skills to attract any woman. Stop for a moment and reflect.

What is it you strive for in life? To be famous, only to be forgotten when the next big thing comes along? To have more money than your neighbour? To get promotion and a slightly bigger office? Why? To win the love and respect of a beautiful woman.

with the woman of your
dreams. What if you
could skip through the
struggle and go straight
to the prize? As the soon-

guide that guarantees
success. No matter what
your goal, and no matter
what your experience,
The Layguide will lead

will show you how. Do
you want to play the
field in search of that
one special woman?

This book will show

you how to do that, too. For more than a decade, Tony Clink has read books, talked with friends and strangers, and searched the Internet looking for the best and most interesting ideas on picking up women. He's tried and tested them all, finding out which ones were duds and which ones really worked, and

traded his personal secrets with like-minded players around the world. And, of course, he's had lots and lots of amazing interaction with women, from steamy one night (or one hour) stands to his current two-year relationship with 'the most wonderful woman in the world'. Unlike other seduction guides,

you've always wanted to
be. And if you're an
experienced seducer, it
will take you to heights
of success you never
thought possible.
