**A beautiful synthesis of Robin Hood legends. --Marion Zimmer Bradley With her king a captive and her coffers drained, England is left in turmoil during the Crusades. After the death of her father in the Holy Land, Lady Marian of Ravenskeep finds herself alone--and at the mercy of men vying for her lands and her beauty. Thrust into games of political intrigue, the sheltered knight's daughter soon learns to trust no one. . . Afforded a hero's homecoming, Sir Robert of Locksley returns from the Crusades a shattered man. In a country he barely recognizes, one torn apart by treachery and betrayal, he finds in Marian a kindred soul. Their quest for justice will take them into the depths of Sherwood Forest, where the dream of a new England will be born. . . "An imaginative and riveting novel, impossible to put down." --Booklist "Robinson expertly evokes the sensations and frustrations of medieval life." --Kirkus "A diverting, delightful book." --Publishers Weekly**

**The inspiring and hilarious story of Patch Adams's quest to bring free health care to the world and to transform the way doctors practice medicine • Tells the story of Patch Adam's lifetime quest to transform the health care system • Released as a film from Universal Pictures, starring Robin Williams Meet Patch Adams, M.D., a social revolutionary who has devoted his career to giving away health care. Adams is the founder of the Gesundheit Institute, a home-based medical practice that has treated more than 15,000 people for free, and that is now building a full-scale hospital that will be open to anyone in the world free of charge. Ambitious? Yes. Impossible? Not for those who know and work with Patch. Whether it means putting on a red clown nose for sick children or taking a disturbed patient outside to roll down a hill with him,**

**Adams does whatever is necessary to help heal. In his frequent lectures at medical schools and international conferences, Adams's irrepressible energy cuts through the businesslike facade of the medical industry to address the caring relationship between doctor and patient that is at the heart of true medicine. All author royalties are used to fund The Gesundheit Institute, a 40-bed free hospital in West Virginia. Adams's positive vision and plan for the future is an inspiration for those concerned with the inaccessibility of affordable, quality health care. Today's high-tech medicine has become too costly, impersonal, and grim. In his frequent lectures to colleges, churches, community groups, medical schools, and conferences, Patch shows how healing can be a loving, creative, humorous human exchange--not a business transaction.**

**A biography of singer, dancer and actress Ruta Lee**

**The delights of Dumas' novels are well known. Less known today are his tales of Robin Hood. With pleasure, we present these two old works to a new century of readers. English versions of "The Prince of Thieves" and "Robin Hood the Outlaw" have virtually disappeared from bookshelves; they are now edited, corrected, and made accessible to the world in print and e-formats, by the Reginetta Press. In this first volume, "The Prince of Thieves," Alexandre Dumas relates his own unique version of Robin Hood's origins and upbringing, how Robin was robbed of his heritage, how Robin becomes acquainted with Marian, Little John, Friar Tuck, and the Merrie Men, and the events leading up to Robin Hood's life as an outlaw. Alfred Allinson's translation lends enchantingly antique wording, transporting us to the charm of a**

"The small town of Elroy, South Carolina is thrust into the evangelical spotlight when what seems to be the image of Jesus appears on a refrigerator in a trailer park. The discovery by Lou Ann Hightower, her husband Dwayne, and her best friend Betsy, sets into motion a frenzy of conflict, communion and good old fashioned commerce. When the National Investigator turns the appearance into front-page headlines, their trailer park becomes a Mecca for miracle seekers, soul searchers and disciples with a decidedly political agenda. At the urging of the towns business leaders, Betsy pretends to get messages from the appliance-based apparition, and the crowds multiply like loaves and fishes. Through the ordeal, the three undergo an evolution

in their relationships with each other, and they are forced to come to grips with their lowly status in the caste system of the rural south. In a region where religion is as much a part of life as grits and cotton fields, God surely moves in mysterious ways."--Publisher's website.

While playing in a pool on the side of the mountain, Isaac follows the water to a river, a waterfall, and the great ocean, in a book that celebrates the water cycle.

