Brave young dragon Firedrake and his orphan friend Ben start a perilous journey to the legendary Rim of Heaven. But close behind is a heartless monster who aches to destroy the very last dragons on earth...

"I have a right to appear here. Otherwise, who will listen to me? Where should I talk about myself, if not here?" Ultimo has a degree in piracy from Mogadishu University of Applied Sciences. Tofdau won't rest until his story's told. Sergeant Pellner and Officer Dorsch are sailing up the Hindu Kush in search of Lieutenant Colonel Deutinger in the rainforest of Afghanistan. And at his parents' home in Bad Rippoldsau, Wolfram Lotz is experiencing writer's block. Critically acclaimed dark comedy *The Ridiculous Darkness*, by award-winning German playwright Wolfram Lotz, is a surreal, hilarious and powerful response to *Heart of Darkness* and *Apocalypse Now* that invites us to rethink colonial narratives, confront our ideas of each other and question what we imagine is in the darkness. Four black femmes. Three revered White Male Writers. Two classic works. A radical deconstruction.

AN INSTANT #1 NEW YORK TIMES BESTSELLER Named one of the most anticipated novels of the season by *People*, *Associated Press*, *Time*, *Los Angeles Times*, *Parade*, *St. Louis Post-Dispatch*, *The Guardian*, *Publishers Weekly*, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of

power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

In dieser Ausgabe reisen wir nach Montagnola, Korsika und ins Schweizer Heidedorf - und natürlich gibt es wie immer in über 30 Rubriken viel Kunst, dazu Heiteres, Interessantes und sehr viele Geschichten. Das sommer-wind-Journal erscheint monatlich und erzählt vom ganz normalen Leben. Oberstes Gebot: Wir sind positiv und absolut unpolitisch! Die Themen sind bunt und vielfältig und Journalisten und Menschen, die mit Journalismus nichts am Hut haben, erzählen von ihrem Hobby, ihrem Beruf, ihren Reisen, ihren Träumen und Leidenschaften. Mitmachen ist bei diesem Journal ausdrücklich erwünscht!

Based on previously classified documents and on interviews with former secret police officers and ordinary citizens, *The Firm* is the first comprehensive history of East Germany's secret police, the Stasi, at the grassroots level. Focusing on Gransee and Perleberg, two East German districts located north of Berlin, Gary Bruce reveals how the Stasi monitored small-town East Germany. He paints an eminently human portrait of those involved with this repressive arm of the government, featuring interviews with former officers that uncover a wide array of personalities, from devoted ideologues to reluctant opportunists, most of whom talked frankly about East Germany's obsession with surveillance. Their paths after the collapse of Communism are gripping stories of resurrection and despair, of renewal and demise, of remorse and continued adherence to the movement. The book also sheds much light on the role of the informant, the Stasi's most important tool in these out-of-the-way areas. Providing on-the-ground empirical evidence of how the Stasi operated on a day-to-day basis with ordinary people, this remarkable volume offers an unparalleled picture of life in a totalitarian state.

Do you know what they are really saying? From the popular internet sensation "They Can Talk" comes a hilarious comic collection of what it would be like if we had VIP access to the lives of our animal friends and foes. Humor writer and artist Jimmy Craig offers 100 colorful comics, including the inner thoughts of creatures from across the animal kingdom--from misunderstood sharks and trouble making bears to the often complicated relationship between you and your pet cat. Get dating advice from raccoons, and learn what roosters think when the sun rises and why cats are always knocking things off of shelves. *They Can Talk* is the perfect quirky gift for any lover of animals, or for anyone who just loves to laugh.

*From Text to Artefact is a collection of twenty-seven essays in honour of Anne Mette Hansen. The contents of the volume reflect the honouree's interests in Nordic philology, manuscript studies and textual scholarship with a special focus on material philology.*

*Rethinking Europe offers a selection of essays that reevaluate the Thirty Years' War by contextualizing it within the broader history of the Reformation, military conflicts, peace initiatives, and negotiations of war in the early modern periods.*

*Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.*

INTERNATIONAL BESTSELLER In Silverview, John le Carré turns his focus to the world that occupied his writing for the past sixty years—the secret world itself. Julian Lawn renounced his high-flying job in the City for a simpler life running a bookshop in a small English seaside town. But only a couple of months into his new career, Julian's evening disrupted by a visitor. Edward, a Polish émigré living in Silverview, the big house on the edge of town, seems to know a lot about Julian's family and is rather too interested in the workings of his modest new enterprise. When a letter turns up at the door of a spy club in London warning him of a dangerous leak, the investigations lead him to this quiet town by the sea . . . Silverview is the mesmerizing story of an encounter between innocence and experience and between public duty and private morals. In this last complete masterpiece by the greatest chronicler of our age, John le Carré asks what you owe to your country when it no longer recognize it.

Pulitzer Prize-winning author Annie Proulx brings the immigrant experience to life in this stunning novel that traces the ownership of a simple green accordion. E. Annie Proulx's Accordion Crimes is a masterpiece of storytelling that spans a century and a continent. She brings the immigrant experience in America to life through the eyes of the descendant

Mexicans, Poles, Africans, Irish-Scots, Franco-Canadians and many others, all linked by their successive ownership of a simple green accordion. The music they make is their with the past—voice for their fantasies, sorrows and exuberance. Proulx's prodigious knowledge, unforgettable characters and radiant language make *Accordion Crimes* a stunning novel, exhilarating in its scope and originality.

