5 Steps to a Career and Life You Love!

A Memphis Love Story

The Caricature of Love was originally published in 1957 by Hervey Cleckley, the author of the classic text on psychopathy, *The Mask of Sanity*. With his extensive clinical knowledge and experience, in this volume Cleckley plumbs the depths of sexual dysfunction and perversion, exposing their influence on culture and society. While Cleckley's views on homosexuality may be typical of his time, his analysis has broad applications, bringing insight to the dysfunction in homosexual and heterosexual relationships, the probable causes, and the sexual perversion of many of the "leaders" of our literary heritage. From Plato to Marquis de Sade, and Andre Gide to Evelyn Waugh, Cleckley describes the twisted views of sexuality popularized via art and literature, making it highly relevant in today's hyper-sexualized culture. In concert with his more famous work on psychopathy, *The Caricature of Love* sheds important light on the problems of psychopathology. As is becoming increasingly clear in our time, positions of leadership are being saturated with such individuals, manifesting in everything from government incompetence, economic failure, endless wars and civil oppression, to human trafficking and pedophilia rings. Cleckley exposes the nature of what lies beneath those manifestations. *Black Love Matters: A Journey of Soul Stories* is a collection of short stories, poetry, and reflections that explore, analyze, and highlight concepts and dynamics of Love that deeply affect the Black community. This collection fosters a myriad of experiences that celebrate and highlight the significance of Black Love as a catalyst for revolution, freedom, and unity. These experiences range from spirituality, activism, the power of music, sweet romance, and empowerment to stigmas and trauma plaguing our community. *Black Love Matters: A Journey of Soul Stories* include "Congratulations," a soul story about a young woman who is deeply hurt because the Love of her life chose to marry another, which causes her to make a conscious decision to undergo the process of healing so that she may love freely. The preface of this collection is dedicated to Prince Rogers Nelson-his brilliance and passion in his art is a reflection of pure magic and Love. Thus, sparking inspiration to pen this collection to urge people of African descent to remember the beauty and power of Black Love-that it is revolutionary and that it matters.

Mark Murray loves his girlfriend, Rebecca Lucio, but she doesn't love him. She believes their love has withered away and she has already fallen for another man, but she struggles to formally end her relationship with Mark. But Mark knows everything already-the lies, the deceit, the cheating. He has a plan to punish Rebecca in the most violent, disgusting way possible. He is going to make her sick... unbelievably sick. Jon Athan, the author of *Dr. Sadist* and *Scattershot*, reinvents the definition of 'lovesick' in this disgusting, gag-inducing, and extremely violent horror novel. **WARNING:** This novel contains graphic content. Reader discretion is advised.

A darker cousin to *Almost, Maine*, John Cariani's *LOVE/SICK* is a collection of nine slightly twisted and completely hilarious short plays. Set on a Friday night in an alternate suburban reality, this 80-minute romp explores the pain and the joy that comes with being in love. Full of imperfect lovers and dreamers, *LOVE/SICK* is an unromantic comedy for the romantic in everyone.

From the bodice-busting book covers to personal ads to wedding cake toppers, romantic subjects have thrived in the fertile soil of American modern-age media and pop culture.

This title celebrates the many facets of love: dating, marriage, heartbreak, sex, and strange, thin men in shorts with funny socks.

Bernadette and Norman Smith have just celebrated their fiftieth wedding anniversary. After all these years, they are still romantic and in love. They have four children who all have children of their own. The children live in nearby Los Angeles not far from the retirement park where Bernadette and Norman are living. Of all the grandchildren she has, Bernadette has a favorite, Eddie. She and Eddie, who is a teenager when the book begins, have many interests in common. They love books, history and language. And Eddie likes to help Bernadette do small things like show her how to use an iPod. When setting up her computer he scatters his back pack belongings all over the sofa in the study. He hurriedly grabs them up when his dad says it is time to go. Bernadette thinks that the study could use a little change of décor. As she slides the sofa away from the wall she discovers a book wedged in between the wall and the sofa. The book is *Infinite Jest* by David Foster Wallace. On the inside cover someone has written "Eddie's Bible". Bernadette believes that Eddie has left her this treasure -- a modern translation of the Bible specifically for young people. And she begins to read it. She doesn't tell anyone about the book, but it starts to influence her decisions and beliefs. As she is beginning her senescence, her mind is aging, too, and logic is fleeing. She, in fact, is showing senility. How will the book influence her decisions about her children and grandchildren? How will it change how she copes and how she feels as old age begins to take its toll on both she and Norman. When their children have problems in their marriages and her grandchildren become unapproachable and her husband's health as well as her own begins to fail, how will "Eddie's Bible" help her, or will it at all? There are no quotes or references to Wallace's book in this novel. The novel is not based on any of his work or on any work about him. And could there be a more odd selection of novels to even refer to in this more delicate story? Perhaps you will find out why I chose that book as you read.

