#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE**—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

A year's worth of ideas and activities at your fingertips Since its debut four years ago, The Teacher's Calendar has become a fixture in classrooms and school libraries across the country, thanks to its fresh ideas and limitless teaching opportunities. Covering events from August 1, 2003, through July 31, 2004, this unique reference helps educators in grades K-8 enhance their lesson plans in ways they never thought of before. Teachers will find a wealth of innovative ideas for lessons, bulletin boards, and school calendars on every page. The more than 4,800 entries include such topics as children's events, toy introduction anniversaries, teachers' conferences, and much, much more. Info-packed sidebars highlight specific dates and provide curriculum ideas and lists of appropriate books and websites. New additions to The Teacher's Calendar include: All new "Curriculum Connections"—with more hands-on projects Information on the Lewis and Clark Expedition bicentennial and invention of powered flight centennial events Contact information for governors and senators for all 50 states With its extensive listings and seemingly inexhaustible treasure of classroom ideas, The Teacher's Calendar will take the guesswork out of lesson planning and put back fun and creativity into the classroom.

Active Listening, Second Edition is a fully updated and revised edition of the popular 3-level listening series for adult and young-adult learners of North American English. Each level offers students 16 engaging, task-based units, each built around a topic, function or grammatical theme. Grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic, the series gives students a frame of reference to make predictions about what they will hear. Through a careful balance of activities, students learn to listen for main ideas, to listen for details, and to listen and make inferences. Active Listening, Second Edition is intended for high-beginning to intermediate students. It can be used as a main text for listening classes or as a component in speaking or integrated skills classes. Features of the Student's Book - A before-you-begin unit to develop awareness of listening strategies - Updated prelistening schema-building activities to build vocabulary - New listen-again activities for additional coverage of listening skills - Optional your-turn-to-talk pages that offer speaking and pronunciation practice - New culturally rich Expansion units that include authentic student interviews - A new self-study listening section with audio CD for additional practice Features of the Teacher's Manual - Step-by-step teaching notes with key words highlighted - A wealth of optional speaking activities and listening strategies - Suggested times for completing lessons - Photocopiable unit quizzes - Two complete tests with audio CD - Complete answer keys

Chase's Calendar of Events is the most comprehensive and authoritative reference available on special events, holidays, federal and state observances, historic anniversaries, astronomical phenomena, and more. Published since 1957, Chase's is the only guide to special days, weeks, and months.

In Independence Day, young readers will learn about this American holiday and the ways people celebrate it.

A text that explores the wider meaning of decolonization by presenting some examples of post-colonial relations. It goes on to suggest that decolonization is possible without the creation of separate, independent statehood for the former colonies.

On the Road Around California

Has Canada moved beyond the nation state into the world of the post-national? To what extent have fixed notions of Canadian nationhood been replaced by a more global, decentralized sense of identification? Is nationhood (or post-nationhood) best expressed by statelessness and exile or by belonging? Or can Canadian national identity in fact fruitfully coexist with the post-national consciousness? These are some of the issues covered by this volume, issues seen from a range of perspectives - literary, cultural, political and economic. In the literary sphere the national/post-national debate is explored both through canonical writers, such as L. M. Montgomery, Stephen Leacock, and Marie-Claire Blais, and through recent First Nations, Asian-Canadian, African-Canadian, Ukrainian-Canadian and Quebec writing. The political and economic range is equally diverse, covering such topics as immigration policy, multiculturalism, Canadian-American relations, tourist imaginings of the Canadian North, the Canadian city, and Quebec nationalism. The book brings together 27 original articles from international scholars and creative writers, offering both European and Canadian perspectives. Six articles in French focus specifically on the francophone sphere.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

From Settlement to Independence

Alternatives to Independence

When Kate Lock first met Tim Franklin she was a naive undergraduate, and he was a charismatic mature student. One night in the pub he casually revealed that he was a 'lifer'. A domestic dispute had taken a tragic turn, an accidental death, he said. It was the start of an explosive relationship which began in passionate union and ended in emotional cruelty. But it was only when Kate tried to leave him that she discovered how potentially dangerous he really was. And only when he died, leaving her a legacy of murder to investigate, did she understand the Machiavellian deception of the man and the pathological pattern of his love. Dangerous Love is a stunning memoir of a true romance that became a living nightmare, and ended with the discovery of a Christie-style murder that rocked the North.

The late 1960s brought the beginning of a major transition for Catholic colleges and universities. This book examines the shift which transferred governance from the founding religious communities to boards of trustees composed primarily of lay men and women.

