

Part Of The Pride My Life Among The Big Cats Of A

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world,," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his life and from that of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes

A lion keeper explains how he has used understanding and trust-building to develop deep bonds with predatory animals, and describes his work with lions as part of an effort to challenge popular misconceptions and raise awareness. I don't trust words, I even question actions, but I never doubt patterns. Put good vibes and motivation back into your day with this coloring book for adults. It also includes a variety of pretty patterns to make your life more relaxed and enjoyable. You don't need any special skills. Even if you haven't drawn anything, ever, you will enjoy coloring in this booklet. Let your inner artist out. Guaranteed hours of pleasure, relaxation and relief from stress. Each drawing is on a separate page, so you can share. This coloring book is the perfect gift for friends, family, and anyone else you love. Join us in this special journey It will inspire you and introduce you to the hidden artist found in all of us.

The Little Book of Pride is a vibrant and joyful celebration of love and liberation. Through a collection of inspiring tips and exercises, and positive quotes from pioneering LGBTQ+ heroes, learn about the movement and power of pride.

Make Your Bed

Protest, Power, and Pride in the History of Queer Liberation

A Grandmother's Gratitude Journal

My Pride, His Prejudice

When Will Darcy processes out of the blue, Eliza Bennet's world comes crashing down. Of course she tells him no, but why would he ask her in the first place? Haven't they always been enemies? For the past year, Eliza has worked for Will's company, Revolutionary Innovations, as an efficiency expert. Her whole goal has been to raise profits, finish her contract, and then get out. She assumed Will wanted the same, but now she's not so sure. And more importantly, she has begun to wonder if she made a mistake in telling him no. Jenni James, author of The Jane Austen Diaries series for teens, does it again! Now she's creating a whole new series just for adults, Austen in Love. Book #1 is a delightful adaptation of Pride and Prejudice that has all the components of Jane Austen's amazing love story, sticking true to the original theme, while taking modern liberties to give this a fresh, new twist for the clean romance genre.

THE obligation, which was promised to the blessed Pope Castor in the preface to those volumes which with God's help I composed in twelve books on the Institutes of the Coenobia, and the remedies for the eight principal faults, has now been, as far as my feeble ability permitted, satisfied. I should certainly like to see what was the opinion fairly arrived at on this work both by his judgment and yours, whether, on a matter so profound and so lofty, and one which has never yet been made the subject of a treatise, we have produced anything worthy of your notice, and of the eager desire of all the holy brethren. But now as the aforesaid Bishop has left us and departed to Christ, meanwhile these ten Conferences of the grandest of the Fathers, viz, the Anchorites who dwell in the desert of Scete, which he, fired with an incomparable desire for saintliness, had bidden me write for him in the same style (not considering in the greatness of his affection, what a burden he placed on shoulders too weak to bear it)—these Conferences I have thought good to dedicate to you in particular, O blessed Pope, Leontius, and holy brother Helladius. Aeterna Press In "Part of the Pride", Kevin Richardson, recently dubbed "The Lion Man" on 60 Minutes, tells the story of how he grew from a young boy who loved animals to become a man able to cross the divide between humans and predators, looking some of the world's most dangerous animals directly in the eye, playing with them and even kissing them on the nose-all without ever being attacked or injured. As a self-taught animal behaviorist, Richardson has broken every safety rule known to humans when working with these wild animals. Flouting common misconceptions that breaking an animal's spirit with sticks and chains is the best way to subdue them, he uses love, understanding and trust to develop personal bonds with them. His unique method of getting to know their individual personalities, what makes each of them angry, happy, upset, or irritated has caused them to accept him like one of their own into their fold. Richardson allows the animals' own stories to share center stage as he tells readers about Napoleon and Tau, the two he calls his "brothers"; the amazing Meg, a lioness Richardson taught to swim; the fierce Tsavo who savagely attacked him; and the heartbreaking little hyena called Homer who didn't live, to see his first birthday. In "Part of the Pride", Richardson, with novelist Tony Park, delves into the mind of the big cats and their world to show readers a different way of understanding the dangerous big cats of Africa.

