Saunders Q & A Review for the NCLEX-RN(R) Examination: Second South Asia Edition - E-book

*It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. **UNIQUE!** Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. **UNIQUE!** The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. **UNIQUE!** Appendixes for each chapter summarize medications and nursing procedures for quick reference. **Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.***

Practice makes perfect with Saunders Q&A Review for the NCLEX-RN® Examination, 8th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN examination! Each question enhances review by including a test-taking strategy and rationale for correct and incorrect answers. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on the Evolve companion website, with many study and testing options — including an option to select practice questions by health problem/medical diagnosis. From the most trusted names in NCLEX review, Linda Anne Silvestri and Angela Silvestri, this resource is part of the popular Saunders Pyramid to Success. Detailed test-taking strategies for each question provide clues for analyzing and selecting the correct answer. Comprehensive rationales are provided for both correct and incorrect answer options. Chapters organized by Client Needs reflect the latest NCLEX-RN test plan. Evolve companion website includes more than 6,000 questions with robust study and self-testing options. A 75-question pre-test generates a study calendar to guide your exam preparation. Questions on the Evolve companion site may be sorted by cognitive ability, NCLEX client needs area, content area, integrated process, health problem, priority concept, strategy, or alternate item format to help you focus on the question types you find most difficult. A 75-question post-test helps you evaluate your progress. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, questions incorporating audio, case studies, and Next-Generation NCLEX-style question types. A Priority Nursing Tip for each question highlights need-to-know patient care information. Introductory chapters cover preparation guidance for the NCLEX-RN and the computerized adaptive testing (CAT) format, nonacademic preparation, test-taking strategies, and the NCLEX-RN from a new graduate's perspective. Three audio reviews on the Evolve companion website cover acid-base balance, fluids and electrolytes, and pharmacology. Appropriate for all test takers in the US and Canada — includes metric, SI, and Imperial units, as applicable. Questions written at higher cognitive levels (applying, analyzing, synthesizing, evaluating, and creating) correspond to the NCLEX, where most items are written at the application level or higher.
