Need to get active support from others in order to achieve results? Make Your Mark! How to Influence in Organisations helps readers influence more effectively in any kind of organisation. A wise man once described effective influencing as "the ability to move an idea from your mind to my mind and to move me with the idea." These nineteen words sum up what you need to do to influence effectively. Make Your Mark! How to Influence in Organisations will guide you through each of these steps towards effective influencing: developing your abilities, clarifying your ideas, choosing your strategies, connecting with the people you are influencing and finally getting what you want. Make Your Mark! How to Influence in Organisations begins with the increasing need for organisational influencing skills and follows with the benefits readers will get from investing their time in developing their influencing skills.

Your Mark On The World combines inspiring stories of ordinary people doing remarkable things to make the world a better place with practical advice to empower anyone to give more to a cause (charity, non-profit or social venture) without giving up a career or family. The inspiring stories include: Botevy's life and death struggle through Pol Pot's killing fields that led her ultimately to create an orphanage in Phnom Penh. Rick's personal crusade to cure cystic fibrosis to ensure that his two afflicted grandchildren will attend his funeral and not the other way around. The eight-member Smith family's world service tour. David's decision to walk away from a successful career as an international executive to volunteer to care for victims of leprosy in rural India. These stories are combined with practical financial advice to empower you to give more to a cause without giving up your family or your career. The book answers your questions: How do I get out of debt and stay out of debt? Which charity or cause do I choose to make my donation? How do I decide where to volunteer? How can our family plan a volunteer vacation? How can I save money for retirement? How much should I contribute to my 401k? Can I use Mint to manage my budget? How to retire early enough to devote healthy years to volunteering? This must-read book provides an overview of philanthropy in America and around the world, providing you with a clear picture of charity and its fruits.

Instant New York Times Bestseller "Inspiration leaps off the pages from Jerry Saltz's new book on creativity. . . . This book is for the artist or non-artist, for the person who gets plain English, for the person who understands that practical talk can coax out the mystical messages that lie underneath." —Steve Martin Art has the power to change our lives. For many, becoming an artist is a lifelong dream. But how to make it happen? In How to Be an Artist, Jerry Saltz, one of the art world's most celebrated and passionate voices, offers an indispensable handbook for creative people of all kinds. From the first sparks of inspiration—and how to pursue them without giving in to self-doubt—Saltz offers invaluable insight into what really matters to emerging artists: originality, persistence, a balance between knowledge and intuition, and that most precious of qualities, self-belief. Brimming with rules, prompts, and practical tips, How to Be an Artist gives artists new ways to break through creative blocks, get the most from materials, navigate career challenges, and above all find joy in the work. Teeming with full-color artwork from visionaries ancient and modern, this beautiful and useful book will help artists of all kinds—painters, photographers, writers, performers—realize their dreams.

Inspirational teacher Alan Seale has helped thousands of people create the lives they want. In Soul Mission, Life Vision he shares ancient and ageless techniques and tools that can launch the process of self-discovery essential to achieving the life of your dreams. Seale has created a program that will lead readers to a "big-picture view" of life, beyond the constraints of any situation. Exercises, meditations and activities that appear throughout the book guide readers through a four-fold process: Self-discovery Declaration of mission and vision Utilizing the mind and thought for creation Living your mission and manifesting your vision in daily life. The goal is to develop the power to make choices out of desire and clarity rather than circumstantial necessity. A powerful synergy will occur when you synthesize that power of choice with your own inner guidance, personal revelation, and life experience. It is that synergy that can lead to profound personal transformation and the full realization of your soul mission, your reason for being.

Have you ever talked to a dog. Not just the "Who's a good boy? Spike's a good boy" stuff, but really talked? About your struggles, your heartaches, your joys—baring your soul to a canine friend? If you have, chances are it made you feel free to say whatever you wanted, without the burden of justifying your position, sounding witty, or telling an entertaining story. Free to take your time, without fear of judgment or recrimination. Even if you can't have a real discussion, when compared to conversations with humans you'd probably admit that dogs are the better communicators—paws down.

