Eight-year-old Odessa never expected to come face-to-face with her grandmother in an eight-year-old body! What happens when Odessa is wished back to 1955 by her Nana? It seems that Nana was tired of telling Odessa about the old times and wanted to show her instead. Odessa wakes up in a southern Maryland farmhouse without air conditioning, television, Internet, or telephone. She develops an understanding for both the fun and the work of living on a farm as she chats with the family about the things that surprise her. A day at school with Nana is very different from her own school in 2014. Instead of bright colors, group participation, computers, and modern conveniences, Odessa confronts racism, bullying, and a very different kind of classroom. She also learns that some things never change. People are people no matter when they live.

Nana is seeking a connection to her inner spirit. Her granddaughter, Lily-Rose, helps her by creating a special experience, which ends up surprising and amazing both of them. Their imaginative travel takes them into magical and real inner and outer worlds. In this delightful story, the reader learns about shamanic ritual and journey work. Born to drunken parents in the slums of Paris, Nana lives in squalor until she is discovered at the Théâtre des Variétés. She soon rises from the streets to set the city alight as the most famous high-class prostitute of her day. Rich men, Comtes and Marquises fall at her feet, great ladies try to emulate her appearance, lovers even kill themselves for her. Nana's hedonistic appetite for luxury and decadent pleasures knows no bounds - until, eventually, it consumes her. Nana provoked outrage on its publication in 1880, with its heroine damned as 'the most crude and bestial sort of whore', yes the language of the novel makes Nana almost a mythical figure: a destructive force preying on a corrupt society.

If school-aged children were in charge of their family vacation, their first choice would be to go to their grandparents' house because it's fun, and they can do whatever they want to do at their grandparents' house. Children know that when it comes to their grandparents, grandkids do no wrong and are in control. This book is about Nanas treasure that she kept over the years. She passed it on over to her granddaughter to let her see the beauty that lies behind the generations before her.

Two seven year old cousins visit their grandmother for the summer. As they play at a creek, the girls are unaware that they are being watched by fairies, until one little fairy allows them to see her.

At first, Graham struggles to understand Nana's death and cope with the changes in his life. Eventually, with the love and support of his family, he begins to realize that Nana's memory and their experiences together will always be with him, even if she is no longer there. As Graham returns to Nana's house and introduces the Magic Swing to his little brother and sister, he passes on the love and memories he has received and his smile returns. It was only a few years ago, God shed his light on me. Anointed me with the gift of writing poetry. He opened my eyes to understand from the scripture that I read. A powerful message came down from above and descended here on me. The grace of God bestowed on me, the special gift that was given. Burns in my soul, lets the words flow on this paper it is written. O may I thank him daily for has given to me. May my heart yearn to do his will, to use this gift he placed in me. To see the mighty hand of God, the creator of all things. Who used a humble servant, made her a child of the King!

Publié en 1880, Nana est le neuvième volume de la série "Les Rougon-Macquart" et fut un succès énorme et immédiat, grâce notamment à une énorme campagne de publicité. Flaubert lui-même écrivit dans une lettre à Zola que : "Nana tourne au mythe, sans cesser d'être réelle." On est à Paris, en 1867. La jeune et séduisante Anna Coupeau, dite Nana, seize ans, peine à joindre les bouts pour élever son fils, Louis. Issue du monde ouvrier, fille de Gervaise Macquart et de Coupeau (dont on retrouve l'histoire dans "L'Assommoir"), elle se prostitue, mais est bien entretenue par ses amants. Malgré ses humbles débuts, son manque total de talent, mais surtout grâce à son charme affolant, Nana se met à grimper l'échelle social quand elle prend ses premiers pas sur la scène du Théâtre des Variétés dans le rôle de Vénus. De là, Paris lui ouvre grand les portes et la beauté de Nana ne trouve de rivale que dans sa cupidité. "Nana" est empreint de la veine naturaliste et démontre l'importance et les effets néfaste de l'hérédité et de l'environnement sur les Hommes. Emile Zola (1840-1902) est un des auteurs français les plus célèbres au monde et il fut l'une des figures de proue du mouvement littéraire naturaliste français. Activiste et engagé dans la cause sociale, son œuvre met à nu les vérités déplaisantes du 19e. Il explore notamment la pauvreté, la prostitution, et l'hypocrisie. Zola était également un journaliste et utilisait ses recherches journalistiques comme base pour ses romans. Son style est direct et sans fioritures. Son œuvre principale est sa série monumentale "Les Rougon-Macquart", constituée de vingt épisodes écrits entre 1871 et 1893. Chaque roman peut être lu individuellement et décrit la vie en France sous le Second Empire, à travers l'histoire d'une même famille. Les épisodes les plus connus sont "Nana" et "Germinal". Zola est aussi connu pour son "Thérèse Raquin".
