerusalem Chronicles When Jesus Wept The first novel in The Jerusalem Chronicles by bestselling authors Bodie and Brock Thoenes, unfolds the turbulent times in Judea during Jesus' ministry, centering on the friendship between Jesus and Lazarus. With rich insights from vineyard owners and vine dressers, the Thoenes explore the metaphor of Jesus as the True Vine, harvesting the ancient secrets found in the Old Testament. Take This Cup Woven into the fabric of prophecy, a young boy named Nehemiah must choose to embrace his destiny as cupbearer to the King of Kings. Behold the Man Behold the Man is the culmination of the Jerusalem Chronicles and brings readers to an encounter with the death and resurrection of Jesus of Nazareth.

Ofset and printed to its prestigious list of parallel-text biblical-reference resources with the Evangelical Parallel New Testament. This volume features the New Testaments of eight translations used by various segments within the evangelical community today. It is particularly notable for including the recently published Holman Christian Standard Bible, The Message, the New Living Translation, and Today's New International Version. The texts are arranged on facing pages, with the texts of four translations on each page. The Evangelical Parallel New Testament shows the translation philosophies and word choices made by diverse groups of evangelical scholars during the last three decades of the twentieth century. This useful volume features three interesting essays: one on the specific characteristics of each translation and where it falls in the spectrum of approaches, a second on formal vs. functional equivalence in translation, and a third on the underlying Greek text of the New Testament.

One in three women will have an abortion. Forty-five percent will have more than one. I am one in three. I am one in forty-five percent. I am not alone. I was sixteen years old when the cry began. It was a silent screaming within my soul that I felt sure everyone could hear. I carried the cry for fifteen years before I was able to identify it. It started the day I had my first abortion. "A simple outpatient procedure; we will remove the mass of tissue. You're young—you have your whole lives ahead of you to have children. You're making the right choice." I believed them. My "choice" led me down a dark path of self-destructive behavior that lasted for ten long years! I was desperate to be free. "God, if you can hear me, please help me, make it stop!" I cried. Jesus heard my cry and healed the aching in my heart. What is post-abortion syndrome? Will God heal me after what I did? How can I be free? These were all questions that I had. If you are struggling with a past abortion, or if you have been carrying a cry, you are not alone. Whether you have had one abortion or multiple abortions, only He can heal the damage that abortion causes. Jesus sees your pain and longs to heal you. You have a choice to make. You can allow the Lord to heal you, or you can continue to carry the cry.

* Page-turning . . . Set against the political and religious turmoil of the times, the Thoenes' story vividly reimagines the evolving friendship between Jesus and Lazarus. " —Publishers Weekly LAZARUS—the man Jesus raised from the dead in one of the most extraordinary encounters with The Living Savior in all of Scripture. But the life of Lazarus holds interest well beyond this miraculous event. Living in Bethany, near Jerusalem, Lazarus witnessed many of the most important events of Jesus' s life and ministry. Lazarus owned a vineyard and devoted his life to caring for its vines and fruit. But he encountered another man—Jesus—whose vineyard was the world, its fruit the eternal souls of men. When Lazarus' s story and the story of Jesus' s crucifixion and resurrection touch in those when Jesus Wept, we are offered a unique vision into the power and comfort of Christ' s love. Brock and Bodie Thoenes' s most powerful and dimactic writing project to date, When Jesus Wept, captures the power and the passion of the men and women who lived through the most important days in the history of the world.

