The Oceanic Languages

This new edition of Comparative Grammar of Spanish and Portuguese is a complete reference guide to all the aspects of Spanish and Portuguese. It is the ideal reference book for those who would like to learn and compare Spanish and Portuguese simultaneously. It presents a clear and easy-to-read description of the Spanish and Portuguese grammar with chapters divided into nouns, pronouns, verbs, prepositions, articles, etc. detailing how each of the two Romance languages operate. The book is well-organized, neatly tabulated, with separate subheadings for topics that require a little more language-specific discussion. This edition features:- Coverage of Spanish and European and Brazilian Portuguese and the information on the grammatical differences between the two variants of Portuguese. - Detailed contents section and index for easy access to information.- Hundreds of illustrative and authentic examples.- Coverage of all the grammatical aspects and useful expressions- Sections on the geographical, historical and cultural facts of the Spanish and Portuguese-speaking world. This book is written for learners who are particularly fond of or would like to concentrate on learning Spanish and Portuguese or just to get an all-round knowledge of these two Romance languages. Furthermore, the author has aimed to create a useful and must-have book for all those interested in the two main and most wide-spread Neo-Latin languages - Spanish and Portuguese with concise and clear explanations of all grammatical areas and numerous practical examples taken from current Spanish and Portuguese usage. This book bears in mind all the differences between Peninsular or Castilian Spanish (español peninsular/castellano) spoken in Spain and Latin American Spanish (including different accents of Spanish in Latin America), and the divergencies between European Portuguese and Brazilian Portuguese. Part II of the book introduces language functions, which is basically a phrase book containing all the important phrases and expressions learners need to know to start and maintain a basic conversation or to express their opinion.

A User's Guide to Capitalism and Schizophrenia is a playful and emphatically practical elaboration of the major collaborative work of the French philosophers Gilles Deleuze and Felix Guattari. When read along with its rigorous textual notes, the book also becomes the richest scholarly treatment of Deleuze's entire philosophical oeuvre available in any language. Finally, the dozens of explicit examples that Brian Massumi furnishes from contemporary artistic, scientific, and popular urban culture make the book an important, perhaps even central text within current debates on postmodern culture and politics. Capitalism and Schizophrenia is the general title for two books published a decade apart. The first, Anti-Oedipus, was a reaction to the events of May/June 1968; it is a critique of "state-happy" Marxism and "school-building" strains of psychoanalysis. The second, A Thousand Plateaus, is an attempt at a positive statement of the sort of nomad philosophy Deleuze and Guattari propose as an alternative to state philosophy.

The main purpose of the book is to describe the Efate language. Comparison is made with other languages in order to elucidate certain aspects of Efate or as evidence in support of the author's theory that the Oceanic languages have their origin in Semitic.

Learning Construction Spanglish

First published in 2009. Routledge is an imprint of Taylor & Francis, an informa company.

This linguistic exploration delves into the language as it is spoken by the Hispanic population of New Mexico and southern Colorado.

This book, continuously in print since 1983, has become a classic Spanish reference book, widely used in classrooms across the United States. Linguist and folklorist Rubén Cobos, now in his nineties, has been diligently working on revisions for the past decade. Much expanded—the number of pages has increased by seventy—this revised edition will assume its place as the most authoritative reference on the archaic dialect of Spanish spoken in this region.

Death isn't unusual in the back of an ambulance" or is it? Author Sean Fitzmorris draws on his many years of experience as a paramedic and a nurse to tell the story of Found Wanting. Marc is a veteran paramedic in New Orleans. Years of dealing with the worst of society have hardened him and left him with a dark secret. His partner, Brian, is a brand -new EMT who wants only to help everyone. Follow Marc and Brian as they respond to 911 calls. It's hard for Brian to keep his positive outlook, but what will he do when he begins to get suspicious at the unusual deaths in his ambulance?

"Oye Broder, Get a Load of These Palabras!" They're all Spanglish words -- and you can hear them on the streets of Miami, Los Angeles, Nueva York, and lots of other ciudades across the country where English and Spanish seem to blend and bend into a mind-boggling, very fonihybrid of two different languages -- or are they sodiferente? Mira: lonchando: Having lunch. "I'm lonchando, I don't wanna talk to him now." yogur: Yogurt. "Este yogur doesn't really hit the spot when you're lonchando. Maybe I need to order ajambergue and some fries." bacuncliner: Vacuum cleaner. "Ay! I think the bacuncliner just swallowed my earring!" frizando: To make frozen, or freezing. "Turn up the heat, estoy frizando!" Before long, you'll be ready to graduate to the next level of Spanglish, with terms like pata de puerco ("pig leg" -- a new way to call someone an idiot) and Jamon del Diablo (deviled-ham product) and phrases like "Boto la casa por la ventana!" ("That rocks!") The Official Spanglish Dictionary contains hundreds of terms to guayour friends and family, plus Spanglish terms of endearment, insults, and those all-important Spanglish pickup lines: "A ti no te duelen ni los callos" ("You're so fine, even your bunions don't hurt").

