

The Art Of Loving P S

The Art of Love**The Romantic and Explosive Stories Behind Art’s Greatest Couples****White Lion Publishing**

Should any one of the people not know the art of loving, let him read me; and taught by me, on reading my lines, let him love. By art the ships are onward sped by sails and oars; by art are the light chariots, by art is Love, to be guided. In the chariot and in the flowing reins was Automedon skilled: in the Hæmonian ship of Jason Tiphys was the pilot. Me, too, skilled in my craft, has Venus made the guardian of Love. Of Cupid the Tiphys and the Automedon shall I be styled. Unruly indeed he is, and one who oft rebels against me; but he is a child; his age is tender and easy to be governed. The son of Philyra made the boy Achilles skilled at the lyre; and with his soothing art he subdued his ferocious disposition. He who so oft alarmed his own companions, so oft the foe, is believed to have stood in dread of an aged man full of years.

The "New York Times" bestselling author of "The Rhythm of Life" brings a timely approach to the subject of relationships, revealing a seven-level process that creates strong bonds, deep contentment, and lasting connection. Fireside

Epictetus was born into slavery about 55 ce in the eastern outreaches of the Roman Empire. Once freed, he established an influential school of Stoic philosophy, stressing that human beings cannot control life, only their responses to it. By putting into practice the ninety-three witty, wise, and razor-sharp instructions that make up The Art of Living, readers learn to meet the challenges of everyday life successfully and to face life's inevitable losses and disappointments with grace.

The Mission of Love

What to Eat When You Want to Get Pregnant

As a couple you are not just living together to survive, you are being called to thrive. Your marriage is called to greatness! This is The Mission of Love. It is an opportunity to discover the inestimable greatness of your calling as a man and woman joined together in marriage and to empower yourselves with a plan to make it happen. This book will help you, as a couple, identify who you are together, your shared vision for the relationship, and tools to make this vision a reality. You can embrace this challenge for your marriage and strive for success in the greatest endeavor you will ever embark upon or you can try the same thing that’s been done for decades and expect little more than the same results.

The acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation," All About Love is a revelation about what causes a polarized society and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society’s failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Tells about where to meet a new beau, how to handle illicit affairs and how to maintain your allure.

Perry Pig had a problem. Peppy Puppy and Peggy Porcupine picked on Perry, called him "Pudgy Porky" and posted his picture in the paper without his permission. With Paula Panda's prodding Perry plots a plan, and Peppy and Peggy apologize.

Rekindle Your Love

The vibrant tradition of Temple decoration in India.

The road to love has never been a smooth one. From Adam and Eve's problem with produce, to Samson and Delilah's unplanned makeover couples have struggled to find and keep a healthy relationship. Most will agree that the secret to a happy healthy relationship is honest communication and common interest, mixed with a sense of humor and a liberal dash of understanding. But what do you do when things are already on a rocky path? How to you preserve your relationship? Or even rekindle the dying flames of love? This book will teach you the tools you need to have a happy healthy committed relationship that will let you get the most out of life. Rekindle your love will not only teach you the secrets to reclaiming lost love but it will help you to keep the relationship you have healthy and moving in a positive direction. This book will help you to achieve the kind of romance you have been dreaming of!

The brand-new emotional and heart-breaking novel from Amelia Henley ‘An ode to finding the meaning in grief, in our life’s purpose, and in deciding to live and love fully, The Art of Loving You broke my heart and then rebuilt it again. Just gorgeous’ Laura Jane Williams, bestselling author of Our Stop

Introduction -The phenomena that is falling in love is a journey. Like all journeys, as love finds us, we also find ourselves. We are awakened to our dreams, our fears, our insecurities. Our eyes are opened to another reality where we are no longer alone and our actions don't solely affect us. There are things we must give up: control, fear, our past to name a few, and we have infinite things to gain. Love is like getting on a rollercoaster for the first time. The apprehension almost strong enough to make you think twice, but you get over that fear. You wait in line, you learn patience and how to calm your irrational fears. Then you are strapped in and a new wave of fear washes over you. Then it begins, and it is much too late to turn back. In that moment you wonder what the hell you were thinking. It starts, you endure the ups and down, the twists and turns, the ugly feelings in your belly, and then it's over. You realize it wasn't so bad and that the experience made all that came with it worthwhile. This book is a collection of prose and poetry focused on the unique experience of falling in love. Though we will all experience love differently, I hope these words touch, heal, and encourages its readers to be fearless in the face of love.

This Is Where You Belong

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Triber. In the Middle Realm, Tribers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

Will he ever find his love again or will she always just be a memory?

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

Making a healthy baby begins with healthy ingredients. Learn how to hack your diet to increase fertility--getting your body into the best baby-making shape--in only four weeks! The latest research reveals that by optimizing nutrition, you can boost your chances of conceiving and having a safe, healthy pregnancy and baby. But with so much information out there, how can you make sure you're getting the nutrients you need to maximize fertility and avoiding the seemingly healthy foods that could be interfering with fertility? In this comprehensive guide, diet and nutrition expert and research neuroscientist Dr. Nicole Avena offers revolutionary science-based advice for women and men who are either thinking about having a baby, already trying, or dealing with fertility issues.