Did the cross of Calvary truly remove every form of the curse? Did Jesus really make everything right for those who put their trust in Him? Or do we await another day when God will act on the work of the cross in order to complete our salvation? The truth contained in this treatise is the simplest of all truths. This book is not a study on the mysterious depths of the gospel, but rather, on the foundational principles upon which the church is to be built. Although foundational, the truth contained herein is one in which the church at large is unfamiliar. Though simple, this truth is simply profound and contains power to bring forth a new and radical perspective. This new perspective contains the ability to connect the believer to supernatural possibilities. This radical perspective of which I speak is a simple and honest look at the redemptive work of the cross. Could it be that Jesus' death, resurrection, and seating at the Father' s right hand has totally and completely rectified the human condition? Is it possible that as believers, we can experience and enjoy the bountiful and unlimited blessings of heaven by merely agreeing with what the Father has already accomplished through His Son? It has often been said that every believer has a right to be blessed, healed, favored, etc. The truth is, we have far more than a mere right to these blessings. We have Jesus' Right which guarantees that these blessings are not only ours, but they are irrevocably ours. Because of the redemptive work of Calvary, every believer is as much in the right with the Father as Jesus Himself. The moment we believe in Jesus, His righteousness is accredited to our account! Thus, Jesus' Right is NOW upon us! Truly, there has been a great exchange. . . . He has taken all of our wrong and given us all of His RIGHT.

This book presents compelling insights and practical blueprint, and balanced perspective to the less travelled road faith-based health care. Every believer ought to read this book. Your time has come!

What is the place of Amanda Smith in American history? Has she any place there? Mrs. Smith is an historic character. The biography of great women, and especially great women of the Negro race, would be sadly deficient without her. Of this race in the United States, since 1020, there have appeared but four women whose career stands out so far, so high, and so clearly above all others of their sex that they can with strict propriety and upon well established grounds be denominated great. These are Phillis Wheatley, Sojourner Truth, Frances Ellen Watkins Harper and Amanda Smith. This is her autobiography.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

If You Need to Read... HE'S A HEALING JESUS! When you're sick and in need of healing, it's very important that you know how much God loves you...how much He truly wants to see you healed and made whole in every area of your life. That's why I've written He's A Healing Jesus. Many people feel isolated in their illness. They feel separated from God. They wonder if He knows about the situation they're facing, and if He could possibly care about what they're going through. The simple and powerful answer to that question is "Yes, He knows, and yes, He cares"...I want you to know that. And when you understand what God reveals about Himself in His own Word, the Bible—which I'll teach you about in this book—you'll see that He also has the desire and the power to do something about it...to set you free and make you whole again. When Jesus walked this earth more than 2,000 years ago, He never turned away anyone who came to Him for healing...and you can be assured He won't turn you away, either. He is a Healing Jesus...and I believe He wants to heal you.

Marino Kintaro was born in Palau, a small tropical island in Micronesia and raised in a Christian family mixed with cultural taboos. Although he considered himself a Christian, his life style of wild parties filled with hard rock and alcohol was contrary to the Lords teachings. He became very ill; with death being near and all else failing he made a commitment to the Lord to serve Him, if He would make him well. Jesus healed him and revealed to him that he is a Pentecostal like Peter and Paul were. Today Marino lives with his wife in the United States. They have a son and a daughter. One day God opened his spiritual eyes to understand the scriptures of the Bible and led him to write this book. He believes this book Jesus Opened My Eyes will help others to understand some of the very secret revelations of Jesus and scriptural meanings of the Bible providing a true peace of mind and full enjoyment of life. The living God has given him a couple of dreams about this book, Jesus Opened My Eyes showing him that this book would be very successful and would be read all around the world. When he started to write this book he was given a dream that 777 was on a big brown envelope that contained the draft of the book. He also had an inspiring dream that a very Bright Light appeared in the sky above the mountain and two halos from that Light came upon him and his wife. Yes, Jesus can also open your spiritual eyes to understand the scriptures just as He opened the minds of the Apostles and Marino to understand the scriptures in the Bible. Let the excitement fly when you read this book.

In 1994, Abror Rahmedov, a young medical student in Tashkent, Uzbekistan, was hit by rocket flare fired by a drunk at a wedding feast, and suffered massive injuries to his face. He survived, only to find himself inside the very medical system that had been training him, where he was forced to bribe officials to get the proper medicines. In 1996, after living for two years with his destroyed face, still unable to speak, he came to the United States with the help of good samaritans in Seattle to begin a long and difficult road of reconstructive surgeries. Here he found his lost face and regained his faith. Today, he is an Engineering graduate student at UCLA.

