An ancient Hindu text, “The Kama Sutra” is attributed to Vatsyayana-a Vedic philosopher of the Gupta Empire. The book offers advice on the practice of sexual intercourse, with additional passages about virtue, love, family, and other aspects of human life. It is arguably the world’s most famous literary document concerning human sexuality.

Stark is a secret consortium with more money than God, and the social conscience of a dog on a croquet lawn. What’s more, it knows the Earth is dying. Deep in Western Australia where the Aboriginals used to milk the trees, a planet-sized plot is taking shape. Some green freaks pick up the scent: a pommie poseur; a brain-fried Vietnam vet; Aboriginals who have lost their land...not much against a conspiracy that controls society. But EcoAction isn’t in society: it just lives in the same place, along with the cockroaches. If you’re facing the richest and most disgusting scheme in history, you have to do more than stick up two fingers and say ‘peace’.

Is it possible to venture beyond daily living and experience heightened states of awareness? Deepak Chopra says that higher consciousness is available here and now. “Metahuman helps us harvest peak experiences so we can see our truth and mold the universe’s chaos into a form that brings light to the world.”—Dr. Mehmet Oz, attending physician, New York-Presbyterian, Columbia University New York Times bestselling author Deepak Chopra unlocks the secrets to moving beyond our present limitations to access a field of infinite possibilities. Is it possible to venture beyond daily living and experience heightened states of awareness? Deepak Chopra says that higher consciousness is available here and now. “Metahuman helps us harvest peak experiences so we can see our truth and mold the universe’s chaos into a form that brings light to the world.”—Dr. Mehmet Oz, attending physician, New York-Presbyterian, Columbia University New York Times bestselling author Deepak Chopra unlocks the secrets to moving beyond our present limitations to access a field of infinite possibilities. How does one do this? By becoming metahuman. To be metahuman, however, isn’t science fiction and is certainly not about being a superhero. To be metahuman means to move past the limitation constructed by the mind and enter a new state of awareness where we have deliberate and concrete access to peak experiences that can transform people’s lives from the inside out. Humans do this naturally—to a point. For centuries the great artists, scientists, writers, and many so-called ordinary people have gone beyond the everyday physical world. But if we could channel these often bewildering experiences, what would happen? Chopra argues we would wake up to experiences that would blow open your body, mind, and soul. Metahuman invites the reader to walk the path here and now. Waking up, we learn, isn’t just about mindfulness or meditation. Waking up, to become metahuman, is to expand our consciousness in all that we think, say, and do. By going beyond, we liberate ourselves from old conditioning and all the mental constructs that underlie anxiety, tension, and ego-driven demands. Waking up allows life to make sense as never before. To make this as practical as possible, Chopra ends the book with a 31-day guide to becoming metahuman. Once you wake up, he writes, life becomes transformed, because pure consciousness—which is the field of all possibilities—dawns in your life. Only then does your infinite potential become your personal reality.

Each photograph in Photo Sex is a representation of sexual activity in some form. The activity shown in a given photograph may involve a single person, a couple, or a group; it may show kissing, dancing, touching, or sexual intercourse; it may be graphic or muted, passionate, tender or humorous. Photo Sex offers both an expanded vision of the nature of photography and an expanded vision of the nature of sex.

In honor of Bob Marley's seventy-fifth birthday, this glorious oversize book collects more than 150 photographs that celebrate the life and influence of the forefather of reggae and one of the greatest musical and sociopolitical icons of twentieth-century pop culture. Drawing exclusively on photos in the Marley family archives, the book mixes the iconic and the intimate, bringing together striking images of Marley as a performer onstage with unseen glimpses into his creative process in and out of the studio and his family life in Jamaica. Making the most of its oversize pages, the book is designed as a monument to his influence. Focusing on the last decade of his life--the period of his greatest worldwide fame--and with excerpts from unpublished interviews and prophetic quotes alongside the images, this is a definitive portrait of one of the great artists of the twentieth century made by those who knew him best.

