throughout the South to create this first-ever guide to the region's burgeoning craft-liquor movement, capturing her journey in the creation of six original Liquor Trails. As fascinating as the craft itself are the distillers' experiences and backstories. Purvis chronicles them with verve and insight, bringing her knowledge of southern foodways and traditions to bear on the flourishing of the distiller's art. She shows how new entrepreneurs, part of the all-American food and drink renaissance, are positioning themselves to find both the inspiration and land ranging from West Virginia to Louisiana for their farm- or farm-ingredients-

Their cordials are flavored with pumpkins, raspberries, peaches, and other local products; not long ago, a West Virginian's black walnut liqueur won the prize for the best nut cordial at the San Francisco World Spirits Competition. Driven by legacy and passion, today's distillers are creating a new southern tradition--one that you can now explore with an inimitable writer. Each Liquor Trail covers one or several states and features particularly worthy distilleries that Purvis has personally selected. The trails also feature maps, a

"Insightful tour de force... Farrell's writing is as informative as it is intoxicating" -- Publishers Weekly
As a bartender, Shanna Farrell not only poured spirits, but learned their stories--who made them and how. In A Good Drink, Farrell goes in search of the bars, distillers, and farmers who are driving a transformation to sustainable spirits. She meets mezcaleros in Guadalajara who are working to preserve traditional ways of producing mezcal; a London bar owner who has eliminated individual bottles and ice; and distillers in South Carolina who are bringing a rare variety of corn back from near extinction, among many others. For readers who

Early Maine ran on sweet and fiery New England rum. Later, rapid industrial advances and ever-present drinking opportunities made daily life unnecessarily hazardous. Overindulgence triggered a severe backlash, a fierce temperance movement and eighty-two years of prohibition in the Pine Tree State. While the coastal state never really dried out, the Maine Law sent both serious and social drinking under the table for the better part of a century. Liquor crafted in Maine has slowly and quietly remade itself into a respected drink, imbued with history and representing the best of the state's ingenuity and self-reliance. Contemporary distillers across the state are concocting truly local spirits while creative bartenders are mixing the new and old, bringing back the art of a fine