Understanding Cultural Geography: Places and Traces offers a comprehensive introduction to perhaps the most exciting and challenging area of human geography. By focusing on the notion of 'place' as a key means through which culture and identity is grounded, the book showcases the broad range of theories, methods and practices used within the discipline. This book not only introduces the reader to the rich and complex history of cultural geography, but also the key terms on which the discipline is built. From these insights, the book approaches place as an 'ongoing composition of traces', highlighting the dynamic and ever-

changing nature of the world around us. The second edition has been fully revised and updated to incorporate recent literature and up-to-date case studies. It also adopts a new seven section structure, and benefits from the addition of two new chapters: Place and Mobility, and Place and Language. Through its broad coverage of issues such as age, race, scale, nature, capitalism, and the body, the book provides valuable perspectives into the cultural relationships between people and place. Anderson gives critical insights into these important issues, helping us to understand and engage with the various places that make up our lives. Understanding Cultural Geography is an ideal text for students being introduced to the discipline through either undergraduate or postgraduate degree courses. The book outlines how the theoretical ideas, empirical foci and methodological techniques of cultural geography illuminate and make sense of the places we inhabit and contribute to. This is a timely update on a highly successful text that incorporates a vast foundation

of knowledge; an invaluable book for lecturers and students.

Robin Hood 2: Piracy, Paintballs & Zebras  
Of Great Renown in Nottinghamshire

The Musical

Secret Wars, Too

Gangland UK

The Prince of Thieves

It was one of the most brutal killing crusades that Britain has ever seen. Two cruel brothers and their henchmen, synonymous with robbery, torture and bribery, presided over a murderous reign so brutal that Nottingham became forth in the UK's gun crime league. This is just one of the shocking true stories contained in this chilling book. Having delved into the minds of world's most notorious murderers and published his findings in the best-selling Talking with Serial Killers, renowned true-

crime author Christopher Berry-Dee now turns his attention to the machinations of the gangster's mind and documents the extent of their cruelty and brutishness. From Tam McGraw, one of Scotland's most infamous gangsters, to 'public enemy number one' Kenny Noye, every type of British gangster is examined. Although they are all very different, they do share a particular trait: a willingness to do anything to get what they want. While the reader may be able to breathe a sigh of relief that the characters in this book have been banished from our streets, gangland UK is also a sharp reminder of the dangers still out there. Here are htr startling portraits of thos eciminals who we would rather dorget...but won't be able to.

Share in fifty years of a really remarkable cat... The classic Christmas story with Mog, everyone's favourite family cat! This funny and warm-hearted escapade comes as a stunning full-colour ebook, read by the inimitable GERALDINE MCEWAN.

When reclusive crime writer Daniel Quinn receives a mysterious call seeking a private detective in the middle of the night, he quickly and unwittingly becomes the protagonist in a thriller of his own. As the familiar territory of the noir detective genre

**Robin Hood lives... When Clare Gisborne and Little John returns to school after the Locksley Riot, there's rebellion in the air and Robin Hood's name graffitied on**

every wall. Power dynamics are shifting - now, instead of being a feared bully, the daughter of Locksley's most hated criminal finds herself shunned by classmates and pelted with yoghurt and rotting fruit. Meanwhile at Sherwood Designer Outlets, Robin has plans of his own. He is determined to hack Sheriff Marjorie's office so that the rebels know her every move - and to work with animal rights activists to end a cruel trophy hunt inside the grounds of Sherwood Castle... Praise for Robin Hood: Hacking, Heists & Flaming Arrows: 'Muchamore writes with tremendous energy and his dialogue flies as fast as Robin's arrows ... A new series that strikes the bullseye.' - The Times 'Intensely readable, outrageously enjoyable action.' - Guardian

Das Handbuch zur Mittelalterrezeption im Musiktheater verfolgt wissenschaftlich eine doppelte Zielsetzung: Zum einen soll es als Nachschlagewerk grundlegende Informationen zur Rezeption wichtiger einschlägiger Sujets bieten und dabei den aktuellen Forschungsstand dokumentieren; zum andern kann es den Skopus je fachgeschichtlich ausgerichteter Forschungen erweitern, indem es am Wandel der Mittelalterinszenierungen charakteristische kulturgeschichtliche Zusammenhänge rekonstruiert. Die 40 paradigmatischen Sujets bzw. Stoffgebiete sind ausgewählt einerseits nach Maßgabe ihrer aktuellen Präsenz auf der Opernbühne, andererseits aufgrund besonderer kulturgeschichtlicher Signifikanz. Gattungsmäßig konzentriert sich das Handbuch auf Oper bzw.