Popular Instagram cartoonist and Muslim-American Huda Fahmy presents a hilarious, reliable, and painfully honest new collection of comics that break down barriers and show how universal our everyday problems, worries, and joys actually are. At some point in our lives, we've all felt a little out of place. Huda Fahmy has found it's a little more difficult to fade into the crowd when wearing a hijab. In Yes, I'm Hot in This, Huda navigates the sometimes-rocky waters of life from the unique perspective of a Muslim-American woman, breaking down misconceptions of her culture one comic at a time. From recounting the many questions she gets about her hijab every day (yes, she does have hair) and explaining how she runs in an abaya (just fine, thank you) to dealing with misconceptions about Muslims, Yes, I'm Hot in This tackles universal feelings from an point of view we don't hear from overall enough. Every one of us have experienced love, misunderstanding, anger, and a deep desire for pizza. In Yes, I'm Hot in This, Huda's clever comics demonstrate humor's ability to bring us together, no matter how different we may appear on the surface.

"The perceptions of the role of women and men in families have changed over the past few decades. Men are no longer perceived as the economic providers to families. The role of men in the family has undergone many "diverse demographic, socio-economic and cultural transformations" impacting the formation, stability and overall well-being of families. In light of this development, DESA's Division for Social Policy and Development (DSPD) launched a new publication on "Men in Families and Family Policy in a Changing World" on 17 February focusing on the shifting roles and views of men in families."--Provided by publisher.

Nobel laureate, RK Pachauri, is set to reveal his literary side, with his debut novel - Return to Almora. For Sanjay Nath, life is calling. Literally, Haunted by the remembrances of his previous life, spent at Almora, Sanjay starts to long and more to return to his 'home land.' The usual mundane progression of life falls to keep him busy, and moved by personal tragedies and futility of human life, he ultimately gives up everything to chase meaning, memories, and peace.

From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi's writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet." - Amartya Sen. Published by Zuban.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

I don't write about my experiences with depression to defend the legitimacy of my pain. My pain is real; it does not come to me because of my lifestyle, and it is not taken away by my lifestyle. Unwittingly known as Alia Bhatt's older sister, screenwriter and fame-child Shaheen Bhatt has been a powerhouse of quiet restraint-until recently. In a sweeping act of courage, she now invites you into her head. Shaheen was diagnosed with depression at eighteen, after five years of already living with it. In this emotionally arresting memoir, she reveals both the daily experiences and big picture of one of the most debilitating and critically misinterpreted mental illnesses in the twenty-first century. Equal parts conundrum and enlightenment, Shaheen takes us through the personal pendulum of understanding and living with depression in her privileged circumstances. With honesty and a profound self-awareness, Shaheen lays claim to her sadness, while locating it in the universal fabric of the human condition. In this multi-dimensional, philosophical tell-all, Shaheen acknowledges, accepts and overcomes the peculiarities of living with depression. A topic of massive interest to anyone with mental health disorders, I've Never Been (Un)Happier stretches out its hand to gently provide solace and solidarity.

Mani Ratnam's Nayakan is among Time's '100 Best Movies Ever'; and Roja launched A.R. Rahman. This book, unique to Indian cinema, illuminates the genius of the man behind these and eighteen other masterly films. For the first time ever, Mani Ratnam opens up here, to Baradwaj Rangan, about his art, as well as his life before films. In these freewheeling conversations—candid, witty, pensive, and sometimes combative—many aspects of his films are explored. Ratnam elaborates in a personal vein on his choice of themes, from the knottiness in urban relationships (Agni Matchatiram) to the rents in the national fabric (Bombay); his directing of children (Anjali); his artful use of songs; his innovative use of lighting; as also his making of films in Hindi and other languages. There are fond recollections of collaborations with stalwarts like Balu Mahendra, P.C. Sreeram, Thotta Tharani and Gulzar, among many others. And delectable behind-the-scenes stories—from the contrasting working styles of the legendary composer Ilayaraja and Rahman to the unexpected dimensions Kamal Haasan brought to the filming of Nayakan to what Raavan was like when originally conceived. In short, like Mani Ratnam's films, Conversations surprises, entertains and stimulates. With Rangan's personal and impassioned introduction setting the Tamil and national context of the films, and with posters, script pages and numerous stills, this book is a sumptuous treat for serious lovers of cinema as well as the casual moviegoer looking for a peek behind the process.