Love Gives Life: A Study of 1 Corinthians 13 We are to pursue love as we seek spiritual gifts because love gives life to gifts and love outlives gifts. That's Paul's main idea in 1 Corinthians 13, and this study will help you not only to see that in the text but to seek it in your life. The thirteenth chapter of First Corinthians is about having a love strategy. Paul relativizes what we tend to value most (usually our personal distinctives and niches), places love in central view, and summons us to use every power and resource we have for the good of those whom God has placed in our lives. This is the excellent way of love, and it is worthy of our pursuit. Here's what others are saying about this work: If you're like me, you have either heard or taught love from 1 Corinthians 13. You may even think that you have heard most, if not all of the insights of 1 Corinthians 13. I did. That is, until I read Evan May's take on the text. Evan brings us into Paul's thoughts in a clear and engaging way, which is somewhat hard to do. Not only that, he brings clarity to the definition of love which has been hijacked and is now defined as "undogmatic" and "untheological."

However, love is very dogmatic and very theological. In a world where social media has made us, "fall for the delusion that what makes us significant is mainly what causes us to stand out from everyone else, rather than what helps us to serve everyone else," what we all need now is a little bit of love, properly understood that is. Read this book! Curtis Allen Rap artist Voice, author of *Education or Imitation: Bible Interpretation for Dummies Like You and Me* Evan May's *Love Gives Life: A Study of 1 Corinthians 13* is a good example of what Paul says in 1 Cor. 14:26, "Let all things be done for building up." It is brief,

unpretentious, but says what must be said to bring the message of the "love chapter" to the heart of the reader. May has been personally moved by Paul's words, and he wants to convey to us the same blessing he has found. He has a wonderful gift for simple, conversational writing, with the most natural and appropriate illustrations. He never assaults the reader, but nurtures him gently, so that we find ourselves growing in grace, almost by surprise. No academic trappings here, but May's understanding of the passage is substantial. I hope that many take the opportunity to learn from this book. Dr. John Frame Professor of Systematic Theology and Philosophy at Reformed Theological Seminary and author of the Theology of Lordship series The apostle Paul told his dear friend Timothy, with regard to Christian discipleship, "The aim of our charge is love that issues from a pure heart and a good conscience and a sincere faith." That is, love is the necessary consequence of the Gospel he preached. Today, that charge is unfortunately blached by all manner of social and cultural influences, reduced to the idea that "love" is somehow synonymous with quiet and unconditional acceptance. My dear friend Evan May looks back to Paul as the apostle reminded his students in Corinth about the true meaning of love, and why it actually changes the world. The study notes Evan has produced ought to sting a little as we remember that somehow the love of God is both patient and unrelenting toward wrongdoing, both kind and truthful, both eternal and immediate. I recommend this study without qualification, and hope to see more from Evan in the future.

"At some point in her life, almost every girl falls in love with the wrong man..." Latrice, Victoria, and Lyric are lost in Chicago's love diversions. Victoria seems to have a handle on her recent break up with her long-term beau, Taij. Rather than

crying into her pillow every night, she's in the arms of one new piece after the next; turning her rage into sexual expression that earns her constant potential with the luxury of no-strings attached. Victoria's new control of her heart terribly clashes with Vince's undeniable interest in being more than her next booty call. However, Victoria's refusal to commit does not keep Vince from trying desperately to blow up the wall that she has rebuilt around her heart. As Victoria runs from Vince's attempts to woo her, Latrice has done the unthinkable: fell in love with the booty-call. After the unfortunate conclusion of her affairs with Damion and Tunde, Amiel was the perfect replacement; except for the pregnant wife and kid. Now she's ready for him to man up; to prove that he truly loves her by giving her the commitment and relationship that she needs, or move on. As Latrice dreams of commitment and marriage to the unavailable Amiel, Lyric and Bradley are preparing for the real deal. As Bradley and Lyric begin their happily ever after in the Beverly community of Illinois, Bradley is under the impression that he has chosen the perfect wife-to-be. Lyric struggles with this label as she figures out a way to quietly end the on-going love affair between her and Veronica; an affair that she has successfully perpetrated to her fiance as a simple platonic friendship. This madness entitled Love Sick is only the beginning of this erotic tale. A sea of characters add their own two cents of drama and donate to the shocking and heartrending end of this cycle of affairs, obsession, and despair. With insertions of tantalizing eroticism, Love Sick is your ideal entertaining, emotive, and erotic daily retreat.

But then she meets another sick kid. He's got a chronic illness Isabel's never heard of, something she can't even pronounce. He understands what it means to be sick. He understands her more than her healthy friends. He understands her more than her own father who's a doctor. He's gorgeous, fun, and foul-mouthed. And totally into her. Dating in LA is hard. Dealing with Multiple Sclerosis is even harder. Combine those two and you get Love Sick, one woman's harrowing yet humorous journey through countless MRIs, an ER visit and a plethora of all the wrong men. Frances Kuffel wasn't a Victoria's Secret model, but she wasn't so bad. Why couldn't she find her Mr. Right? As Shakespeare said, the course of true love never did run smooth, but for Kuffel, it seemed like one pothole after another... In this sharp and irreverent memoir, Frances Kuffel recalls her quest to replace her on-again, off-again lover with someone new and preferably less unstable. Fifty-three and never married, Frances opens her mind to all possibilities. She goes out with an Orthodox Jew, is almost the victim of a scammer, stays out all night with a man twenty years her junior, encounters feeding fetishes and shoe fetishes, and generally reads a lot of strange emails. Brazenly honest and insightful, Kuffel comes through the experience with a new understanding of love and realizes that what she wants is not necessarily a knight in shining armor. She'd be perfectly happy with someone who'll spend hours buying antique teacups with her, thinks two dogs are not enough, and wants to be in her life through the good and the bad. And once she finally figures out what she's looking for, the only challenge left is to find it...