This modern adaptation of Jane Austen's beloved novel gives readers a deep-fried taste of their favorite characters.

Disability, Queerness, and Liberation

Tearing Down Walls, Walking in His Grace

Henry is generally well-behaved, but he is occasionally arrogant and vain. Henry is at heart a hard worker, but his frequent bouts of illness hinder his work.

A leading psychologist reveals how our most misunderstood emotion--pride--has shaped our minds and our culture, and shows how we can harness its power. Why did Paul Gauguin abandon middle-class life to follow the path of a starving artist? What inspired Bill Gates to give away so much of his hard-won fortune? How has Donald Trump succeeded so excessively, when his winning style could easily be his greatest liability? As the renowned emotion researcher Jessica Tracy reveals inTake Pride, each of these superachievers has been motivated by an often maligned emotion: pride. Its dark, hubristic side is well known, but Tracy shows that pride is also essential for helping us become our best, brightest selves. By making us care about how others see us and how we see ourselves, pride makes us strive for excellence. In the right doses and the right contexts, it has been proven to boost creativity, motivate altruism, and confer status and power on those who display it. InTake Pride, Tracy explains why we came to feel pride and how we can make this double-edged emotion serve us--rather than the other way around.

FEATURED ON THE COVER OF TIME MAGAZINE AS A 2021 NEXT GENERATION LEADER " A once-in-a-generation voice. " – Vulture " One of our greatest living writers. " – Shondaland A full-throated and provocative memoir in letters from the New York Times-bestselling author. " a dazzling literary talent whose works cut to the quick of the spiritual self. " —Esquire In three critically acclaimed novels, Akwaeke Emezi has introduced readers to a landscape marked by familial tensions, Igbo belief systems, and a boundless search for what it means to be free. Now, in this extraordinary memoir, the bestselling author of The Death of Vivek Oji reveals the harrowing yet resolute truths of their own life. Through candid, intimate correspondence with friends, lovers, and family, Emezi traces the unfolding of a self and the unforgettable journey of a creative spirit stepping into power in the human world. Their story weaves through transformative decisions about their gender and body, their precipitous path to success as a writer, and the turmoil of relationships on an emotional, romantic, and spiritual plane, culminating in a book that is as tender as it is brutal. Electrifying and inspiring, animated by the same voracious intelligence that distinguishes their fiction, Dear Senthran is a revelatory account of storytelling, self, and survival.

IN PART I, YOU WILL DISCOVERThe Hidden Truths About Yourself and Learn How To Live Up To Your Potential!Were you one of those kids in school? You know which ones. Were you one of those kids who had a note from the teacher on every report card that said, "Johnny isn't living up to his potential!It's funny but did you ever think that the teacher had a rubber stamp with that phrase that she used to label every student? Actually, she wouldn't have been far from the truth even if she graded you today!Most people fail to live up to their potential. Why is that? Life gets in the way for one thing. But, more importantly, we have allowed ourselves to be crammed into a mold of how other people perceive us. The only way this can happen is if you have allowed others to manipulate and define who you are. It's easy to do. Somewhere it's written that it takes 21 days to create a habit. If that's the case then it should take 21 days to eliminate the habit, right?Unfortunately it isn't that simple. Why? The answer lies somewhere in between your self-image and self-esteem.Do any of these circumstances apply to you?Have you become argumentative?Do you give or get the silent treatment from your partner?Does your spouse nag?Is your home life in shambles?Kids out of control?Do you feel angry all the time?Have set goals only to fail to meet them?Would you like to laugh more?Are you experiencing feelings of helplessness?You can take control and make huge steps toward improving your outlook on life. What you must change is not your circumstances, but your self-esteem.IN PART II - YOU WILL DISCOVERHow You Can Tap Into Your Own Psyche & Build Your Self-ConfidenceThe best part is that you can learn how to do this in 15 powerful chapters that will boost success in your personal as well as professional life quickly and easily. . . .Guaranteed!Can you imagine having the secrets that instantly put incredible power into your words and attitude? We are talking about the ability to persuade and inspire others easily and confidently.Well, we are here to tell you that you can learn the secrets and skills necessary to unlock your own personal power. You will discover how to use that powerful self-confidence to exercise control over your circumstances and influence others in your personal as well as professional life!Some of the most powerful tools to build your confidence and influence more customers, grab more profits, and achieve new heights in your personal life as well are just a click away. You'll find secrets that show you how to conquer: -Fear of rejection-Fear of loss-Fear of failure-Fear of people-Physical stumbling blocks-Re-training "sell talk"-Goal settingAnd that's just the beginning of what you'll discover here! How to Improve Self-Confidence will turn even the most socially challenged person into a convincing powerhouse just oozing with confidence! It doesn't matter how high or low your confidence level is right now...these time-tested secrets are the quickest, easiest, and most reliable way to boost your confidence through the first steps!erell can't even begin to describe how powerfully these secrets can affect your life! And you can find it all here, in this exciting new ebook...You will discover: -How to overcome the most deadly killer of confidence known to man. . . -fear -How a few simple subtle changes in your posture can increase your confidence. -How to set goals. Everyone says to do it, but who teaches you how?How to literally talk yourself into success..How to anticipate and overcome negative situations before they occur..How to establish your authority to convince others that you're a force to be reckoned with!If you are tired of always being a "background player" to success because of your own self imposed limitations, if you are ready to instantly inspire the people around you, then you must read this book.