Mythic Wisdom of Traditional Africa

"During all those years when everyone wanted me to tell them...how I came to fire that shot, I never wanted to talk. Now I think I do..." Agnes Dempster - young, beautiful, and accused of murder. Vermont, 1890. After an unhappy childhood, Agnes Dempster turns her back on her family and escapes to the city to begin a new life. There she meets Frank Holt, a local stonemason, a man who captures her imagination and opens her eyes to an entirely different world. They begin a relationship, but over time Agnes becomes more dependent on Frank and this soon becomes an obsession - a dangerous one. And when she discovers her beloved is not as perfect as the image she had created of him, the cracks in her already fragile psyche begin to deepen. He is a betrayer, a man who will never make her happy. And as her life spirals out of control Agnes is propelled into a state of barely-controlled madness; a madness that leads to a chaotic and destructive resolution which will affect her and those around her for the rest of their lives...

An invaluable tool for learners of Portuguese, this Frequency Dictionary provides a list of the 5000 most commonly used words in the language. Based on a twenty-million-word collection of Portuguese (taken from both Portuguese and Brazilian sources), which includes both written and spoken material, this dictionary provides detailed information for each of the 5000 entries, including the English equivalent, a sample sentence, and an indication of register and dialect variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are also thirty thematically-organized 'boxed' lists of the top words from a variety of key topics such as sports, weather, clothing and relations. An engaging and highly useful resource, A Frequency Dictionary of Portuguese will enable students of all levels to get the most out of their study of Portuguese vocabulary. Many people are drawn to the idea of establishing a practice of meditation, but have difficulty turning off the constant stream of mental images, ideas, and distractions that arise whenever thoughts turn inward. In this book, mentalist Charles G. Leland presents a practical method to quiet the mind through a series of systematic exercises, allowing even the most easily distracted individual to benefit from the peace and serenity that a meditation practice can bestow.

The Mystic Will

A grammar of the Asante and Fante language called Tshi [Chwee, Twi]

Legends of Florence

Heiress Amelia Barrett promises to raise her dying friend's infant baby, but when the baby is kidnapped, Amelia and Graham, the baby's father, must accept God's sovereignty so they can grasp the future he has planned for them.

Higher education is a critical mechanism for socioeconomic advancement among aspiring individuals and an important driver of economic mobility in our society. Moreover, a well-educated workforce is vital to our nation's future economic growth. American companies and businesses require a highly skilled workforce to meet the demands of today's increasingly competitive global economy. Higher education is provided through a complex public-private market, with many different individuals and institutions participating. While postsecondary education has become increasingly important, there have also been growing concerns about the cost and affordability of higher education. This report discusses the current state of higher education, with a brief high-level overview of the market and a more detailed discussion and analysis of the financial aid system. It also discusses the important changes the President has made to make higher education more accessible and affordable.

The Rehabilitation of Offenders Act 1974 (Exclusions and Exceptions) (Scotland) Order 2013

Abacaenum - Hytanis

Kate Winter teaches dog owners how to train their canine companions. During her spare time, accompanied by her Lab, Dakota, she explores the woods and beaches on foot or horseback. She's worried that something's happening in her relationship, but she can't get her girlfriend Trish to talk to her about it. Faith Hutchins recently lost her sight after a terrible outdoor accident. She's dealt with her anger, depression, and blindness primarily on her own. A seeing-eye dog would help alleviate her reliance on anyone else, but the guide dog school has been unsuccessful in providing her with one. On a mission to find someone who will train a dog specifically for her, she ultimately zeroes in on Kate. They say lightning never strikes the same place twice. But positive lightning is notoriously unpredictable and can ignite a fire when and where least expected . . . no matter who's in its path."

When construction managers need to talk about the specifics of a construction job - where the electrical outlets need to go, when the framing will be completed, how a plumbing problem will be solved - they need to be able to communicate clearly and effectively with workers. That task gets considerably more difficult when managers and workers are speaking in different languages. More than simple dictionary terms or phrases, managers need a tool for understanding the basics of the language their workers use - a resource that lets them communicate the myriad of questions, issues, schedules, and tasks that come up on a construction job. Learning Construction Spanglish is exactly the tool they need. This book offers up: • Communication tools - a method for understanding the basics of Spanglish - not just dictionary terms. • Practical, useful on-the-job terms and phrases. • Logical organization that makes info fast and easy to find. • Both English/Spanish and Spanish/English glossaries.

This new edition of Comparative Grammar of Italian and French is a complete reference guide to all the aspects of Italian and French. It is the ideal reference book for those who would like to learn and compare Italian and French simultaneously. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. Comparative Grammar of Italian and French can also be used for either independent study or for learners in classes of all types. It presents a clear and easy-to-read description of the Italian and French grammar with chapters divided into nouns, pronouns, verbs, prepositions, articles, etc. detailing how each of the two Romance languages operate. The book is well-organized, neatly tabulated, with separate subheadings for topics that require a little more language-specific discussion. This edition features: - Detailed contents section and index for easy access to information.- Hundreds of illustrative and authentic examples.- Coverage of all the grammatical aspects and useful expressions.- Sections on the geographical, historical and cultural facts of the Italian and French-speaking world. This book is written for learners who are particularly fond of or would like to concentrate on learning Italian and French or just to get an all-round knowledge of these two Romance languages. Furthermore, I have aimed to create a useful and must-have book for all those interested in the two main and most wide-spread Neo-Latin languages - Italian and French with concise and clear explanations of all grammatical areas and numerous practical examples taken from current Italian and French usage
