Kokoro Impedimenta

The journey of which an account is given in the following pages was not undertaken in the special interests of geographical or other science nor in the service of any Government. My chief object was to gratify a long-felt desire to visit those portions of the Chinese Empire which are least known to Europeans, and to acquire some knowledge of the various tribes subject to China that inhabit the wild regions of Chinese Tibet and north-western Yunnan. Though nearly every part of the Eighteen Provinces has in recent years been visited and described by European travellers, my route between

Tachienlu and Li-chiang was one which—so far as I am aware—no British subject had ever traversed before me, and of which no description in book-form has hitherto appeared in any European language. From the ethnological point of view the Chinese Far West—to which the greater part of this book is devoted—is one of the most interesting regions in the world, and presents problems the solution of which would settle many of the vexed questions relating to the origin and inter-relations of the Asiatic peoples. As for its geographical interest, it may be sufficient to say here that the principalities of Chala and Muli

Download Free Kokoro Impedimenta

contain what are probably the highest spots inhabited by man on the face of the globe, and that several of the passes crossed by my little caravan are loftier than the highest of the passes existing along the route traversed by the British expedition to Lhasa. My own contributions to geographical and ethnological lore are of the slenderest; but if I can persuade some of my readers that Tibetan Ssuch'uan and western Yunnan are worth visiting, be it only for the glory of their mountain scenery, I shall consider that my book has fulfilled the most useful purpose to which it aspires. For those who are seized by a craving to revert for a

time to something like the nomadic life of our remote forefathers, or to pass like the old Hindu ascetics into "the homeless state," there can be no country in the world more full of charm than some of the wilder and less-peopled regions of the Chinese Empire. There are enormous areas in that country covered with primeval forests in which man's foot has never trod, lofty mountains whose peaks are crowned with sparkling diadems of eternal snow, grand and savage gorges in which Nature has carved for herself in indelible letters the story of the world's youth, and gloomy chasms through which rush the mighty rivers that carry to the Indian

Ocean and the Pacific snows that melted on the white roof of the world. And amid all this magnificence and desolation there are lovely valleys and stretches of garden-land that might have been chosen as the Edens of a hundred mythologies, and which in historic times have been the homes of religious recluses and poets, who, like others of their kind in Western lands, found in silence and solitude a refuge from the bitterness and pain of the world, or a hermitage in which, amid scenes of perennial beauty, they could weave their flowers of thought into immortal garlands of human words.

¿Cómo puede suceder que aquello

An important reason for our Western thought, that the Japanese have had no

Download Free Kokoro Impedimenta

independence in philosophy, is our ignorance of the larger part of Japanese and Chinese literature. Oriental speculation was moving in a direction so diverse from that of the West that we are impressed more with the general similarity that prevails throughout it than with the evidences of individual differences. Greater knowledge would reveal these differences. In our generalized knowledge, we see the uniformity so strongly that we fail to discover the originality. -from Chapter XVI American educator and missionary SIDNEY LEWIS GULICK (1860-1945) spent his life building a bridge between East and West during a period of immense confusion between the two diverse traditions. During the more than 25 years he spent in Japan as a teacher and lecturer in a variety of subjects, including English and religion, he

Download Free Kokoro Impedimenta

learned as much about Japanese society as he taught about Western culture, and midway through his sojourn in the slowly modernizing nation, he wrote this forgotten classic of social science. First published in 1903, Evolution of the Japanese is a startling clear-eyed assessment of a foreign way of life, yet one that evinces an atypical awareness on the writer's part of his own cultural assumptions about everything from the relative position of women and the habits of marital relationships to such traits of national character as cheerfulness, industry, jealousy, and suspicion. Art and family, intellectualism and morality, religion and philosophy-Gulick discusses them all in this intriguing work, one that reveals as much about the Western mind at the turn of the 20th century as it does about the Eastern.

The Miner is the most daringly

experimental and least well-known novel of the great Meiji writer Natsume Soseki. An absurdist tale about the indeterminate nature of human personality, written in 1908, it was in many ways a precursor to the work of Joyce and Beckett. The result is a novel that is both absurd and comical, and a true modernist classic.