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child’s social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community police officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:
• types of school refusers
• why children refuse to go to school
• symptoms
• short term and long term consequences
• accurate assessment
• treatment options
• what parents can do
• what schools can do
• dealing with anxious high achievers
• how to help children on the autism spectrum with school refusal

The major character in the story is Troy O'Neill, an Arizona boy reared by a religious mother of Dutch heritage and an adventurous Irish father. The boy treks northward into the wilds of the mountains and canyons of Utah in search of an ancient Aztec treasure. Amid harrowing experiences and life-and-death struggles, the impossible dream comes true.

Conscious parenting is about becoming mindful of your behaviour and engaging with your child as an individual. Dr Tsabary inspires parents to get back in touch with their emotions and shed the layers of baggage they have inherited during their own life and are unconsciously heaping on their children. As they become 'conscious' in their parenting, so parents can transform their relationship with their offspring and raise happy, well-adjusted children. The Conscious Parent is a radical transforming the way people are parenting through its sales in the US where it's spent 15 weeks on the New York Times bestseller list. Oprah described the book as 'The most profound book on parenting I've ever read' and Eckhart Tolle has said 'becoming a conscious parent is the greatest gift you can give your child.' The book features a foreword by His Holiness The Dalai Lama.

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium--designed for art historians, conservators, conservation scientists, and museum curators worldwide--was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

An informative pop-up book on the erotic arts featuring the world's ten best carnal positions brought vividly to life in full-color, three-dimensional paper tableaux. The perfect tongue–in–cheek gift for Valentine's, Weddings and Birthdays, THE POP-UP BOOK OF SEX is a clever and informative tour of the ten best ways to have sex, plus the reasons and tips behind them. The problem with most sex books is they're too long, or they list too many things a partner needs to do and learn. Now, readers will get that in just 10 quick pops, from the ever-reliable "Missionary" and the Kama Sutra's "Lotus" as well as contemporary favorites conceived for specific effects such as G-spot simulation and problem-solving advantages of each position (for example: big penis, small woman, or small penis, big woman). Adding to the fun are at least 2–3 alternate position–illustrations for each 'pop', special tips, and specifically selected backdrops (which span the world and a variety of sexual settings). The tour de force cover illustration depicts an intricate, fantastical world densely populated with interlinked, ecstatic, and, of course, tastefully rendered people in the throes of delight (with apologies to Helironimus Bosch); SAMPLE POP: The Mile–High Club Concept: Necessity is the mother of invention. Make the most of the moment. Some positions are location specific. Content: This spread is first and foremost about sex in exotic places and the great benefit of bringing variety and spontaneity into your sex life – in this case, the thrill of a semi–public encounters (as close to Heaven as possible). No one ever plans to screw a stewardess in an airplane bathroom, but it's a great thing to do. Secondly, this spread is about standing positions, covering the basic methods: man standing, woman on a flat surface; from behind with both standing from behind; standing with girl bent over; creative use of structural support, as in a dark alley. Background research that will inform our tips & text: • Siobahn Kelly, author of The Wild Guide to Sex and Loving • Dr. Susan Block, author of The Mile High Club • Good Vibrations Guide to Sex Characters: Airline stewardess in a sexy, short-skirted uniform, garters, fake pearls; handsome, square-jawed businessman in a suit. Setting: An airplane bathroom. The stewardess is sitting up on the tiny counter, her legs wrapped around a handsome man's hips. We see both characters, though we don't see all the way to the ground. (I.e., from his knees up, or so.) Pop: When the spread opens, we see a closed airplane door; to the right of the door, in a little pocket, is a small pamphlet (which readers can take out), with sex tips illustrated in the style of airplane emergency cards (see "Extras," below). The reader opens the door–pulling it to the left. As the door opens the sink/console, her legs wrapped a