First published in 1998, the groundbreaking Exile and Pride is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, Exile and Pride pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

THE BOOK OF PRIDE captures the true story of the gay rights movement from the 1960s to the present, through richly detailed, stunning interviews with the leaders, activists, and ordinary people who witnessed the movement and made it happen. These individuals fought battles both personal and political, often without the support of family or friends, frequently under the threat of violence and persecution. By shining a light on these remarkable stories of bravery and determination, THE BOOK OF PRIDE not only honors an important chapter in American history, but also empowers young people today (both LGBTQ and straight) to discover their own courage in order to create positive change. Furthermore, it serves a critically important role in ensuring the history of the LGBTQ movement can never be erased, inspiring us to resist all forms of oppression with ferocity, community, and, most importantly, pride

Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note.

Lovely Love

Elizabeth Bennet may capture Mr. Darcy's heart, but what is the truth of her past?When Fitzwilliam Darcy meets Miss Elizabeth Bennet, a simple country girl from a humble estate, he has no idea that she-and indeed, the entire town of Meryton-harbours a secret. Before she meets Darcy, Elizabeth has spent two years hiding from the men who killed her beloved first husband. Feeling destroyed by love, Elizabeth is certain she will never loving again, certainly not the haughty man who can do nothing but offend her in Hertfordshire.In time, Elizabeth surprises herself by finding in Darcy a friend; even greater is her surprise to find herself gradually coming to love him and? even accepting an offer of marriage from him. As the newlyweds are just beginning to settle into their happily-ever-after, a condemned man on his way to the gallows divulges a shattering truth, a secret that contradicts everything Elizabeth thought she knew about the tragic circumstances of her first marriage. Against the advice of everyone who loves her-including Darcy-Elizabeth begins to ask questions. But the truth could destroy them both.

A GOOD MORNING AMERICA BOOK CLUB PICK "A] propulsive, deeply felt tale of race and friendship." —People "We Are Not Like Them will stay with you long after you turn the last page." —Laura Dave, New York Times bestselling author of The Last Thing He Told Me Told from alternating perspectives, an evocative and riveting novel about the lifelong bond between two women, one Black and one white, whose friendship is indelibly altered by a tragic event—a powerful and poignant exploration of race in America today and its devastating impact on ordinary lives. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones's An American Marriage and Jodi Picoult's Small Great Things, We Are Not Like Them explores complex questions of race and how they pervade and shape our most intimate spaces in a deeply divided world. But at its heart, it's a story of enduring friendship—a love that defies the odds even as it faces its most difficult challenges.

After injuring his hand, a silversmith's apprentice in Boston becomes a messenger for the Sons of Liberty in the days before the American Revolution.