'Thought-provoking, highly original and beautifully nuanced. Jessie Stephens' journalistic skill shines as she weaves together true stories with a narrative as compelling as any novel.' Jane Harper
'Heartbreak does not seem to be a brand of grief we respect. And so we are left in the middle of the ocean, floating in a dinghy with no anchor, while the world waits for us to be okay again.' Claire has returned from London to the dust and familiarity of her childhood home, only to realise something is wrong with her partner Maggie. Patrick is a lonely uni student, until he meets Caitlin - but does she feel as connected as he does? Ana is happily married with three children. Then, one night, she falls in love with someone else. Based on three true stories, *Heartsick* is a compelling narrative nonfiction account of the many lows and occasional surprising highs of heartbreak. Bruising, beautiful, achingly specific but wholeheartedly universal, it reminds us that emotional pain can make us as it breaks us, and that storytelling has the ultimate healing power. Praise for *Heartsick* 'A remarkable longform journalism exploration of the human heart and how it breaks. Original, meticulous, marvellous. Stephens has such a handle on heartbreak here that you'd be forgiven for thinking she's had hers broken hundreds of times. But, of course, just once is more than enough for anyone. Dive in, soak up every word, and remember what it felt like to ache with the glorious sick.' Trent Dalton
'Full of empathy and grippingly told, this is a book for anyone who has suffered a broken heart. Jessie Stephens perfectly captures the thrill of love, as well as the agony that sometimes follows. You'll care desperately for all these people, in all their damage and hope.' Richard Glover
'This book is a delight. Stephens has written a compulsive, utterly endearing thing about that most human of struggles: heartache. It is Sally Rooney's Normal People meets Louis Theroux. What Heartsick does for us all, because its core is universal, is reveal the true nature of love in astonishing detail. The precision will grip you. Stephens shows us, too, that we are not alone. And that is a gift.' Rick Morton
'Unflinching, perceptive and inquisitive - all the things Jessie Stephens does best - Heartsick is a window into another person's soul, with permission to read the inside of their heart. In its pages, Heartsick delivers what every broken-hearted person needs, the ability to see themselves in others who have walked this path before them. With this book, Jessie Stephens has just established herself as a major player in the Australian literary scene. A stunning debut.' Sally Hepworth
'Heartsick is heartbreak close up - a magnifying glass that shows us the beating muscle of heartache. It reminded me that the closer a writer gets, the more universal the story becomes. I just loved this book. I hope you will too.' Sophie Hardcastle

Imagine the Creator of the universe thinking about you right at this moment. What if you could read His thoughts and watch the expression of His face when your name comes up? The Lovesick God reveals the beauty of God's emotions and why you are the supreme object of His affections. This is not just another book; when you truly grasp the secrets revealed by The Lovesick God, you'll experience a freedom you never did before. Cancer sucks, death sucks even more. But we humans don't have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease's curability, is almost always nerve-racking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend's name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the other part is set in the USA (this takes place after her cancer diagnosis). The main character of the story was born with 'Manglik' cosmic influencer, meaning that the planet Mars "mangal Graha" was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

Here, leading clinical psychologist, Dr Frank Tallis, explores our age-old preoccupation with love and in particular romantic love. Love is rarely described as a wholly pleasant experience and Tallis considers our experiences and descriptions of love and why the combinations of pleasure and pain, ecstasy and despair, rapture and grief have come to characterise what we mean when we speak about falling in love. Obsessive thoughts, erratic mood swings, insomnia, loss of appetite, recurrent and persistent images and impulses (irresistible urges to phone or text), superstitious or ritualistic compulsions (she loves me, she loves me not), inability to concentrate - so much so that it affects your work, delusion, (are his eyes really deep pools of oceanic azure?). Exhibiting just five or six of these symptoms is

enough to merit a diagnosis of Major Depressive Episode, according to the recognized medical criteria. Drawing on the writings of poets, philosophers, songwriters, zoologists and scientists Tallis shows how throughout time - and particularly in the West, the metaphor of illness and specifically mental illness has been used to describe the state of being in love. And asks why it is that we continue to search out this kind of love, with the ecstasy seeming to blind us to the agony. Explores sex addiction as a valid medical disorder, tracing the author's personal search for understanding in the face of cultural messages about women and sexuality, in an anecdotal account that draws on the advice of doctors who study the chemical and physical aspects of love and addiction. 40,000 first printing.