Come join the fun as Pat Sloan takes you on a joyful journey through a year's worth of celebrations. You'll find easy patchwork and fusible-appliqué; projects for Valentine's Day, Easter, the Fourth of July, Halloween, Thanksgiving, and Christmas. The first accessible guide to examine Sensory Processing Disorder, The Out-of-Sync Child touched the hearts and lives of thousands of families. Carol Stock Kranowitz continues her significant work with this companion volume, which presents more than one hundred playful activities specially designed for kids with SPD. Each activity in this inspiring and practical book is SAFE—Sensory-motor, Appropriate, Fun and Easy—to help develop and organize a child's brain and body. Whether your child faces challenges with touch, balance, movement, body position, vision, hearing, smell, and taste, motor planning, or other sensory problems, this book presents lively and engaging ways to bring fun and play to everyday situations. This revised edition includes new activities, along with updated information on which activities are most appropriate for children with coexisting conditions including Asperger's and autism, and more.

A Simon & Schuster eBook Simon & Schuster has a great book for every reader.

Scotland's future in the Union is in question. Since Devolution in 1997, there has been a sea-change in Scotland's sense of itself. A distinct Scottish political culture has emerged: confident, assertive and increasingly divergent from that of its southern neighbours. Yet, as this timely and perceptive book shows, Scottish nationalism has been on the rise since the Second World War. Today, the Scottish National Party are in the ascendant, winning nearly half of all votes cast in the 2019 General Election and most of the seats. The Scottish Parliament has been a legislative trail-blazer, enacting progressive legislation well before England and Wales. And Scotland voted overwhelmingly to remain in the European Union, putting it at odds with much of the rest of the United Kingdom on the most important political decision this century. The country has transformed from the socially and politically conservative climate of the post-war period to a nation contemplating, for the second time, a move to independence - for all the uncertainty and turmoil that would bring. At a time when the country's future has topped the agenda in Britain and abroad, this book unpicks the complex weave of Scottish politics, society and culture, providing an essential insight into Scotland's present - and its future.

A Cup of Comfort for Women in Love

This book describes and analyzes economic and political developments in Colombia during the final century of Spanish rule. Its purpose is threefold: first, to provide a general portrait of Colombian society during the late colonial period, showing the character of economic, social, and political life in the territory's principal regions; second, to assess the impact on the region of European imperialist expansion during the eighteenth century; and third, to provide a context for understanding the causes of independence. The book offers the only available survey of Colombian history and historiography for this period. Sheriff Spencer Riley and his mother recently ordered his big brother Clayton a mail order bride for Christmas! (The Christmas Mail Order Bride, Holiday Mail Order Brides, Book One). Too bad neither one of them bothered to tell Clayton, so imagine his surprise, and Spencer thought it to be one of the funniest things ever...until it happened to him! 'After all,' his mother told him. 'If Clayton can have a mail order bride for Christmas, why can't you have one for New Year's?' So much for the annual scarf and mitten set she usually got for him this time of year! Just what sort of mail order bride was HE going to get? Elle Barstow spent most of her life at Winslow's Orphanage but now it was time to leave and either find a job (of which there were none) become a mail order bride, or take to the streets of New Orleans and hope for the best. Becoming a mail order bride looked like the safest option, but Elle soon learned things don't always go the way we think they will. Unwittingly involved in a horrendous encounter before she leaves New Orleans, Elle can't possibly marry her future husband when she doesn't know if she's considered guilty of murder! She figures her only chance is to avoid the law, not to mention her future husband, until she finds out what really happened. Easier said than done. Her future husband IS the law!

Reexamines two tragic events of 1676 and describes their undermining effects on colonial political independence

Independence Day

A finalist for the Lincoln Prize, The Sea Captain's Wife "comes surprisingly, and movingly, alive" (Tina Jordan, Entertainment Weekly). Award-winning historian Martha Hodes brings us into the extraordinary world of Eunice Connolly. Born white and poor in New England, Eunice moved from countryside to factory city, worked in the mills, then followed her husband to the Deep South. When the Civil War came, Eunice's brothers joined the Union army while her husband fought and died for the Confederacy. Back in New England, a widow and the mother of two, Eunice barely got by as a washerwoman, struggling with crushing depression. Four years later, she fell in love with a black sea captain, married him, and moved to his home in the West Indies. Following every lead in a collection of 500 family letters, Hodes traced Eunice's footsteps and met descendants along the way. This story of misfortune and defiance takes up grand themes of American history—opportunity and racism, war and freedom—and illuminates the lives of ordinary people in the past. A Library Journal Best Book of the Year and a selection of the Book of the Month Club, Literary Guild, and Quality Paperback Book Club.

