Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

Mole, Water Rat, Badger, and the mischievous Toad live a quiet life on banks of the River Thames with the rest of their animal friends. But Toad tends to get into trouble. His passion for cars eventually results in his being caught and kept a helpless prisoner in the remotest dungeon of the best-guarded castle in all the land. Dressed as a washerwoman-and with some help from his friends-Toad manages to escape the castle and begins his journey home to Toad Hall. The Wind in the Willows is a book for children "who keep the spirit of youth alive in them; of life, sunshine, running water, woodlands, dusty roads, winter firesides." So wrote Kenneth Grahame of his timeless tale of Mole, Badger, and Toad

A Life

Spring Awakening is an extraordinary new rock musical with book and lyrics by Steven Sater and music by Grammy Award-nominated recording artist Duncan Sheik. Inspired by Frank Wedekind's controversial 1891 play about teenage sexuality and society's efforts to control it, the piece seamlessly merges past and present, underscoring the timelessness of adolescent angst and the universality of human passion.

The Oxford Handbook of Comic Book Studies examines the history and evolution of the visual narrative genre from a global perspective.