Natsume's comic masterpiece, I Am a Cat, satirizes the foolishness of upper-middle-class Japanese society in early 20th century Tokyo. Written with biting wit and sardonic perspective, it follows the whimsical adventures of a rather cynical stray kitten. He finds his way into the home of an English teacher, where his running commentary on the follies and foibles of the people around him has been making readers laugh for more than a century. This is the very first manga edition in English of this classic piece of Japanese literature. The story lends itself well to a graphic

Download Free Kokoro Impedimenta

novel format, allowing readers to pick up on the more subtle cues of the expressive cat, while also being immersed in the world of his perceptive narration. It is true to classic manga form, and is read back to front. The cast of characters includes:

Kushami—His master, who is not good at his job and quite stupid

The Kenedas—A conceited couple with a spoiled daughter

Meitei—Kushami's friend who is fond of jokes and tall tales

A group of local cats including lovely Mikeko, and violent Kuro

Beautifully illustrated by Japanese artist Chiroru Kobato, this

Sanshirō

This classic Japanese story by Soseki Natsume—the foremost novelist of the Meiji Period—is a masterpiece of Japanese literature. This book demonstrates Soseki Natsume's ability to dissect and elucidate the human personality in all its complexity. Here, his facile blending of narrative, extended monologue and sharp dialog leaves the reader with an almost personal knowledge of the characters. We are introduced to Keitaro, a recent college graduate hunting for his first job; he is the hero through whose eyes the other characters are seen. There is also Morimoto, the young adventurer with his tall tales; Sunaga, a troubled young man whose moving story forms the center of the novel; Taguchi, Sunaga's fun-loving yet

Download Free Kokoro Impedimenta

practical uncle; Matsumoto, another uncle—a high-class "idler," but wise in his own way; and Chiyoko, Sunaga's cousin and apparently the cause of much of his distress. Keitaro does not merely tell us the story of the others, however. Their lives are a part of his elucidation beyond that of the world of academia, and his knowing them enables him eventually to experience, however directly or indirectly, the romantic, the practical, the philosophical, and the existential. *Sanshirō* (1908) is a novel by Natsume Sōseki. Inspired by the author's experience as a student from the countryside who moved to Tokyo, *Sanshirō* is a story of family, growth, and identity that captures the isolation and humor of adjusting to life on one's own. Recognized as a powerful story by generations of

Download Free Kokoro Impedimenta

readers, Sanshirō is a classic novel from one of Japan's most successful twentieth century writers. Raised on the island of Kyushu, Sanshirō Ogawa excels in high school and earns the chance to continue his studies at the University of Tokyo. On his way there, he naively accepts an invitation to share a room with a young woman in Nagoya, realizing only too late that she has other things than sleep in mind. As he adjusts to life in the big city, he finds himself stumbling into more uncomfortable situations with women, radical political figures, and interfering colleagues, all of which shape his sense of identity while teaching him the value of trust, courage, and self-respect. While he misses his family and friends in Kyushu, Sanshirō learns to value his newfound independence, forming

Download Free Kokoro Impedimenta

friendships that will last a lifetime. Sanshirō proves a gifted student but struggles to understand the intricacies of academic life. As he begins a relationship with the lovely Mineko, he begins to doubt his ability to defy tradition. Will he return home to raise a family in Kyushu, or remain in Tokyo to chart a path of his own? Eminently human, Sanshirō is a beloved story of isolation, morality, and conflict from a master of Japanese fiction. With a beautifully designed cover and professionally typeset manuscript, this edition of Natsume Sōseki's Sanshirō is a classic work of Japanese literature reimagined for modern readers.

A classic examination of superb design through the centuries. Widely regarded as a classic in the field, *Experiencing Architecture* explores the history and promise of good design. Generously illustrated with historical examples of designing excellence—ranging from teacups, riding boots, and golf balls to the villas of Palladio and the fish-feeding pavilion of Beijing's Winter Palace—Rasmussen's accessible guide invites us to appreciate architecture not only as a profession, but as an art that

Download Free Kokoro Impedimenta

shapes everyday experience. In the past, Rasmussen argues, architecture was not just an individual pursuit, but a community undertaking. Dwellings were built with a natural feeling for place, materials and use, resulting in "a remarkably suitable comeliness." While we cannot return to a former age, Rasmussen notes, we can still design spaces that are beautiful and useful by seeking to understand architecture as an art form that must be experienced. An understanding of good design comes not only from one's professional experience of architecture as an abstract, individual pursuit, but also from one's shared, everyday experience of architecture in real time—its particular use of light, color, shape,

Download Free Kokoro Impedimenta

scale, texture, rhythm and sound. Experiencing Architecture reminds us of what good architectural design has accomplished over time, what it can accomplish still, and why it is worth pursuing. Wide-ranging and approachable, it is for anyone who has ever wondered "what instrument the architect plays on."