Will God Heal Me?

We would all prefer to maintain some level of control and avoid suffering at all costs. That's one main reason we work out, take vitamins, and check our heart rate -- in hopes of not having to suffer in the future. But the Bible clearly teaches that no one is exempt from suffering and sickness. In Will God Heal Me? the late pastor and author Ron Dunn waded through the misconceptions about human suffering to illuminate the unequivocal love, sovereignty, and goodness of God. This new edition of his acclaimed work introduces his teaching to the next generation that will surely benefit from this biblical insight.

Pastor and teacher Tracy Edwards shows you from the Scriptures that God is not only able and willing to heal His children, but has provided covenant promises that guarantee His intervention when they are claimed in faith. Furthermore, the death, burial and resurrection of Jesus has purchased our healing, further guaranteeing its fulfillment in our lives as we look to Him. This book has ten faith building chapters that will not only give you knowledge of what God wants to do concerning your health, but also gives you practical instruction along with balanced wisdom. God wants to heal you. It is His desire. He is simply waiting for you to seek Him for it. This book will give you the confidence to do just that.

Hear And Be Healed! Do you or someone you know need healing in your physical body? If you are a born-again believer, Jesus obtained your healing two thousand years ago. Healing is already on the inside of you. It was given to you by God's grace (God's undeserved favor). You didn't deserve it or couldn't earn it, God gave it to you as a gift through Jesus Christ. Unfortunately, most believers don't experience what Jesus has already done for them because of religion and tradition of men. Wrong believing has hindered believers from receiving healing and all the finished works of Jesus Christ. You have a blood-bought right because Jesus's blood to walk in divine health, prosperity, soundness, and wholeness. This is a covenant right! In Healing from a Grace Perspective, you will learn how to apply the Word of God with precision and accuracy to get the healing on the inside of you to manifest on your physical body. No disease, to include cancer, can stand up to the Word of God when applied with aggressive faith and precision. Take your healing. It belongs to you! Jesus has given me the assignment of getting faith in the body of Christ for healing. Jesus said to me "if people will believe what you teach them and do it aggressively healing will come to them." Wrong Believing One of the greatest hindrances to receiving from God is wrong believing. Believing contrary to what the Scriptures says is a sure way of not receiving your healing. We have heard so much information that is not in agreement with the Scriptures. For example, if you believe that it's not God's will to heal everybody when the Bible clearly states "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth" (3 John 2, KJV), then Satan can talk you out of your healing. He can convince you that God won't heal you because of something you did or didn't do. This is why reading and studying the Word of God for yourself on a daily basis is so important. You must believe God wants you well and God by his grace has made healing available. Sinner's Prayer Say this prayer aloud with all your heart and mind. I am coming to you on the inside of you. Father, Your word says according to Roman 10:9 If I confess with my mouth the Lord Jesus Christ and believe in my heart that God has raised him from the dead I will be saved. I renounce sin and ask Jesus to come into my heart now and be my Lord and Savior. I believe God raised him from the dead. I ask Jesus to fill me with the Holy Spirit. I declare that I am now born again. Thank you Jesus for saving me. Congratulations! You are now a born-again believer. And, behold, I come quickly; and my reward is with me, to give to every man according as his work shall be. —Revelation 22:12 KJV Are you prepared for the return of Jesus Christ? People have talked about it, read, wrote, sung, joked, and made movies about it. In March 2006, author Sarah A. Jones heard a voice in her dream say to her, "Let your testimony be: 'Jesus Christ is Coming!'" The people must be told so that they can be prepared upon His arrival." Therefore she has written this book about His return; what we can do according to God's word to be prepared for this inevitable event; and what will happen to those who are not prepared. A MUST READ! I pray that this book will bless you, enlighten, and inspire you to seek God, and draw closer to Him in hope that you will be prepared for Jesus' arrival. Allow God to speak to your heart as you read with expectation to hear and receive from Him. You will be amazed, and your life will never be the same. We guarantee it! Time is running out. Believe it or not; prepared or not; Jesus Christ is coming! For He is coming, for He is coming to judge the earth. He shall judge the world with righteousness, and the peoples with His truth. —Psalm 96:13 NKJV