**Musikdrama; einbezogen werden auch Operette und Musical. Die jeweiligen Stoffe werden systematisch drei großen Gruppen zugeordnet, und zwar nach dem jeweils prägenden Bezug auf mittelalterliche Historie (personen- bzw. ereigniszentrierte Sujets), mittelalterliche Dichtung (z.B. heroische, höfische, legendarische, novelleske Stoffe) oder auf Dichtungen einzelner nachmittelalterlicher Autoren (Dante, Ariost, Tasso, Walter Scott).**

**If what you see is what you get, Jules is in serious trouble. The suspenseful first in a series from the New York Times bestselling author of the Wake trilogy. Jules lives with her family above their restaurant, which means she smells like pizza most of the time and drives their double-meatball-shaped food truck to school. It's not a recipe for popularity, but she can handle that. What she can't handle is the recurring vision that haunts her. Over and over, Jules sees a careening truck hit a building and explode...and nine body bags in the snow. The vision is everywhere—on billboards, television screens, windows—and she's the only one who sees it. And the more she sees it, the more she sees. The vision is giving her clues, and soon Jules knows what she has to do. Because now she can see the face in one of the body bags, and it's someone she knows. Someone she has been in love with for as long as she can remember. In this riveting start to a gripping series from New York Times bestselling author Lisa McMann, Jules has to act—and act fast—to keep her vision from becoming reality.**

**Because Hugh demanded it! Who's Hugh? The guy who loves side-splitting super hero satire as only Marvel can deliver it! "A powerful — and personal — account of the movement and its players."—The Washington Post "This perceptive resource on radical black liberation movements in the 21st century can inform anyone wanting to better understand . . . how to make social change."—Publishers Weekly The breadth and impact of Black Lives Matter in the United States has been extraordinary. Between 2012 and 2016, thousands of people marched, rallied, held vigils, and engaged in direct actions to protest and draw attention to state and vigilante violence against Black people. What began as outrage over

the 2012 murder of Trayvon Martin and the exoneration of his killer, and accelerated during the Ferguson uprising of 2014, has evolved into a resurgent Black Freedom Movement, which includes a network of more than fifty organizations working together under the rubric of the Movement for Black Lives coalition. Employing a range of creative tactics and embracing group-centered leadership models, these visionary young organizers, many of them women, and many of them queer, are not only calling for an end to police violence, but demanding racial justice, gender justice, and systemic change. In *Making All Black Lives Matter*, award-winning historian and longtime activist Barbara Ransby outlines the scope and genealogy of this movement, documenting its roots in Black feminist politics and situating it squarely in a Black radical tradition, one that is anticapitalist, internationalist, and focused on some of the most marginalized members of the Black community. From the perspective of a participant-observer, Ransby maps the movement, profiles many of its lesser-known leaders, measures its impact, outlines its challenges, and looks toward its future.

Shows that the Ku Klux Klan based its justifications for hatred on a

particular brand of Protestantism that resonated with mainstream Americans. Analyzes the complex religious arguments the Klan crafted to gain acceptability and credibility, and reveals how successful those messages were--and how they still resonate today.

WRITE STUFF

Recorder from the Beginning: Pupil's Book 1

Parker Pyne Investigates

Essential Designs in Multiple Sizes and Gauges for Sweaters Knit Top Down, Side Over, and Back to Front

Twelve selected adventures of Robin Hood and his outlaw band who stole from the rich to give to the poor.

One of the Boston Globe's Best Sports Books of the Year: "Incisive, heartbreaking, important and even funny" (Jeremy Schaap, New York Times--bestselling author of Cinderella Man). The people of Brazil celebrated when it was announced that they were hosting the World Cup—the world's most-viewed athletic tournament—in 2014 and the 2016 Summer Olympics. But as the events were approaching, ordinary Brazilians were holding the country's biggest protest marches in decades.

Sports journalist Dave Zirin traveled to Brazil to find out why. In a rollicking read that travels from the favelas of Rio de Janeiro to the fabled Maracanã Stadium to the halls of power in Washington, DC, Zirin examines Brazilians' objections to the corruption of the games they love; the toll such events take on impoverished citizens; and how taking to the streets opened up an international conversation on the culture, economics, and politics of sports. "Millions will enjoy the World Cup and Olympics, but Zirin justly reminds readers of the real human costs beyond the spectacle." —Kirkus Reviews

Mother Goose and her friends share the joy of the Christmas season with us.

A stunning re-imagining of Robin Hood, the first in an exciting new trilogy Forget everything you've ever heard about Robin Hood. Robin Loxley is seven years old when his parents disappear without a trace. Years later the great love of his life, Marian, is also taken from him. Driven by these mysteries, and this anguish, Robin follows a darkening path into the ancient heart of Sherwood Forest. What he encounters there will leave him transformed . . . The first book of a trilogy, *Shadow of the Wolf* is a breathtakingly original--an utterly compelling--retelling that will forever alter the legend of Robin Hood.