The classic, bestselling book on the psychology of racism -- now fully revised and updated Walk into any racially mixed high school and you will see Black, White, and Latino youth clustered in their own groups. Is this self-segregation a problem to address or a coping strategy? Beverly Daniel Tatum, a renowned authority on the psychology of racism, argues that straight talk about our racial identities is essential if we are serious about enabling communication across racial and ethnic divides. These topics have only become more urgent as the national conversation about race is increasingly acrimonious. This fully revised edition is essential reading for anyone seeking to understand the dynamics of race in America.

Two plays about the legal battle to decriminalize homosexuality in India. On September 6, 2018, a decades-long battle to decriminalize queer intimacy in India came to an end. The Supreme Court of India ruled that Section 377, the colonial anti-sodomy law, violated the country's constitution. "LGBT persons," the Court said, "deserve to live a life unshackled from the shadow of being 'unapprehended felons.'" But how definitive was this end? How far does the law's hodgepodge fall? How clear is the line between the past and the future? What does it mean to live with full sexual citizenship? In Love and Reparation, Danish Sheikh navigates these questions with a deft interweaving of the legal, the personal, and the poetic. The two plays in this volume leap across court transcripts, affidavits (real and imagined), archival research, and personal memoir. Through his re-staging, Sheikh crafts a genre-bending exploration of a litigation battle, and a celebration of defiant love that burns bright in the shadow of the law.

A young child and their family are having a wonderful time together celebrating Pride Day-meeting up with Grandma, making new friends and eating ice cream. But then something terrible happens: their dog gets lost in the parade! Luckily, there are lots of people around to help reunite the pup with his family. This rhyming alphabet book tells a lively story, with rich, colorful illustrations that will have readers

poring over every detail as they spot items starting with each of the letters of the alphabet. An affirming and inclusive book that offers a joyful glimpse of a Pride parade and the vibrant community that celebrates this day each year.

Do you feel stuck in life, not knowing how to make it more successful? Do you wish to become more popular? Are you craving to earn more? Have pride in history. A rich and sweeping photographic history of the Queer Liberation Movement, from the creators and curators of the massively popular Instagram account *LGBT History*. "If you think the fight for justice and equality only began in the streets outside Stonewall, with brave patrons of a bar fighting back, you need to read *We Are Everywhere* right now. "—Anderson Cooper Through the lenses of protest, power, and pride, *We Are Everywhere* is an essential and empowering introduction to the history of the fight for queer liberation. Combining exhaustively researched narrative with meticulously curated photographs, the book traces queer activism from its roots in late-nineteenth-century Europe—long before the pivotal Stonewall Riots of 1969—to the gender warriors leading the charge today. Featuring more than 300 images from more than seventy photographers and twenty archives, this inclusive and intersectional book enables us to truly see queer history unlike anything before, with glimpses of activism in the decades preceding and following Stonewall, family life, marches, protests, celebrations, mourning, and Pride. By challenging many of the assumptions that dominate mainstream LGBTQ+ history, *We Are Everywhere* shows readers how they can—and must—honor the queer past in order to shape our liberated future.

JT feels like his life's hit a dead end. It looks like he'll always be stuck in Florida. His parents are anti-supportive. And his boyfriend, Seth, seems to be moving toward a bright future a long way from home. Scholarship money is nonexistent. After-school work will only get JT so far. There's only one shot for him -- to become the next Miss Drag Teen in New York City. The problem with that? Well, the only other time JT tried drag (at a school talent show), he was booted off the stage. And it's not exactly an easy drive from Florida to New York. But JT isn't going to give up. He, Seth, and their friend Heather are going to drag race up north so JT can capture the crown, no matter how many feisty foes he has to face. Because when your future is on the line, you have to be in it to win it, one fraught and fabulous step at a time.

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on the same truth: In order to walk in God's grace we need to tear down the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

Megan Kimble has finally freed herself from years of abuse at the hands of her ex. Now she can finally start a new life and figure out just who she really is. When her brother Matt dies suddenly, she takes a big risk and moves cross country to live in his house and take over his new business. This could be the chance she's needed. There's only one problem now. She can't seem to escape the irresistible charm of her departed brother's best friend. Todd Jordan just lost his best friend and business partner. Watching Matt's sister move into town, his attraction to her is instant. Can he prove to her that all men are not the same, and resist his own desires as she learns to trust again? Overcoming the odds is just part of their journey. The two must first survive a fateful visit from Megan's ex to have any chance at happiness. Finding Pride is book one of the Pride Series Romance Novels, a sexy contemporary romance series by Jill Sanders.

