Neuroimaging has become an integral part of clinical neurology practice in tandem with good history taking and physical examination. This is the first all-in-one guide, presenting illustrative examples of signature neuroimaging findings in clinical context specifically for neurologists. With more than 1,500 images, the authors have assembled an accessible resource and review that presents over 170 core topics using the imaging findings as a platform to discuss pathophysiology, clinical presentation, and disease management. Written with the practitioner or student of neurology in mind, Neurology Image-based Clinical Review profiles each condition in an easy-to-read format, alongside a wealth of images designed to help develop proficiency in recognizing and treating both common and rare neurologic conditions. This unique book is organized into fifteen chapters covering all major areas of neurology including stroke, hemorrhage, neoplasms, epilepsy, trauma, neurodegenerative conditions, infectious diseases, pediatric syndromes, and much more. Each topic is introduced with a brief case scenario and image-based diagnosis, followed by a bulleted introduction, clinical presentation, radiographic appearance and diagnostic hallmarks, differential diagnosis, and treatment. Numerous examples throughout foster familiarity with key imaging findings and confidence interpreting MRI, CT, MRA, angiography, EEG, gross, and microscopic neuropathology images. Selected references for further study follow each topic. Neurology Image-Based Clinical Review is an essential reference for medical students, practicing neurologists, residents looking to hone their knowledge, or anyone sharpening clinical and interpretive skills for board or MOC review. Key Features: Comes with free access to the fully-searchable downloadable e-book, including an image gallery Covers the full spectrum of neurologic disease with over 170 topics and more than 1500 images Includes chapters on commonly encountered problems and rare syndromes that may be missed in the clinic Presents the latest information on clinical presentation, diagnosis, treatment, and differential diagnoses of various neurological disorders Consistent format for easy readability and targeted review

Go on a musical adventure with Poppy the dog and friends in Poppy and Vivaldi. Children and parents will love pressing buttons and hearing the instruments and sounds of Vivaldi on every page! Go on a musical adventure with the adorable dog, Poppy, and learn about Vivaldi as he listens to favorite sounds from the great composer with his friend Enzo.

The two friends take an unforgettable trip to the Carnival of Venice, where they hear the sounds of the mandolin, cello, flute, and more. From The Four Seasons to Griselda, Poppy and Enzo explore the opera and take a ride on a gondola, listening to the sounds of Vivaldi and learning a little bit about this great composer at the same time. With 16 buttons to push and hear, kids will love listening to the sounds of Vivaldi and the different instruments as they follow along with the story. With colorful illustrations and a new sound to discover on each page, both kids and parents will be entertained and engaged for hours. Poppy and Vivaldi offers an opportunity to teach kids about classical music and the sounds of some of Vivaldi's great works. Now that is truly unique! Hosted in Italy by Australian company Deus Ex Machina, the Deus Swank Rally is a championship for riders of Enduro off-road dirt bikes. Presented here are photographs documenting the championship and the eccentric events surrounding it, including amusing competitions and parties.

"Stunning, fresh, and very visual." -- Bride's Magazine From the stately charm of palazzos standing guard on the Grand Canale to intimate details of private homes lining the twisting sidewalks and waterways, Venice is a dream of timeless beauty. From its hand-blown beads and Puccini-singing gondoliers to the wild beat and dazzling costumes of Carnival, discover Venice, happily married to traditions that have put painters, travelers and poets under its spell for centuries. Find the Venice everyone dreams of, but few actually witness. Enjoy the city's fabulous architectural wonders -- ranging in age from 100 to 1,000 years old -- that are by turns intimate and majestic, and explore the twelve neighborhoods from central San Marco to the less-visited but charming Santa Croce. Learn not only where to hire a gondola and how much to pay, but also how these magical boats are built and navigated. Take a guided tour of the Accademia, with its grand collection of Titians, and find the small craft shops where the glass Venice is famous for is blown. Find the best beach on the Lido, choose a pensione that is just right, and sample fegato alla veneziana at a neighborhood trattoria.

*He must never realize who I am. I'm a demon slayer, so I lead a simple life slaughtering monsters. As long as no one learns that I'm descended from a forbidden line of Dragon Bloods, I can keep my job and my life. But when a powerful Fae king realizes I'm his fated mate, I've got problems. Especially since A), he hates me and B), he learns my secret, and it puts my whole life at risk. I want to kill my mate. The stars align when my employers send me to the Fae kingdom to compete in the Trials of the Fae as an undercover agent. My real goal? Investigate the king for the murder of hundreds. But the king only has eyes only for me, even when I'm in disguise. He senses that I'm his mate, and our attraction is off the charts. No matter how much we mistrust each other, we can't stay apart. But when he realizes what I'm up to, there will be hell to pay. That is, if I survive.*

Sixteen-year-old Buddy Boyle makes a shattering discovery about his family in this powerful and poignant novel by award-winning author M. E. Kerr. Buddy Boyle lives with his parents and younger brother in a small house on a half-acre of land in undesirable Seaville, New York. Skye Pennington spends her summers on the opposite end of town on five acres with a view of the ocean. Buddy's dad is a police sergeant; Skye's is the head of a multi-million-dollar industry. But none of that stops Buddy and Skye from falling in love. To impress her, Buddy takes Skye to visit his aristocratic grandfather in Montauk. Frank Trenker is Buddy's mother's father, a man she never talks about. Just as Buddy feels he's getting to know his estranged grandfather, reporter Nicholas De Lucca shows up. For three years, he's been searching for a notorious Nazi war criminal known as Gentlehands. When De Lucca uncovers a shocking connection to Buddy's grandfather, Buddy refuses to believe the accusations. One of M. E. Kerr's very best novels, *Gentlehands* tells a spellbinding story of love, loyalty, and the family you thought you knew. This ebook features an illustrated personal history of M. E. Kerr including rare images from the author's collection.

