

Nick Richards Sexual Power Words

A worldwide bestseller first published in 1980, this novel tells the story of Jennifer Parker, a successful lawyer who is loved by two men, one a politician, the other, a mafia don.

The classic New York Times bestseller, with a new introduction by E.J. Dionne Jr. When The Culture of Narcissism was first published in 1979, Christopher Lasch was hailed as a “biblical prophet” (Time). Lasch’s identification of narcissism as not only an individual ailment but also a burgeoning social epidemic was groundbreaking. His diagnosis of American culture is even more relevant today, predicting the limitless expansion of the anxious and grasping narcissistic self into every part of American life. The Culture of Narcissism offers an astute and urgent analysis of what we need to know in these troubled times.

Imagine—what if you had access to a simple yes-or-no answer to any question you wished to ask? A demonstrably true answer. Any question . . . think about it— from the Foreword We Think we live by forces we control, but in fact we are governed by power from unrevealed sources, power over which we have no control— from the author’s Preface The universe holds its breath as we choose, instant by instant, which pathway to follow: for the universe, the very essence of life itself, is highly conscious. Every act, thought, and choice adds to a permanent mosaic: our decisions ripple through the universe of consciousness to affect the lives of all— from Power vs. Force “[A] beautiful gift of writing . . . [You] spread joy, love, and compassion through what you write. The fruit of these three is peace, as you know . . .”— Mother Teresa . . . particularly timely . . . a significant contribution to understanding and dealing with the problems we face today.”— Lee Iacocca “[he] research and presentation on the attractor patterns of business . . .”— Sam Walton “Overwhelming! A masterpiece! A lifetime work!”— Sheldon Deal, President, International College of Applied Kinesiology

When reclusive novelist Senna Richards wakes up on her thirty-third birthday, everything has changed. Caged behind an electrical fence, locked in a house in the middle of the snow, Senna is left to decode the clues to find out why she was taken. If she wants her freedom, she has to take a close look at her past. But, her past has a heartbeat..and her kidnapper is nowhere to be found. With her survival hanging by a thread, Senna soon realizes this is a game. A dangerous one. Only the truth can set her free.

Chronicles of Nick

Queer Cinema in America: An Encyclopedia of LGBTQ Films, Characters, and Stories

The world has fallen in love with Nick Gautier and the Dark-Hunters. Now Nick’s saga continues in the next eagerly anticipated volume... Go to school. Get good grades. Stay out of trouble. That’s the mandate for most kids. But Nick Gautier isn’t the average teenager. He’s a boy with a destiny not even he fully understands. And his first mandate is to stay alive while everyone, even his own father, tries to kill him. He’s learned to annihilate zombies and raise the dead, and divination and clairvoyance, so why is learning to drive and keep a girlfriend so dang hard? But that isn’t the primary skill he has to master. Survival is. And in order to survive, his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known. Or he’ll be the one who ends the world. With enemies new and old gathering forces, he will have to call on every part of himself to fight or he’ll lose everyone he cares about. Even himself.

History of sex in the West from the ancients to the moderns by describing the developments in reproductive anatomy and physiology.

WINDY does not drink to forget. He just likes being drunk. Especially at school.CHATTY should not be in the English Army. But he is. Which is awkward when you are a lifelong hypochondriac. Windy is in love with Wendy, his second cousin once removed. But then so is Boswell, his third cousin once removed. The living should be easy for two young aristocrats at the turn of the 20th Century. Instead, they must help a deranged Headmaster with his scientifically dubious experiments, negotiate the terror of trench warfare and deal with the unwelcome advances of a certain German officer.But then cross-dressing is never, really, a good idea....

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine’s consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Seeker of Truth takes his rightful place as the new ruler of D’Hara in the 3rd novel of the #1 New York Timesbestselling author’s epic fantasy series. After escaping from the Palace of Prophets, Richard comes to terms with his true identity as a War Wizard. But when he brings down the barrier between the Old and New Worlds, the Imperial Order suddenly poses a threat to the the freedom of all humankind. As the Imperial Order sends delegations and armies into the New World, Richard’s only chance to stop the invasion is to claim his heritage as the new Lord Rahl and ruler of D’Hara. But convincing the D’Harans of his legitimacy won’t be easy. Meanwhile, a powerful enemy is on the trail of Richard’s love, Kahlan Amnell. And when the spell Richard cast to protect her is broken, he must martial his newfound authority—and the armies that come with it—to save her life.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

JACT Bulletin

"The kind of novel you never knew you were waiting for."—Marlon James An essential and revelatory coming-of-age narrative from a thrilling new voice, Rainbow Milk follows nineteen-year-old Jesse McCarthy as he grapples with his racial and sexual identities against the backdrop of his Jehovah’s Witness upbringing. In the 1950s, ex-boxer Norman Alonso is a determined and humble Jamaican who has immigrated to Britain with his wife and children to secure a brighter future. Blighted with unexpected illness and racism, Norman and his family are resilient, but are all too aware that their family will need more than just hope to survive in their new country. At the turn of the millennium, Jesse seeks a fresh start in London, escaping a broken immediate family, a repressive religious community and his depressed hometown in the industrial Black Country. But once he arrives he finds himself at a loss for a new center of gravity, and turns to sex work, music and art to create his own notions of love, masculinity and spirituality. A wholly original novel as tender as it is visceral, Rainbow Milk is a bold reckoning with race, class, sexuality, freedom and religion across generations, time and cultures.

Iconic bassist and co-founder of the immortal Red Hot Chili Peppers finally tells his fascinating life story, complete with all the dizzying highs and the gutter lows you'd expect from an LA street rat turned world-famous rock star.

A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundaments of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, Through the Language Glass is a classic of intellectual discovery.

Do you know what "quattrofoi" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

The Culture of Narcissism: American Life in An Age of Diminishing Expectations

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Kyrie McCauley, author of the William C. Morris YA Debut Award winner If These Wings Could Fly, delivers a powerful contemporary YA novel about the lasting bonds of friendship and three girls fighting for each other in the aftermath of a school shooting. Perfect for fans of Laura Ruby and Mindy McGinnis. Beck and Vivian never could stand each other, but they always tried their best for their mutual friend, Cassie. After the town moves on from Cassie’s murder too fast, Beck and Vivian finally find common ground: vengeance. They memorialize Cassie by secretly painting murals of her around town, a message to the world that Cassie won’t be forgotten. But Beck and Vivian are keeping secrets, like the third passenger riding in Beck’s VW bus with them—Cassie’s ghost. When their murals catch the attention of a podcaster covering Cassie’s case, they become the catalyst for a debate that Bell Firearms can no longer ignore. With law enforcement closing in on them, Beck and Vivian hurry to give Cassie the closure she needs—by delivering justice to those responsible for her death.

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, yet only a single man can stop him.

The classic thriller about a hostile foreign power infiltrating American politics: “Brilliant . . . wild and exhilarating.” —The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors’ signal. Now he’s been returned to the United States with a covert mission: to kill a candidate running for US president . . . This “shocking, tense” and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). “Crammed with suspense.” —Chicago Tribune “Condon is wickedly skillful.” —Time

What is the meaning of sex? Our society is obsessed with sex—and yet we don’t understand it at all. Acclaimed philosopher J. Budziszewski remedies the problem in this wise, gracefully written book about the nature, meaning, and mysteries of sexuality. On the Meaning of Sex corrects the most prevalent errors about sex— particularly those of the sexual revolution, which by mistaking pleasure for a good in itself has caused untold pain and suffering.

An aging New Yorker, a writer named Nick, feels life ebbing out of him. The world has gone to hell and Nick is so sick of it all that he can’t even have a glass of champagne. Then one night he meets a tantalizing young woman who agrees to come back to his apartment. Their encounter is the most strangely extraordinary of his life. Propelled by uncontrollable, primordial desires, he enters a new and unimagined dimension of the forbidden and is filled with a sexual and spiritual ecstasy that is as intense as it is unholy. Suddenly Nick’s senses are alive. He feels strong, unconquerable, beyond all inhibition and earthly morality. He indulges in life’s pleasures, pure and perverse, sublime and dangerous, from the delicate flavors of the perfect tomato to the fleshy beauty of a woman’s thigh. But Nick’s desire to sustain his rapture leads him to a madness and a darkness far greater and dreadful than have ever ridden the demon mares of night.

First published in 1987, New York Times bestseller, I’m With The Band has been reprinted throughout the years, all over the world. This is the stylish, exuberant and sweetly innocent tale of one of the most famous groupies of the 1960s and 70s. Beginning with Pamela Des Barres’ early obsession with Elvis, her own Beatlemania madness, and her fierce determination to meet the musicians who rocked her world, I’m With The Band illuminates the glory days of scintillating encounters with musical gods including Jim Morrison, Jimi Hendrix, Mick Jagger and Keith Moon. A girl just wanting to have fun, Des Barres immersed herself in the drugs, danger and ecstasy of the freewheeling 1960s. As a member of The GTOs (Girls Together Outrageously), an all-female group masterminded by Frank Zappa, Des Barres was in the thick of the most revolutionary renaissance in the history of modern popular music. She travelled with Led Zeppelin; lived in sin with Don Johnson; turned down a date with Elvis Presley; and was close friends with Robert Plant, Gram Parsons and Ray Davies. She had affairs with Mick Jagger, Jimmy Page, Keith Moon, Waylon Jennings, Chris Hillman, Noel Redding, and Jim Morrison, among others. A woman in possession of her own destiny, Des Barres played a trail for women’s life-writings, standing up for female voices and experience everywhere. From original diaries, told with great warmth,chutzpah and joie de vivre, this is a frank memoir that wears its heart on its sleeve, and recalls one of rock ‘n’ roll’s most thrilling eras. This edition contains new material from the author, including her response to the vitriolic shaming of groupies, and a foreword by Roisin O’Connor, rock journalist and music correspondent for the Independent.

Covering American transgender history from the mid-twentieth century to today, Transgender History takes a chronological approach to the subject of transgender history, with each chapter covering major movements, writings, and events. Chapters cover the transsexual and transvestite communities in the years following World War II; trans radicalism and social change, which spanned from 1966 with the publication of The Transsexual Phenomenon, and lasted through the early 1970s; the mid-’70s to 1990—the era of identity politics and the changes witnessed in trans circles through these years; and the gender issues witnessed through the ’90s and ’00s. Transgender History includes informative sidebars highlighting quotes from major texts and speeches in transgender history and brief biographies of key players, plus excerpts from transgender memoirs and discussion of treatments of transgenderism in popular culture.

It is not until Nik, the son of the leader from a rival, dominating clan strays across her path, that Mari experiences something she has never felt before... Now, darkness is coming, and with it, a force, more terrible and destructive than the world has ever seen, leaving Mari to cast the shadows from the earth. By forming a tumultuous alliance with Nik, she must make herself ready. Ready to save her true destiny...and obliterate the forces that threaten to destroy them all.

Required reading at Harvard Business School and Columbia Business School. Everyone wants to be more appealing and effective, but few believe we can manage the personal magnetism of a Bill Clinton or an Oprah Winfrey. John Neffinger and Matthew Kohut trace the path to influence through a balance of strength (the root of respect) and warmth (the root of affection). Each seems simple, but only a few of us figure out the tricky task of projecting both at once. Drawing on cutting-edge social science research as well as their own work with Fortune 500 CEOs, winners, Neffinger and Kohut reveal how we size each other up—and how we can learn to win the admiration, respect, and affection we desire.

“What Curiosity Kills, cracks open the world of Upper East Side prep-schoolers and literally turns it wild, bringing together the best parts of Gossip Girl, Twilight, and Buffy The Vampire Slayer... funny, fierce, and full of surprises.” -Hannah Tinti, ALA Alex Award-winning auth or of The Good Thief Nobody can know your secret. Nobody can know your power. But if nobody knows who you are to begin with, what’s stopping you? I whisper, “What’s so special about me all of a sudden?” Nick says, “The Turning.” Mary feels different, but can’t explain why. The fainting, noticed about her body. Mary doesn’t know where to turn. If she tells her parents or her sisters, she’ll risk losing everything. She has no other family, no way of knowing if what she’s going through is normal. Everyone she’s ever known and loved could reject her... “Helen Ellis is the kind of writer that makes the pages fly and the kind of friend readers will wish they had growing up.” -Hannah Tinti, ALA Alex Award-winning auth or of The Good Thief

Trans Bodies, Trans Selves

Open Book

True Story

What Aristotle, Lincoln, and Homer Simpson Can Teach Us about the Art of Persuasion

Wizard’s First Rule

Quirky quantum physics genius Brennan Craft and Black Ops researcher Alyssa Aronson race to find a way to keep an unstoppable jihadist in check.

There is no one way to be transgender. Transgender and gender non-conforming people have many different ways of understanding their gender identities. Only recently have sex and gender been thought of as separate concepts, and we have learned that sex (traditionally thought of as physical or biological) is as variable as gender (traditionally thought of as social). While trans people share many common experiences, there is immense diversity within trans communities. There are an estimated 700,000 transgendered individuals in the US and 15 million worldwide. Even still, there’s been a notable lack of organized information for this sizable group. Trans Bodies, Trans Selves is a revolutionary resource-a comprehensive, reader-friendly guide for transgender people, with each chapter written by transgender or genderqueer authors. Inspired by Our Bodies, Ourselves, the classic and powerful compendium written for and by women, Trans Bodies, Trans Selves is widely accessible to the transgender population, providing authoritative information in an inclusive and respectful way and representing the collective knowledge base of dozens of influential experts. Each chapter takes the reader through an important transgender issue, such as race, religion, employment, medical and surgical transition, mental health topics, relationships, sexuality, parenthood, arts and culture, and many more. Anonymous quotes and testimonials from transgender people who have been surveyed about their experiences are woven throughout, adding compelling, personal voices to every page. In this unique way, hundreds of viewpoints from throughout the community have united to create this strong and pioneering book. It is a welcoming place for transgender and gender-questioning people, their partners and families, students, professors, guidance counselors, and others to look for up-to-date information on transgender life.

“A gripping, ripped-from-headlines tale.”—People “Spellbinding.”—Megan Abbott, The New York Times Book Review Tracing the fifteen-year fallout of a toxic high school rumor, a riveting, astonishingly original debut novel about the power of stories—and who gets to tell them 2015. A gifted and reclusive ghostwriter, Alice Lovett makes a living helping other people tell their stories. But she is haunted by the one story she can’t tell: the story of, as she puts it, “the things that happened while I was asleep.” 1999. Nick Brothers and his lacrosse teammates return for their senior year at their wealthy Maryland high school as the reigning state champions. They’re on top of the world—until two of his friends drive a passed-out girl home from of the team’s “legendary” parties, and a rumor about what happened in the backseat spreads through the town like wildfire. The boys deny the allegations, and, eventually, the town moves on. But not everyone can. Nick descends into alcoholism, and Alice builds a life in fits and starts, underestimating herself and placing her trust in the wrong people. When she finally gets the opportunity to confront the past she can’t remember—but which has nevertheless shaped her life—will she take it? An inventive and breathtaking exploration of a woman finding her voice in the wake of trauma, True Story is part psychological thriller, part fever dream, and part timely comment on sexual assault, power, and the very nature of truth. Ingeniously constructed and full of twists and turns that will keep you guessing until the final pages, it marks the debut of a singular and daring new voice in fiction.

The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she’s kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn’t want to lie. Jessica couldn’t be authentic with her readers if she wasn’t fully honest with herself first. Now America’s Sweetheart, preacher’s daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she’s never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she’s learned and shows the real woman behind all the pop-culture clichés – “chicken or fish,” “Daisy Duke,” “football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Making Sex

Through the Language Glass

The Advocate

Imagine: An explosive vaginal orgasm that doesn't require a perfect sex partner. An orgasm without exhaustion or convoluted gymnastics. An orgasm that you control. Thanks to Barbara Keesling, Ph.D., this type of sexual fulfillment can now be any woman's reality. Dr. Keesling has identified the cul-de-sac -- an area of extreme sensitivity in the vaginal canal that enables any woman to have a Super Sexual Orgasm! Normally hidden beneath the uterus and just beyond the cervix, the cul-de-sac is so extraordinarily rich in sensitive nerve endings that the slightest contact can trigger a powerful, consuming, instantaneous orgasm.To reveal this secret and bring this ultimate sensation into your sex life, Dr. Keesling has devised a series of simple exercises designed to tighten the PC muscle, lift and flatten the uterus, and expose the usually hidden cul-de-sac. These exercises can work for all women -- from the highly orgasmic to the silent majority who have been suffering snoregams. The cul-de-sac will become a woman's best-loved secret, for it will allow her to have consistent, euphoric orgasms that she can fully control. Dr. Keesling also includes sensual exercises for women to practice after they have mastered the Super Sexual Orgasm and exercises for couples to practice together, so that women can fully incorporate Super Sexual Orgasm into their lives in a mind-body-spirit approach. Barbara Keesling, Ph.D., is the author of Talk Sexy to the One You Love, How to Make Love All Night and Sexual Pleasure. She has taught human sexuality and psychopathology at several southern California universities. "What is the one word that is pivotal to female sexuality? Control.What I'm saying is this: Women want to have control of their sexual energies. They want to fully enjoy every scintilla of their lovemaking, from sensual caressing to supersonic climaxes, and once you discover the magic of Super Sexual Orgasm, you will be able to decide if you want to have your explosive climax at the beginning of intercourse or wait till your partner is on the verge of orgasm or have multiple explosive orgasms or have it all! All of this is available to you. You will have the control. Isn't this what you want?" -- Barbara Keesling, Ph.D.

This reference helps readers navigate the perilous odyssey those of an LGBTIQ orientation had to face in an age less enlightened than our own, when an attraction to members of the same gender could lead to horrendous abuse. A timeline highlights key events in LGBTQ cinema history. An introduction overviews the history of queer cinema in America. Alphabetically arranged reference entries provide fundamental and critical information about films, directors, actors, themes, and other topics related to queer cinema in America. Fascinating anecdotes bring LGBTQ cinema history to life. Sidebars provide interesting trivia. Entry bibliographies direct readers to additional sources of information.