Why? Because even though they don't speak our language, they really listen. It's time to take a fresh look at listening and we need go no further than the furry best friend at our feet. Dogs don't interrupt us, finish our sentences, offer advice, try to top our stories, or text us instead of talking to us. Dogs pay extremely close attention to us; they study our facial expressions, our body language, our eye movements, and our voice patterns. Dogs do not just listen with their ears, they listen with their entire being. True listening can enhance every relationship in one's life, and can transform broken associations and inject new life into business and social interactions. It is the magic ingredient that forges real connections with others. People want good listeners in their inner circle, they want to do business with them, they trust them and will share critical information with them. That means the person who masters this skill has enormous advantages, both in business and in his or her personal life. By listening like a dog, readers will find renewed connection and a deeper sense of compassion, companionship and understanding with the people in their lives.

An Irreverent Guide to the Sports of the Summer Games

#1 NEW YORK TIMES BESTSELLER • Everybody tells you to live for a cause larger than yourself, but how exactly do you do it? The author of *The Road to Character* explores what it takes to lead a meaningful life in a self-centered world. “Deeply moving, frequently eloquent and extraordinarily incisive.”—*The Washington Post* Every so often, you meet people who radiate joy—who seem to know why they were put on this earth, who glow with a kind of inner light. Like these people, has often followed what we might think of as a two-mountain shape. They get out of school, they start a career, and they begin climbing the mountain they thought they were meant to climb. Their goals on this first mountain are the ones our culture endorses: to be a success, to make your mark, to experience personal happiness. But when they get to the top of that mountain, something happens. They look around and find the view . . . unsatisfying. They realize: This wasn't my mountain after all. There's another, bigger mountain out there that is actually my mountain. And so they embark on a new journey. On the second mountain, life moves from self-centered to other-centered. They want the things that are truly worth wanting, not the things other people tell them to want. They embrace a life of interdependence, not independence. They surrender to a life of commitment. In *The Second Mountain*, David Brooks explores the four commitments that define a life of meaning and purpose: to a spouse and family, to a vocation, to

philosophy or faith, and to a community. Our personal fulfillment depends on how well we choose and execute these commitments. Brooks looks at a range of people who have lived joyous, committed lives, and who have embraced the necessity and beauty of dependence. He gathers their wisdom on how to choose a partner, how to pick a vocation, how to live out a philosophy, and how we can begin to integrate our commitments into one overriding purpose. In short, this book is meant to help us all lead more meaningful lives. But it's also a provocative social commentary. We live in a society, Brooks argues, that celebrates freedom, that tells us to be true to ourselves, at the expense of surrendering to a cause, rooting ourselves in a neighborhood, binding ourselves to others by social solidarity and love. We have taken individualism to the extreme—and in the process we have torn the social fabric in a thousand different ways. The path to repair is through making deeper commitments. In *The Second Mountain*, Brooks shows what can happen when we put commitment-making at the center of our lives.

Challenging the Conventions of Grading and Reporting

Your decisions matter. You've been created to live a great story and leave a dent in this universe. Wrestling with our calling in life is a fundamental struggle for just about everyone. Who are we supposed to be? How are we supposed to live? What are we supposed to do? These are all questions many of us grapple with. Surprisingly, the Samson narrative