Tanios, the illegitimate son of a powerful Sheik, becomes caught up in the political intrigues of the Middle East

The invention of collage by Picasso and Braque in 1912 proved to be a dramatic turning point in the development of Cubism and Futurism and ultimately one of the most significant innovations in twentieth-century art. Collage has traditionally been viewed as a new expression of modernism, one allied with modernism's search for purity of means, anti-illusionism, unity, and autonomy of form. This book - the first comprehensive study of collage and its relation to modernism - challenges this view. Christine Poggi argues that collage did not become a new language of modernism but a new language with which to critique modernism. She focuses on the ways Cubist collage - and the Futurist multimedia work that was inspired by it - undermined prevailing notions of material and stylistic unity, subverted the role of the frame and pictorial ground, and brought the languages of high and low culture into a new relationship of exchange.

REVEALED: – The money-making methods of a medical doctor turned a successful trader. Like millions, Dr Vijay Gupta began investing in the stock market hoping to increase his income and wealth. Like millions, he ran into early losses. Unlike others who give up, he taught himself how to make money in the stock market and created his own trading system which has made him consistent profits for more than a decade of market ups and downs. This book reveals his secret in his own words: "Actually, there is only one secret — knowledge. An individual trader should not consider himself disadvantaged because of small capital. But if his market knowledge is limited, then he is indeed vulnerable. "I was not satisfied with methods which required too many subjective judgements. I came to realize that to be successful, trading must have a simple mechanical system of trading. "I have made consistent profits over a long period using the mechanical trading system I have revealed in this book. My trading income has now surpassed my income from medical practice. That is what I had aimed for. It has come true. "I believe my trading system is the best. It works for me — it might work for you, too. You can also easily adapt my system to suit your style. That's why I wrote this book . . . so you too can make money from trading."

*Natasha Munro is your typical twenty eight year old girl, well your typical twenty eight year old English loud 'n' proud Geordie; curvy, fun and a whole load of fab-u-lous. Her life is all going to plan - good job, great friends, close family and a loving boyfriend - until an unexpected event stands everything on its head. Nursing a broken heart and decked head-to-toe in tasselled chaps and rhinestones, Natasha and her flamboyant fairy of a gay best friend, Tink, uproot from their North-Eastern nest, throw caution to the wind and embark on a new life together in Canada. Canada - Land of the Rocky Mountains, maple syrup; oh, and an 'in-between movies' Hollywood mega-star. Enter infamous bad-boy of the big screen, Tudor North - Tudor 'bloody' North! Tudor is towering, brooding and gorgeous, and he is harbouring a deep secret. His outward demeanour is cold and intimidating, and with it he successfully keeps everyone at arm's length; that is everyone except a certain Ms. Munro. It soon becomes clear; what with her smart mouth and lusciously ample arse, that Natasha proves more than a match for our emotionally-distant mega-star. Will Natasha settle into her new life in Canada? Will she ever find her fairytale happy ending? Can a movie star and an ordinary girl from England ever really make it work? Or will the secrets lurking in Tudor's past scupper their chance of happiness? Eternally North is addictive, funny and heart-warming; a fast paced comedic journey of self-discovery; unyielding friendship and, of course, it would not be complete without a generous sprinkling of good old-fashioned British 'slap-and-tickle'. WARNING: Contains a foul-mouthed voluptuous Brit; a self-confessed and self-promoted Friggin' Fantastic Fairy; and an abundance of tattoo-smothered muscles nicely wrapped up in one gorgeous bad-boy package.*

*What goes on behind the scenes is often more interesting than events on the "main stage" of life. The involuntary gestures, the ambiguous situations that can be hard to understand, reveal at certain moments something spontaneous and inimitable in life. These behind the scenes moments are the authentic life, the rituals and customs of ordinary people. This photo book depicts a Slovakia that is fast disappearing because it is not able, or maybe even does not want, to come to terms with "the new age of globalization."*

*• Lower your risk of metabolic disorders, disease, and chronic weight gain • Protect yourself against the estrogenic substances in the environment, products, water, and food • Learn how certain foods and herbs can protect you! Estrogenic chemicals—known for causing the near extinction of various living species—are found in some of the most common foods we eat. In this revolutionary diet book, Ori Hofmekler addresses the millions of overweight and obese individuals who have failed or are disappointed with other diets—those who suffer from yo-yo dieting, weight gain rebounds, or accumulation of stubborn fat in the belly and other estrogen-sensitive areas. Focusing on our current over-exposure to estrogenic chemicals in the environment, foods, and water, The Anti-Estrogenic Diet provides a practical solution to fat gain, estrogen-related disorders (PMS, endometriosis, fibrocystic disease), and increased risk of common cancers in women and men (breast, ovarian, cervical, prostate). Allowing you to still enjoy your favorite foods, the program is based on incorporating anti-estrogenic foods, spices, and herbs into your diet, while eliminating estrogenic foods and chemicals. Exposing dietary myths and fallacies, Hofmekler teaches readers that some foods commonly regarded as “healthy” may actually be harmful and vice versa. Special chapters dedicated to readers with different needs and health conditions, recipes, a question-and-answer section, and a list of scientific references are also included in this valuable resource.*