Finding Pride

Why the Deadliest Sin Holds the Secret to Human Success

Little Things That Can Change Your Life . . . And Maybe the World

Perfect for fans of the Lady Janies and Stalking Jack the Ripper, the first book in the Jane Austen Murder Mysteries series is a clever retelling of Pride and Prejudice that reimagines the iconic settings, characters, and romances in a thrilling and high-stakes whodunit. When a scandalous murder shocks London high society, seventeen-year-old aspiring lawyer Lizzie Bennet seizes the opportunity to prove herself, despite the interference of Mr. Fitzwilliam Darcy, the stern young heir to the prestigious firm Pemberley Associates. Convinced the authorities have imprisoned the wrong person, Lizzie vows to solve the murder on her own. But as the case-and her feelings for Darcy-become more complicated, Lizzie discovers that her dream job could make her happy, but it might also get her killed.

Kidnapped by the Druiks and taken to Druik Void, located in a future realm, Dr. Elizabeth Clark is caged like an animal in a laboratory filled with humanoid specimens from other dimensions. Seduced by two sexy shape-shifters trapped with her, she is persuaded to escape. Will she survive the frantic journey to safety or fall prey to the insatiable shifters?

Sex education materials meant to explain important basics to kids are too-often not written with an empathic understanding of what those basics are. This is particularly obvious regarding books that include LGBTQ identities. Even when they do hit the mark, many have a limited scope and don't take into account the practical realities of developing sexuality. The Pride Guide is written explicitly for the almost ten percent of teenagers who identify as gay, lesbian, bisexual, trans, or any of the unique identities that are not heterosexual/ cisgendered. It explores sex, dating, relationships, puberty, and both physical and online safety in one resource. The issue, today, is not whether or not queer youth will get sex education. The issue is how and where they will gather information and whether or not the information they gather will be applicable, unreliable, or exploitative. Equipping teens and their families with knowledge and self-confidence, this work provides the best protection against the unfortunate consequences that sometimes accompany growing up with an alternative gender or identity. With real-world information presented in a factual and humorous way, responsible adults can teach queer youth to (and how to) protect themselves, to find resources, to explore who they are, and to interact with the world around them while being true to themselves and respectful of others. Written with these issues in mind, The Pride Guide covers universal topics that apply to everyone, such as values clarification, digital citizenship, responsibility, information regarding abstinence as well as indulgence, and an understanding of the consequences and results of both action and inaction. For LGBTQ youth, this is a resource containing information on the unique issues queer youth face regarding what puberty looks like (particularly for trans youth), dating skills and violence, activism, personal safety, and above all, pride. Parents and other supportive adults who are motivated to educate themselves and who are interested in gaining some tools and skills around making these necessary conversations less uncomfortable and more effective will benefit from this book. The go-to resource for making informed decisions, The Pride Guide is indispensable for teens, parents, educators, and others hoping to support the safe journey of LGBTQ teens on their journey of discovery.

She was a bitter trick the devil ever put but was convincing the world he didn't exist. But who said the devil was a he?In my world, she was out to cause havoc on all our lives. She'll use the one thing I care most about to control me-force me into her elite world, filled with sin, deceit, and power. And under her spell, I'll lead a sinister brotherhood of seven at one of the most prestigious universities in New Orleans.Seven tasks set forth by the devil herself, promising nothing less than the forbidden fruit of power. What they don't understand is it will all end in bloodshed and regret. They call me the alpha. The one in charge. The one with pride bigger than any task I could be given. And my pride won't let me be anywhere but at the top of the food chain until she gives me what I truly want. My task is Meghan Benedict. She's too pure for me to touch, too good for me to ruin-and the only thing standing in my way to freedom.Accept your sin wisely, for the tasks given to earn your place are not for the weak...they're for The Elite.As they say, pride comes before the fall.I am Mason Blackwell. I am Pride.