It's now been two years since Ben and Firedrake defeated Nettlebrand and rescued the dragons. Both boy and dragon have finally found homes, but they must live hundreds of miles apart and can only see each other every once in a while. During one such visit, news reaches Ben, the Greenblooms, and their friends that the last Pegasus in the world has been discovered. The legendary horse has three unhatched eggs with him, but the only way they can ever hatch -- and continue the survival of this incredible magical species -- is to place them under a griffin's feather. But griffins are the most dangerous creatures in the world, and their mortal enemies are dragons... Ben has vowed not to tell Firedrake about his quest, to protect him. But as he and the Greenbloom team set off for a remote island where the terrible creatures are rumored to live, he may just need the help of his best friend and dragon...

This book is a fascinating new examination of one of the most feared and efficient secret services the world has ever known, the Stasi. The East German Stasi was a jewel among the communist secret services, the most trusted by its Russian mother organization the KGB, and even more efficient. In its attempt at 'total coverage' of civil society, the Ministry for State Security came close to realizing the totalitarian ideal of a political police force. Based on research in archival files unlocked just after the fall of the Berlin Wall and available to few German and Western readers, this volume details the Communist Party's attempt to control all aspects of East German civil society, and sets out what is known of the regime's support for international terrorism in the 1970s

and 1980s. STASI will be of much interest to students of intelligence studies, German politics and international relations.

Combining cutting-edge design, illustration and journalism, bi-monthly print magazine Little White Lies is the leading indie film magazine. It has been described as being 'at the vanguard of the independent publishing movement.' Sharm Murugiah arrived at commercial art in the "best way possible" – the long way. After initially training as an architect, for seven years in total, the now-illustrator always knew he wanted to draw for a living. After a stint at Scribbler and later LEON restaurants, Sharm set up on his own as a freelance artist. And so, Studio Murugiah was born. Since then, Sharm has become renowned for his off-beat cartoon style inspired by the comics of his youth and covering a range of subjects from surreal imagery to character-filled creations. In 2014, he won a D&AD award and has exhibited his work in galleries from France to the USA.

This volume draws together a collection of Robin A. Leaver's essays on Bach's sacred music, exploring the religious aspects of this repertoire through consideration of three core themes: liturgy, hymnology, and theology. Rooted in a rich understanding of the historical sources, the book illuminates the varied ways in which Bach's sacred music was informed and shaped by the religious, ritual, and intellectual contexts of his time, placing these works in the wider history of Protestant church music during the Baroque era. Including research from across a span of forty years, the chapters in this volume have been significantly revised and expanded for this publication, with several pieces appearing in English for the first time. Together, they offer an essential compendium of the work of a leading scholar of theological Bach studies.

The ability to use tools is a distinguishing feature of human beings. It represents a complex psychomotor activity that we are only now beginning to comprehend. Robust new theoretical accounts allow us to better understand how people use tools and explain differences in human and animal tool use from the

perspective of cognitive science. Our understanding needs to be grounded upon research into how people use tools, which draws upon many disciplines, from ergonomics to anthropology to cognitive science to neuropsychology. *Cognition and Tool Use: Forms of Engagement in Human and Animal Use of Tools* presents a single coherent account of human tool use as a complex psychomotor activity. It explains how people use tools and how this activity can succeed or fail, then describes the design and development of usable tools. This book considers contemporary tool use in domains such as surgery, and considers future developments in human-computer interfaces, such as haptic virtual reality and tangible user interfaces. No other single text brings together the research from the different disciplines, ranging from archaeology and anthropology to psychology and ergonomics, which contribute to this topic. Graduate students, professionals, and researchers will find this guide to be invaluable.

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, *New York Times* bestselling author) from the #1 *New York Times* bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Beatrix Potter meets *I Spy* in this detailed and charming storybook adventure. Best friends Julia and Sam are mice who live in the Mouse Mansion. When they’re together they find all sorts of adventures—and all kinds of trouble! Come with them as they discover a secret hiding place, greet the ragman, and learn to make pancakes. There is a shop that sells everything and a box full of treasure. And—oh no!—there might even be a rat! The Mouse Mansion is always full of surprises. Author and artist Karina Schaapman spent years building and furnishing the Mouse Mansion in which this collection of stories takes place. The elaborate dollhouse is made of cardboard boxes and papier-mâché and contains more than one hundred rooms to explore.

*Inspector Harry Hole investigates a serial killer targeting Oslo’s police officers in this installment of Jo Nesbø’s New York Times bestselling series. For years, detective Harry Hole has been at the center of every major criminal investigation in Oslo. His brilliant insights and dedication to his job have saved countless lives over the years. But as the killer grows increasingly bold and the media reaction increasingly hysterical, the detective is nowhere to be found. This time, when those he loves and values most are facing terrible danger, Harry is in no position to protect anyone—least of all himself. The East German Ministry of State Security, popularly known as the Stasi, was one of the largest and most intrusive secret police systems in world history. So extensive was*

*the system of surveillance and control that in any given year throughout the 1970s and 1980s, about one in fifty of the 13 million East German adults were working for the Stasi either as an officer or as an informer. Drawing on original sources from the Stasi archives and the recollections of contemporary witnesses, The Stasi: Myth and Reality reveals the intricacies of the relationship between the Stasi enforcers, its agents and its targets/victims, and demonstrates how far the Stasi octopus extended its tentacles into people's lives and all spheres of society. The origins and developments of this vast system of repression are examined, as well as the motivation of the informers and the ways in which they penetrated the niches of East German society. The final chapters assess the ministry's failure to help overcome the GDR's inherent structural defects and demonstrate how the Stasi's bureaucratic procedures contributed to the implosion of the Communist system at the end of the 1980's.*

*NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. Renegades: Born in the USA is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the Renegades podcast recording sessions • Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.*
