

National Geographic Kids Readers Red Pandas Natio

Adorably cute and amazingly fast, the cheetah is a perennial favorite among kids. This National Geographic Reader will delight kids with beautiful photographs and mind-boggling facts about this majestic and mysterious cat. Did you know a cheetah can go from 0 to 60 mph in less than 3 seconds? True to the National Geographic Kids’ style and trusted reputation, snack size bites of information provide easily digestible learning that fulfills both the reader’s curiosity and sense of achievement. National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information. Are these strange animals the stuff of nightmares or aliens from outer space? Turns out, they’re real undersea animals! Find out how deep-sea creatures use bizarre and fascinating adaptations to survive in their harsh environments in this Level 3 Reader. Journey through the depths of the ocean into the dark Midnight Zone and discover the mysterious animals that live there. Learn about how their bodies make their own light or adapt to living in low-light areas, how they hunt, what they eat, and how they keep themselves safe from predators. National Geographic Readers’ combination of expert-vetted text, along with brilliant images and a fun approach to reading has proved to be a winning formula with kids, parents, and educators. Level 3 text provides accessible, yet wide-ranging information for fluent readers. Each reader includes text written by an experienced, skilled children’s books author, a photo glossary, and interactive features in which kids get to reinforce what they’ve learned in the book. Presents an introduction to polar bears, describing their habitat, physical characteristics, life cycle, eating habits, and behaviors, and looks at the life of a polar bear cub. Meet amazing penguins from all around the world! Young readers will learn about penguins big and small in this new pre-reader from National Geographic Kids. Through text features such as a vocabulary tree and wrap-up activity, kids will be introduced to vocabulary in concept groups - helping them make connections between words and expand their understanding of the world.

The Helpers in Your Neighborhood

This adorable new title from Emmy Award-winning singer-songwriter (and animal lover) Parry Gripp shows us the magical world of furry friendship and teaches young readers to be kind to animals of all shapes and sizes. Through adorable, uplifting photographs, and sweet, silly text, kids will learn not only how to interact with animals, but also just what makes you a good friend for your fuzzy, feathered, or scaly new bud. This fun book will inspire young animal lovers to understand their perfect new pal, giving kids lessons on being gentle with pets, making sure to care and love them, how to be patient, and more. Lyrical text illustrates the fun and companionship that dogs, cats, lizards, fish, rabbits, and all sorts of animal friend can offer. Parents and families considering or who’ve just gotten a new pet will have fun sharing and learning all about animals together. Plus, turn each page and sing along with Parry with an original song and music video!