is one of the most instructive stories for helping us answer these questions. Often touted as a story about muscles, testosterone, and seduction, there is so much more to this ancient account. Employing all the best tools for interpreting the Bible today, Brad Gray unpacks the Samson story anew, giving us fresh insights into the universal callings of those desiring to live out God's fullest design for life. Perfect for personal and small group study, MAKE YOUR MARK will reignite your sense of purpose and stretch your faith so you can find the next step on the journey towards your calling. With passion, humor, and skill, Brad shows us how we can get right what Samson got wrong in order to flourish in our humanity, to make the most of the lives we've been given, and to leave a positive mark on our world. Globally bestselling Divergent author Veronica Roth delivers a breathtaking fantasy featuring an unusual friendship, an epic love story, and a galaxy-sweeping adventure. #1 New York Times bestseller * Wall Street Journal bestseller * USA Today bestseller * #1 IndieBound bestseller Praise for Carve the Mark: "Roth skillfully weaves the careful world-building and intricate web of characters that distinguished Divergent." "VOYA (starred review) "Roth offers a richly imagined, often brutal world of political intrigue and adventure, with a slow-burning romance at its core." "ALA Booklist Cyra Noavek and Akos Kereseth have grown up in enemy countries locked in a long-standing fight for dominance over their shared planet. When Akos and his brother are kidnapped by the ruling Noavek family, Akos is forced to serve Cyra, the sister of a dictator who governs with violence and fear. Cyra is known for her deadly power of transferring extraordinary pain unto others with simple touch, and her tyrant brother uses her as a weapon against those who challenge him. But as Akos fights for his own survival, he recognizes that Cyra is also fighting for hers, and that her true gift—resilience—might be what saves them both. When Akos and Cyra are caught in the middle of a raging rebellion, everything they've been led to believe about their world and themselves must be called into question. But fighting for what's right might mean betraying their countries, their families, and each other. When the time comes, will they choose loyalty or love? And don't miss The Fates Divide, Veronica Roth's powerful follow-up novel!

Experience the thrill, twenty-five years later, of Steve Scott's epic finals match against Tiger Woods in the 1996 United States Amateur Championship! In August of '96, Steve Scott went head to head against Tiger Woods at Pumpkin Ridge Golf Club in the finals of the US Amateur Championship. Five thousand three hundred forty-five players whittled down to two. Scott found himself a surprising 5-up after the first 18, but at hole 35 Tiger squared the grueling match with an improbable 40-foot birdie putt. With the result coming down to the last hole, the difference in the outcome actually came earlier, when Scott reminded Woods to move his mark back to its rightful place on hole 34. Had Scott not done the morally correct thing, Tiger would have been penalized and, in turn, not have won three straight U.S. Amateur Championships (something not even the great Jack Nicklaus or legendary Bobby Jones had done), forever changing the course of Tiger's career and golf history. In Hey, Tiger—You Need to Move Your Mark Back, Scott teams up with esteemed storyteller Tripp Bowden to explain, twenty-five years later, what led to that life-changing moment and to describe, in his own words, the exhilaration of that '96 U. S. Amateur Championship and how it ultimately changed golf history and the two competitors' lives. Forever. Hey Tiger—You Need to Move Your Mark Back is a story for the ages for golf fans looking for an unlikely new perspective on the greatest game in the world.

entrepreneurs who will enthusiastically break off in the middle of a multi-million pound deal to have a huge snowball fight in the car park with their finance director. But then Mark Mills is not just any successful entrepreneur. Whether organising one of his infamous Summer Christmas parties, flying to New York to find a new business idea or staying up all night to celebrate a successful deal, Mark Mills has always believed in the absolute importance of having fun in business. And not just for him, but for his employees, customers and suppliers too. His brilliantly unique approach has more than paid off. Mark's infectious enthusiasm, relentless energy, can-do approach and spirit of adventure have powered him to the very pinnacle of entrepreneurial success, both in his own businesses and by helping others to do the same in theirs. Over the years he has won countless Entrepreneur of the Year Awards and been asked to give speeches at prestigious events around the world about his achievements. Making Your Mark tells the fascinating and entertaining story of Mark's extraordinary success in business, from selling broken biscuits at the age of 8, through his early years selling everything from payphones to post boxes, to his outstanding success creating Cardpoint, the cash machine business he founded at the age of 29 which at its peak was valued at £170 million. But just as importantly, it also tells the story of Mark's disasters along the way, about the times when things went badly wrong and when failure was more often the outcome than success. Along the way Mark shares his unique Golden Rules on how to achieve your own success in business, from learning how to think like an entrepreneur to creating a great business model, from understanding how to build a strong team to learning how to communicate effectively.