Parading Patriotism covers a critical fifty-year period in the nineteenth-century when the American nation was starting to expand and cities across the Midwest were experiencing rapid urbanization and industrialization. Historian Adam Criblez offers a unique and fascinating study of five midwestern cities—Chicago, Cincinnati, Cleveland, Columbus, and Indianapolis—and how celebrations of the Fourth of July in each of them formed a microcosm for the country as a whole in defining and establishing patriotic nationalism and new conceptions of what it was like to be an American. Criblez exposes a rich tapestry of mid-century midwestern social and political life by focusing on the nationalistic rites of Independence Day. He shows how the celebratory façade often masked deep-seated tensions involving such things as race, ethnicity, social class, political party, religion, and even gender. Urban celebrations in these cities often turned violent, with incidents marked by ethnic conflict, racial turmoil, and excessive drunkenness. The celebration of Independence Day became an important political, cultural, and religious ritual on social calendars throughout this time period, and Criblez illustrates how the Midwest adapted cultural developments from outside the region—brought by European immigrants and westward migrants from eastern states like New York, Virginia, and Massachusetts. The concepts of American homegrown nationalism were forged in the five highlighted midwestern cities, as the new country came to terms with its own independence and how historical memory and elements of zealous and belligerent patriotism came together to construct a new and unique national identity. This ground-breaking book draws on both unpublished sources (including diaries, manuscript collections, and journals) and copious but under-utilized print resources from the region (newspapers, periodicals, travelogues, and pamphlets) to uncover the roots of how the Fourth of July holiday is celebrated today. Criblez's insightful book shows how political independence and republican government was promoted through rituals and ceremonies that were forged in the wake of this historical moment.

MEET THE WEAVERS! They're loud, they're boisterous, totally unpredictable and, they're looking for wives. Now all your favorite Weaver books and stories from the Holiday Mail-Order Bride series are together in one volume! Read about Arlan, Benjamin and Calvin Weaver as they traverse life and love on the Weaver farm along with a few added surprises. It's one big happy family in one big fun-filled book! If you've never met the Weaver's, then here's a little glimpse: ARLAN: Arlan had often thought of getting himself a mail order bride, but now that he had, he wasn't sure the pretty little thing The Ridgley Mail-Order Bride Service sent him was tough enough to handle farm life, let alone his brothers. But Arlan soon found his new little wife was chock full of surprises. In more ways than one. Samantha Carter never considered becoming a mail order bride. She was to marry as soon as she turned eighteen and be out of her uncle's hair not to mention his house. But her uncle had other plans, and wanted Samantha for himself. Discovering his intentions, she ran to the only mail-order bride service she knew of, and begged Mrs. Ridgley to send her somewhere, ANYWHERE that would get her away from her lecherous relative. And so, Mrs. Ridgley sent her to Nowhere. BENJAMIN: The Weaver clan was growing. Not only was Arlan, Ma Weaver's oldest son and his wife about to have a baby, but Benjamin, one of her identical twins, was about to get his very own mail-order bride! Ma Weaver couldn't be happier! Sure, Benjamin and his brothers had been sheltered in the small valley where they lived most of their lives, and maybe they didn't live as fancy as some folks. But they lived well, and Ma Weaver was determined her sons would marry well too. Charity Cross discovers just that when she becomes Benjamin's mail-order bride. But Charity has a secret, something with the power to tear them apart if she isn't careful. The problem is, she has no idea how or what "careful" looks like. Not after what she's been through ... CALVIN: First Arlan, the oldest, got himself a mail-order bride, followed by his younger brother Benjamin, one of identical twins. Now it was Calvin's turn. But Calvin's mail-order bride was different, really different. For one, she was Italian, an immigrant who spoke broken English. She was also the most beautiful woman Calvin had ever seen. But this vision of loveliness had a not so lovely secret. Can Calvin and his new bride make a go of it while other secrets threaten the family's peaceful existence? Find out in this hilarious romp with the Weavers! Enjoy this collection of sweet, clean, historical western books of mail-order brides and romance!

The Life-Changing Magic of Tidying Up

Parading Patriotism

Canada : Images D'une Société Post/nationale

From the team that brought you The Obstacle Is the Way and Ego Is the Enemy, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.