Discover the Divine Purpose for Your Pain Pain is an enigma—a haunting reality—we all face. Whether the pain you are experiencing is chronic or the result of a new injury or illness, you have no doubt asked the Lord, Why? Why must I suffer? Why must the pain be so intense or so never-ending? Elmer Towns confronted similar questions as he withstood the debilitating effects of cancer treatment. As he sought to find something precious in the enduring, Towns realized that pain can draw the mature believer into closer intimacy with God. Pain: The Divine Mystery will help you look at your own suffering through the eyes of the Master Sculptor—He who has the highest purpose in place for your life. You will be challenged to examine your deepest fears, to discover God's part in your healing, and to pursue better overall health in the process. You will find, as Towns did, that even pain can be endured when you have a purpose to live through it. As you seek to understand the "why" behind your own suffering, God will reveal much more than you can imagine: He will reveal Himself.

Can I Control My Pain? This book concerns the nine gifts of the Spirit. Discover how Jesus ministered supernaturally using the gifts of the Spirit—and you can do the same! The Holy Spirit can use any of the nine spiritual gifts through you to bring divine transformation to a person or situation. You can walk in the gifts and fruit of the Spirit as a supernatural lifestyle—where you do the works of Jesus with power and you reflect the character of Jesus with integrity. The Holy Spirit lives within you. Operate His gifts and transform the world around you!

Light Technology Publishing proudly presents the previously unpublished (except as transcriptions sold by the Tibetan Foundation) work of Janet McClure. Ranging from her channeling of the Tibetan through the final epochal new material delivered before she left her body, this information is of immense value and timeliness. Vyvamus through Janet McClure and Lillian Harben of the worldwide Tibetan Foundation in Phoenix, Arizona, focused on these three points: New information to help us understand the new reality and our expanded potential Clearing techniques to release false belief systems to allow the soul more room to begin to function in the third dimension Channeling techniques -- the process and practice of channeling, which allows a deeper connection to the channeler's soul/god-self, thus is an extremely powerful tool for personal transformation and for helping others

God has healed in the past and wants to heal now. But though they pray in faith, go to healing meetings, and strive to have enough faith, many are not healed as they would wish to be. When God Doesn't Heal Now examines the myths about healing that are built on partial truths and looks at the profound relationship between prayer, healing, and the sovereignty of God. This guide offers a balanced look at teachings on healing, faith healers, and ways to bring biblical clarity to beliefs that often foster guilt, defeat, and despair when believers are not immediately healed. When God Doesn't Heal Now is an encouraging book which affirms the biblical truth that God is our healer.

Many people seem to have it all together outwardly, but inside they are a wreck. Their past has broken, crushed, and wounded them inwardly. They can be healed. God has a plan, and Isaiah 61 reveals that the Lord came to heal the brokenhearted. He wants to heal victims of abuse and emotional wounding. Joyce Meyer is a victim of the physical, mental, emotional, and sexual abuse she suffered as a child. Yet today she has a nationwide ministry of emotional healing to others like herself. In Beauty for Ashes she outlines major truths that brought healing in her life and describes how other victims of abuse can also experience God's healing in their lives. You will learn:
* How to Deal with the Emotional Pain of Abuse
* How to Understand Your Responsibility to God for Overcoming Abuse
* Why Victims of Abuse Often Suffer from Other Addictive Behaviors
* How to Grab Hold of God's Unconditional Love
* The Importance of God's Timing in Working Through Painful Memories.

