evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with

Noodle Bar opened in a tiny, stark space in Manhattan's East Village. Its young chef-owner, David Chang, worked the line, serving ramen and pork buns to a mix of fellow restaurant cooks and confused diners whose idea of ramen was instant noodles in Styrofoam cups. It would have been impossible to know it at the time—and certainly Chang would have bet against himself—but he, who had failed at almost every endeavor in his life, was about to become one of the most influential chefs of his generation, driven by the question, “What if the underground could become the

mainstream?” Chang grew up the youngest son of a deeply religious Korean American family in Virginia. Graduating college aimless and depressed, he fled the States for Japan, hoping to find some sense of belonging. While teaching English in a backwater town, he experienced the highs of his first full-blown manic episode, and began to think that the cooking and sharing of food could give him both purpose and agency in his life. Full of grace, candor, grit, and humor, *Eat a Peach* chronicles Chang’s switchback path. He lays bare his mistakes and wonders about his extraordinary

luck as he recounts the improbable series of events that led him to the top of his profession. He wrestles with his lifelong feelings of otherness and inadequacy, explores the mental illness that almost killed him, and finds hope in the shared value of deliciousness. Along the way, Chang gives us a penetrating look at restaurant life, in which he balances his deep love for the kitchen with unflinching honesty about the industry's history of brutishness and its uncertain future.

fans of Ellen Hopkins and Patricia McCormick. What do you do if you're in trouble? When Michelle runs away from her drug-addicted mother, she has just enough money to make it to New York City, where she hopes to move in with a friend. But once she arrives at the bustling Port Authority, she is confronted with the terrifying truth: She is alone and out of options. Then she meets Devon, a good-looking, well-dressed guy who emerges from the crowd armed with a kind smile, a place for her to stay, and eyes that seem to understand exactly how she feels. But Devon is not who he seems to

be, and soon Michelle finds herself engulfed in the world of child prostitution, where he becomes her "Daddy" and she is his "Little Peach." It is a world of impossible choices, where the line between love and abuse, captor and savior, is blurred beyond recognition. This hauntingly vivid story illustrates the human spirit's indomitable search for home and one girl's struggle to survive.

Little Peach

This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folklore.... In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager
