Lonely Planet: The world's leading travel guide publisher Discover 200 of the best places to ride a bike in this beautifully illustrated hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world's great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes; routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam's valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria's high country and around Adelaide on road bikes; and try some of New Zealand's celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story. Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in.

TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. Lonely Planet guides have won the TripAdvisor Traveler's Choice Award in 2012, 2013, 2014, 2015, and 2016. 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' -- Fairfax Media 'Lonely Planet guides are, quite simply, like no other.' - New York Times Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Offers itineraries for road trips throughout Florida and the Southern Atlantic states.

"[A] joyously peculiar book." -- The New York Times 'Bjarnason's intriguing book might be about a cold place, but it's tailor-made to be read on the beach.' -New Statesman The untold story of how one tiny island in the middle of the Atlantic has shaped the world for centuries. The history of Iceland began 1,200 years ago, when a frustrated Viking captain and his useless navigator ran aground in the middle of the North Atlantic. Suddenly, the island was no longer just a layover for the Arctic tern. Instead, it became a nation whose diplomats and musicians, sailors and soldiers, volcanoes and flowers, quietly altered the globe forever. How Iceland Changed the World takes readers on a tour of history, showing them how Iceland played a pivotal role in events as diverse as the French Revolution, the Moon Landing, and the foundation of Israel. Again and again, one humble nation has found itself at the frontline of historic events, shaping the world as we know it, How Iceland Changed the World paints a lively picture of just how it all happened.

Epic Hikes of the World

Lonely Planet Pocket Reykjavik and Southwest Iceland

A Lonely Planet Shoestring Guide

Lonely Planet Iceland's Ring Road

Founders of the phenomenally successful publishing company Lonely Planet, Tony and Maureen Wheeler have produced travel guides to just about every corner of the globe. Lonely Planet Publications was born in 1973 when the Wheelers self-published a quirky travel guide, *Across Asia on the Cheap*. This was quickly followed by what soon became the backpackers' bible, *South-East Asia on a Shoestring*. Going boldly where no other travel publisher had ventured, they catered to a new generation of independent, budget-conscious travelers long before the advent of mass tourism. *Unlikely Destinations: The Lonely Planet Story* is a unique mix of autobiography, business history and travel book. It traces Tony and Maureen Wheeler's personal story as well as the often bumpy evolution of their travel guide business into the world's largest independent travel publishing company. Not surprisingly, after thirty years in the business the Wheelers have an unrivalled set of anecdotes which they share in *Unlikely Destinations: The Lonely Planet Story*. They have been hassled by customs, cheated by accountants, let down by writers, banned in Malawi, berated for their Burma guide and had books pirated in Vietnam. Tony has been gored by a cow in Benares, declared dead around the world in an assortment of gruesome and greatly exaggerated accounts and their company has been accused of the "Lonely Planetization" of the world. Through it all, from the heady days of discovery in the '70s to the rocky patch after the September 11th terrorist attacks, the Wheelers' passion for the planet and traveling certainly hasn't diminished, and comes shining through in this enthralling travelogue. But above all, their memoir reveals the spirit of adventure that has made them, according to the *New York Daily News*, "the specialists in guiding weird folks to weird places."

Striking, evocative and wild - Iceland's magnificent fjords, smouldering volcanoes, thunderous waterfalls and seething geysers never fail to capture the imagination. Your DK Eyewitness Top Ten travel guide ensures you'll find your way around the "Land of Fire and Ice" with absolute ease. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, and in mobile apps, video, 14 languages, nine international magazines, armchair and lifestyle books, ebooks, and more. 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) *Source: Nielsen BookScan: Australia, UK, USA, 5/2016-4/2017 Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Lonely Planet Maui

The Big History of a Small Island

Morocco

Central Europe

360 extraordinary places you never knew existed and where to find them

Lonely Planet Iceland's Ring Road is your passport to the most relevant, up-to-date advice on what to see and skip, and hidden discoveries awaiting you. Visit bubbling geothermal springs, see the Golden Circle's exploding geysers, and chase the northern lights around Reykjavik; all with your trusted travel companion.

In an age of plastic knives on planes, Tony Wheeler can make the extraordinary claim of having visited all the rogue countries currently on newreaders' lip. Badlands is a witty first-hand account of his travels through some of the most repressive and dangerous regimes in the world: Afghanistan, Albania, Burma (Myanmar), Cuba, Iran, Iraq, Libya, North Korea and Saudi Arabia. Taking into account each country's attitude to human rights, terrorism and foreign policy, he asks 'what makes a country truly evil?' and 'how bad is really bad?' - all the while engaging with a colorful cast of locals and hapless tour guides, ruminating on history and debunking popular myths. Written by the founder of Lonely Planet, this fascinating account of life in these closed-off countries will appeal to anyone with an interest in the state of the world today

Lonely Planet Texas is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Rock out, get the blues or chill to country classics in live-music capital, Austin, or appreciate just how big Texas is on a hike at Big Bend National Park; all with your trusted travel companion. Get to the heart of Texas and begin your journey now!

Inside Lonely Planet's Texas Travel Guide: Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - history, music, lifestyle, culture, football, landscapes, wildlife, Texas BBQ, cuisine Over 42 color maps Covers Austin, San Antonio, Hill Country, Dallas, Panhandle Plains, Houston, East Texas, Gulf Coast, South Texas, Big Bend National Park, West Texas, and more eBook Features: (Best viewed on tablet devices and smartphones) Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations' websites Zoom-in maps and images Inbuilt dictionary for quick referencing The Perfect Choice: Lonely Planet Texas, our most comprehensive guide to Texas, is perfect for both exploring top sights and taking roads less traveled.