The Gospel According to Matthew

Youve received what feels like the most news imaginable: CANCER. A dreaded diagnosis, a merciless disease, a relentless foe. Life as youve known it seems irrevocably lost; the future, hopeless. But what if all is not lost and the future holds promise? What if you could enlist an ally so powerful that an inevitable diagnosis could be overcome? You can! That ally? The Great Physician, our Lord Jesus Christ. Commend your carebody and spiritto Him. Have faith. Embrace hope! This is a true story about how faith and hope combined with courage, determination, love and a tenacious will to live can help you fight and find joy in the time of adversity. O LORD, if you heal me, I will be truly healed; if you save me, I will be truly saved. My praises are for you alone! Jeremiah 17:14, NLT

The inspiration for Rain: Weimar Fassel's epic film and that The Guardian named one of the "Top 100 Books of All Time." Berlin Alexanderplatz is considered one of the most important works of the Weimar Republic and twentieth century literature. Berlin Alexanderplatz, the great novel of Berlin and the doomed Weimar Republic, is one of the great books of the twentieth century, gruesome, farical, and appalling, word drunk, pitchdark. In Michael Hofmann's extraordinary new translation, Alfred Döblin's masterpiece lives in English for the first time. As Döblin writes in the opening pages: The subject of this book is the life of the former cement worker and haulier Franz Biberkopf in Berlin. As our story begins, he has just been released from prison, where he did time for some stupid stuff; now he is back in Berlin, determined to go straight. To begin with, he succeeds. But then, though doing all right for himself financially, he gets involved in a set-to with an unpredictable external agency that looks an awful lot like fate. Three times the force attacks him and disrupts his scheme. The first time it comes at him with dishonesty and deception. Our man is able to get to his feet, he is still good to stand. Then it strikes him a low blow. He has trouble getting up from that, he is almost counted out. And finally it hits him with monstrous and extreme violence.

Grace and Peace to you! This book is a book to ENCOURAGE, BUILD UP, AND INCREASE YOUR FAITH! This will help YOU with YOUR faith in Jesus. MOST importantly, this book is for YOU that hasn't received Jesus yet and/or know nothing about Jesus. This book can bring YOU to Jesus. Believe in Jesus's healing power and learn of his miraculous healing testimonies. There is so much going on in the world and a lot more in people's lives. Sickness in people's bodies! People dealing with depression and different thoughts coming in their mind! Soooooo many deaths seems like everyone is losing family members more than ever before. So you're going through the seconds, minutes, and hours of days. And days pass, which turns into weeks, weeks calculate into months, and years start passing by. You're just dealing but want everything to be NORMAL again. NO PAIN! NO SICKNESS! NO MEDICATION! NO MORE SUFFERING! Just a normal HEALTHY LIFE! BUT the sickness starts to get worse! Depression starts turning to suicidal thoughts! The memories of that loved one just keeps getting harder to deal with BECAUSE THAT PERSON ISN'T HERE NO MORE! So you start to think on your sickness:WHO CAN HEAL ME? This depression and suicidal thoughts:WHO CAN HEAL ME? WHO CAN HEAL THIS BROKEN HEART THAT I DEAL WITH EVERYDAY? I JUST WANT TO BE HEALED! Well, I encourage you to read this book, and you will be able to answer that question that you ask yourself time after time. Again and again. (WHO CAN HEAL ME?)

Ever felt unsettled by the way faith is being taught today, but couldn't put your finger on it? By exposing errors propagated in the Word-Faith movement and revealing the discrepancy between the Scriptures and the spin doctrine taught, author Larry Parker challenges readers to practice No Spin Faith and find their true relationship with God. No Spin Faith is a cry for the attention of modern Christians to study the Scriptures for themselves and not believe whatever they are taught. This poetic book shares poetry written from 1996 to 2016. PASSAGES OF A PILGRIM reveals deeply personal poems about the passages of life that we can experience as humans. Observations, feelings and perspectives from a Biblical view are in the 210 poems that are spiritual seeds of hope, love, joy and dreams after the 20 past years full of sorrow and pain. In Jeremiah 29:11, we read God wants to give us a hope and a good future. All of us experience the hills, mountains and valleys. The author has been inspired by beauty, impressions and visions like ancient mystics. [Bible verses were added after the poems were writ-ten to compliment and confirm the spiritual truths]. Chapter titles include these topics: Poems of given or lost love, poems of issues, spiritual poems, poems of Trinity, poems about earth and heaven, poems of our family and beauty, poems of healing after deep pain, poems of divine messages. This book is a modern type of Pilgrim's Progress from a nurse, philosopher, traveler, reader, writer, actress, singer-her, minister*, missionary kid, pastor's kid, and believer in Creator God: Holy Trinity. The author has lived over 58 years. She dedicates her spiritual book of wis-dom to all the precious people who will read of her journey of loss and her deep faith. She knows how painful loss, illness and betrayals wound us. She has learned that God wants us to heal and be restored. She prays that the book will bless, inspire, heal, teach and transform the readers.

Popular Bible teacher and host of the Gospel Truth broadcast, Andrew Wommack takes on one of the biggest controversies of the church, the freedom of God's grace versus the faith of the believer. Wommack reveals that God's power is not released from only grace or only faith. God's blessings come through a balance of both grace and faith. Addressing many of the misconceptions believers are taught in the Church today, this book opens up the Scriptures revealing the vital connection between grace and faith. Many believers think they walk in both grace and faith when actually they are missing one or both of these principles. Wommack addresses: "Some believers willingly sin believing God's grace will cover them, while the blessing of grace is not to sin, but to release guilt and condemnation when they make a mistake. " Other believers think they must "work" their faith by ritualistic prayer, confession, or Bible study. Although all these things are good, Jesus Christ set believers free from works of the law. God wants a relationship where He can communicate directly to each and every one. " Grace and faith work together. When believers receive the unmerited favor or grace of God, they can release their faith without doubt or reservation. Andrew Wommack in his logical, practical style brings believers back on track in their Christian walk through living in the balance of grace and faith.

One of the first books ever written by Oral Roberts, If You Need Healing, Do These Things was originally published in 1947 shortly after Roberts began his healing ministry. As a young man dying from tuberculosis, who experienced the healing power of God for himself, Roberts wrote a book that still speaks profoundly to all people who are sick or hurting in some area of their life. Can God heal? Will He heal me? If You Need Healing, Do These Things answers those questions...and more. Written by someone who knows what it is like to lose all hope and to walk the very steps you may be walking right now, If You Need Healing, Do These Things is a down-to-earth, practical "handbook" on how to get into position to receive whatever miracle you need from God.

Julia Buckley needs a miracle. Like a third of the UK population, she has a chronic pain condition. According to her doctors, it can't be cured. She does believe in miracles, though. It's just a question of tracking one down. Julia's search for a cure takes her on a global quest, exploring the boundaries between science, psychology and faith with practitioners on the fringes of conventional, traditional and alternative medicine. From neoplastic brain rewiring in San Francisco to medical marijuana in Colorado, Haitian vodou rituals to Brazilian spiritual surgery, she's willing to try anything. Can miracles happen? And more importantly, what happens next if they do? Raising vital questions about the modern medical system, this is also a story about identity in a system historically skewed against 'hysterical' female patients, and the struggle to retain a sense of self under the medical gaze. Heal Me explains why modern medicine's current approach to chronic pain is falling patients. It explores the importance of faith, hope and cynicism, and examines our relationships with our doctors, our beliefs and ourselves.

Thoughts and words have power. In Spiritual Vitamins, author Sister Janet Lovell discusses how you can bring healing power into your body and mind through your thoughts and words. This handbook presents a message of hope and positive thinking and affirms what God has been teaching mankind from the beginning. Spiritual Vitamins helps you learn the importance of: Guarding your thoughts and disciplining your mind to control your thoughts Thinking before acting Removing the spirit of unforgiveness and replacing it with the love of Christ The power of prayer Preparing yourself for a special encounter with the three divine powers Secrecy and thinking before speaking The knowledge of visualization to become healthy and prosperous Using personal examples and biblical citations, Lovell shows you how to live by the word of God and not your own motives and to follow the Bible as a guide to prosperous living. Spiritual Vitamins demonstrates how thoughts and words can move various mountains in our lives. Change your thoughts, and change your life.