The definitive translation by Dick Davis of the great national epic of Iran—now newly revised and expanded to be the most complete English-language edition A Penguin Classic Dick Davis—"our pre-eminent translator from the Persian" (The Washington Post)—has revised and expanded his acclaimed translation of Ferdowsi's masterpiece, adding more than 100 pages of newly translated text. Davis's elegant combination of prose and verse allows the poetry of the Shahnameh to sing its own tales directly, interspersed sparingly with clearly marked explanations to ease along modern readers. Originally composed for the Samanid princes of Khorasan in the tenth century, the Shahnameh is among the greatest works of world literature. This prodigious narrative tells the story of pre-Islamic Persia, from the mythical creation of the world and the dawn of Persian civilization through the seventh-century Arab conquest. The stories of the Shahnameh are deeply embedded in Persian culture and beyond, as attested by their appearance in such works as The Kite Runner and the love poems of Rumi and Hafez. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Thousands of years ago in the shadow of a vast mountain range, a race of dragons awoke. Not knowing who they were, where they came from or how they fell asleep in the first place, the dragons began to make a place for themselves in the world. Perhaps the most magnificent of this new race was Agathon. In a time of unprecedented peril for their kind, the dragons turned to Agathon to save their species from the constant human threat. Thus, the great plan was born. Today, life for Petros Renault couldn't be more perfect. As he prepares to graduate from university and head off to an elite post-graduate program he's also preparing to ask the girl he loves to marry him. Everything was perfect, until the headaches came. Struggling to understand the whats and whys of the pain which became his new reality, Petros discovers his mysterious connection to an ancient race thought only to be the stuff of legends and myth.

Pride and Prejudice gets remixed in this smart, funny, gorgeous retelling of the classic, starring all characters of color, from Ibi Zoboi, National Book Award finalist and author of American Street. Zuri Benitez has pride, Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding. But

with four wild sisters pulling her in different directions, cute boy Warren vying for her attention, and college applications hovering on the horizon, Zuri fights to find her place in Bushwick's changing landscape, or lose it all. In a timely update of Jane Austen's *Pride and Prejudice*, critically acclaimed author Ibi Zoboi skillfully balances cultural identity, class, and gentrification against the heady magic of first love in her vibrant reimagining of this beloved classic.

Children from different kinds of families demonstrate the original meanings of the colors in the rainbow flag, and then come together at a Pride parade.

My Pride & My Dignity

We Are Not Like Them

This Side of Paradise

Part of the Pride

Pride and Prejudice is one of the best known books by English author Jane Austen. It was first published in 1813, and remains very popular over two hundred years later. The book tells the story of Elizabeth Bennet, a young woman who lives in rural England. Her mother's main ambition is to see her, along with her four sisters - Jane, Mary, Catherine, and Lydia - married off to wealthy men. At a ball, Elizabeth meets Fitzwilliam Darcy, a wealthy, handsome, intelligent man. He dances with Jane and does not seem attracted to Elizabeth. However, as the story progresses and they become more acquainted with each other, he finds himself falling for her, and she realises that under his proud and aloof exterior, he is a kind and decent man. Despite the obstacles in their way (including the jealous, snobby Caroline Bingley, who has her eyes on Darcy herself and believes that Elizabeth does not have enough social standing to marry him), the two get together, much to the happiness of Mr and Mrs Bennet. At the heart of it, this is a romance book, but it is also considered by some to be a satire in it's depiction of marriage, manners, etc, in early nineteenth century England. At a time when marriage within wealthy families was more about social status, the story departs from this - Elizabeth and Darcy fall in love. In fact, she only accepts his proposal when she is certain about that love

A moral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of The Laws of Human Nature. In the book that People magazine proclaimed “beguiling” and “fascinating.” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

A poetic translation of the classic Arthurian story is an edition in alliterative language and rhyme of the epic confrontation between a young Round Table hero and a green-clad stranger who compels him to meet his destiny at the Green Chapel. Reprint. 20,000 first printing.
