Hailed as Italy ' s The Fault in Our Stars, this Italian bestseller is now available for the first time in English. “ I was born on the first day of school, and I grew up and old in just two hundred days . . . ” Sixteen-year-old Leo has a way with words, but he doesn ' t know it yet. He spends his time texting, polishing soccer maneuvers, and killing time with Niko and Silvia. Until a new teacher arrives and challenges him to give voice to his dreams. And so Leo is inspired to win over the red-haired beauty Beatrice. She doesn ' t know Leo exists, but he ' s convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. He wants to help her but doesn ' t know how—and his dream of love will force him to grow up fast. Having already sold over a million copies, Alessandro D ' Avenia ' s debut novel is considered Italy ' s The Fault in Our Stars. Now available in English for the first time, this rich, funny, and heartwarming coming-of-age tale asks us to explore the meaning—and the cost—of friendship, and shows us what happens when suffering bursts into the world of teenagers and renders the world of adults speechless.

Io Parlo Italiano (qualification) (Volume 2 - level: B2>C2). Learn Italian with explanations in English (self-learning program). An important book that allows you to quickly learn and fluently speak Italian in every situation. The provided explanations, fundamental keys to open this language, are the cornerstones of learning and will allow you to build your personal dictionary supporting the grammar in every situation. Note: this book is in Italian language.

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000

examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at homewherever you go, whether as a tourist or businessman. 4) Learning several languages simultaneously or one by one will train and

strengthen your memory and can help stave off such terrible diseases as Alzheimer's.5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

Spanish Sentence Builders is a workbook aimed at beginner to pre-intermediate students co-authored by two modern languages educators with over 40 years of extensive classroom experience between the two, both in the UK and internationally. This 'no-frills' book contains 19 units of work on very popular themes, jam-packed with graded vocabulary-building, reading, translation, retrieval practice and writing activities. Key vocabulary, lexical patterns and structures are recycled and interleaved throughout. Each unit includes: 1) a sentence builder modelling the target constructions; 2) a set of vocabulary building activities; 3) a set of narrow reading texts exploited through a range of tasks focusing on both the meaning and structural levels of the text; - a set of retrieval-practice translation tasks; 4) a set of writing tasks targeting essential micro-skills such as spelling, lexical retrieval, syntax, editing and communication of meaning. Based on the Extensive

Processing Instruction (E.P.I.) principle that learners learn best from comprehensible and highly patterned input flooded with the target linguistic features, the authors have carefully designed each and every text and activity to enable the student to process and produce each item many times over. This occurs throughout each unit of work as well as in smaller grammar, vocabulary and question-skills micro-units located at regular intervals in the book, which aim at reinforcing the understanding and retention of the target grammar, vocabulary and question patterns.

An Introduction to Advanced Italian

Everyone knows Pinocchio, but many people don't know the real story. The original book was written by Carlo Lorenzini alias Carlo Collodi. It was published for the first time in 1883 with the title "The adventures of Pinocchio: The Story of a Puppet". Since then, many versions have been proposed, especially cinematographic ones, which have modified and softened both the character and the plot. In the original story the world in which Pinocchio lives is merciless and cruel, populated by thieves, murderers and cheaters who will do anything to try to kill or rob. As he grows and matures, Pinocchio

must not only learn to defend himself from danger, but also from bullying classmates and from the deception of kind and flattering men. He also learns not to place too much trust in judges, police and doctors. This may seem excessive to us today, but warning children about the injustices and cruelty of the real world was a feature of children's literature of the 1800s. However, the use of irony and the imaginary characters (puppets, animals, fairies) go a long way towards mitigating the dramatic reality described in the story. The original book uses 19th-century Italian and is strongly influenced by terms and idioms typical of the Tuscan language. In this edition, the language has been simplified and updated, to adapt it to intermediate level students of Italian.

"A book for English-speaking students who want to practice Italian grammar in a complete and successful way. All the main rules of Italian are clearly illustrated with essential grammar tables. The exercises, quizzes and games not only train the students to use language, but also provide them with interesting information about Italian life, society, culture and history...Idioms, slang and typical expressions of spoken Italian are also presented and practiced... The volume has answer keys."--Éditeur.

The year is 1861. Hervé Joncour is a French merchant of silkworms, who combs the known world for their gemlike eggs. Then circumstances compel him to travel farther, beyond the edge of the known, to a country legendary for the quality of its silk and its hostility to foreigners: Japan. There Joncour meets a woman. They do not touch; they do not even speak. And he cannot read the note she sends him until he has returned to his own country. But in the moment he does, Joncour is possessed.

When the sad, beautiful Signora Giulia goes missing without a trace from her Lake Como villa home, it is her husband who reports her disappearance to the detective Sciancalepre, and so the search begins - one that takes Sciancalepre beneath the tranquil surface of local bourgeois society, a world of snobbery and secrets, while mysterious shadows lurk in the grounds of the family villa . . . As his

investigation gathers pace this atmospheric classic detective story becomes a thrilling game of legal cat and mouse. From the Trade Paperback edition.

Cuando observamos en 2014 la realidad, tan compleja y a veces descarnada, que viven muchos pueblos y naciones africanas, con frecuencia cargados de desequilibrios e injusticias sociales, de pobreza e incultura, víctimas de guerras y expolios de bienes naturales y recursos energéticos por parte de nuevos imperios neocoloniales, no nos queda más remedio que refugiarnos en los instrumentos que se erigen al final en los definitivos y más influyentes para defender los derechos de los ciudadanos africanos, sus intereses personales y comunitarios, sus tradiciones y

culturas. Y estos nos parecen que no pueden ser otros que el estudio científico de los problemas lingüísticos y de educativos. La consolidación de una comunidad científica africana genuina, y filoafricana si llega el caso, capaz de dar respuestas convincentes a los problemas que generan las enseñanzas de las diferentes lenguas, sean las de uso amplio y vehicular propias de una sociedad globalizada como la que nos corresponde abordar en estos inicios del siglo XXI, sean las específicas de las más minoritarias comunidades de los pueblos originarios, es un motivo de reflexión y una legítima aspiración de un sector creciente de intelectuales y profesores de países africanos y europeos.

National Best Seller From the best-selling author and Pulitzer Prize winner, a powerful nonfiction debut—an “honest, engaging, and very moving account of a writer searching for herself in words.” —Kirkus Reviews (starred)

In *Other Words* is a revelation. It is at heart a love story—of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterward, true mastery always eluded her. Seeking full immersion, she decides to move to Rome with her family, for “a trial by fire, a sort of baptism” into a new language and world. There, she begins to read, and to write—initially in her journal—solely in Italian. In *Other Words*, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.