A Strategic Approach to Improving Our Lives and the World

A RUNAWAY BRIDE Grace Marshall fled the church moments before her ceremony, leaving her twin sister buttoned into the wedding dress. A risky move for a good reason, and now she has to deal with the fallout. She expects the town and her family to be angry, but not this cowboy she just met. Who is he to judge? WITH SECRETS TO HIS PAST Thompson fabricated new identities for his siblings in order to keep them together after their parents died. Different location, different names, different lives. Once these last two kids are on their feet-and those feet moving out his door, he can pursue his own dream of a ranch for abused horses. Then he meets Grace, and all his carefully guarded secrets are revealed. Neither denies their physical attraction, but love? Can the runaway bride and the responsible family man overcome their pasts and learn to trust? Will they be able to take a leap of faith toward a future together? ----- Author's note: While this is the second book in the series, it can be read at any time in whatever order you read them. Finalist for the Baileys Women's Prize Annie McDee, thirty-one, lives in a shabby London flat, works as a chef, and is struggling to get by. Reeling from a sudden breakup, she's taken on an unsuitable new lover and finds herself rummaging through a secondhand shop to buy him a birthday gift. A dusty, anonymous old painting catches her eye. The artwork, Annie prepares an exquisite birthday dinner for two—only to be stood up. The painting becomes hers, and Annie begins to suspect that it may be more valuable than she'd thought. Soon she finds herself pursued by parties who would do anything to possess her picture: an exiled Russian oligarch, an avaricious sheikha, an unscrupulous painting's identity, Annie will unwittingly discover some of the darkest secrets of European history—and the possibility of falling in love again.

Remember Who You Truly Are

The Art of Loving and the Joy of Being Loved

The Mastery of Love

Erotica

Real Love

Runaway Bride

Ars Amatoria

Traces the history of love and how it developed from its Hebraic and Greek origins to an ideal that obsesses the modern Western world, and highlights philosophers that have challenged conventional thoughts on love and happiness.

A guide to well-being from the renowned social psychologist and New York Times|bestselling author of The Art of Loving and Escape from Freedom. Though laptops, smartphones, and TVs have in many ways made life more convenient, they have also disconnected us from the real world. Days are spent going from screen to machine, machine to screen. In The Art of Being, renowned humanist philosopher and psychoanalyst Erich Fromm draws from sources as varied as Sigmund Freud, Buddha, and Karl Marx to find a new, centered path to self-knowledge and well-being. In order to truly live, Fromm argues, we must first understand our purpose, and the places where we lost it. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis" because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between thruths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

Over two thousand years ago, Sun Tzu wrote The Art of War. In today's struggle to stop war, terrorism, and other global problems, West Point graduate Paul K. Chappell offers new and practical solutions in his pioneering book, The Art of Waging Peace. By sharing his own personal struggles with childhood trauma, racism, and berserker rage, Chappell explores the anatomy of war and peace, giving strategies, tactics, and leadership principles to resolve inner and outer conflict. Chappell explains from a military perspective how Gandhi and Martin Luther King Jr. were strategic geniuses, more brilliant and innovative than any general in military history, courageous warriors who advanced a more effective method than waging war for providing national and global security. This pragmatic and richly instructive book shows how we can become active citizens with the skills and strength to defeat injustice and end all war.

The Art Of Love

The Seven Levels of Intimacy

The Art of Love

A novel

TRIBERS Book of Dreams

You are a person worthy of love. You don't have to do anything to deserve all the love in the world. Real Love is a creative tool kit of mindfulness exercises and meditation techniques that help you to truly engage with your present experience and create deeper love relationships with yourself, your partner, friends and family, and with life itself. Sharon Salzberg, a leading expert in Lovingkindness meditation, encourages us to strip away layers of negative habits and obstacles, helping us to experience authentic love based on direct experience, rather than preconceptions. Across three sections, Sharon explains how to dispel cultural and emotional habits, and direct focused care and attention to recapture the essence of what it is to love and be loved. With positive reflections and practices, Sharon teaches us how to shift the responsibilities of the love that we give and receive to rekindle the powerful healing force of true connection. By challenging myths perpetuated by popular culture, we can undo the limited definitions that reduce love to simply romance or passion, and give the heart a much needed tune-up to connect ourselves to the truest experience of love in our daily lives. "Ars Amatoria: The Art of Love" by Ovid (translated by J. Lewis May). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

It is common for teachers and students of education to feel disheartened about the profession and their own aims and purposes once they become conscious of the dehumanizing tendencies of the schooling institution. As teacher educators, we have also known many students who, after studying critical perspectives aimed at exposing the power and privilege flowing through the public schools, then look to us with the question, "Where's the hope?" Our attempt to answer our students' questions has led us to consider what beauty and love in education look like. Where can it be seen, and how can we bring this forward so it can be instructive to those who are faced with similar questions about the incredibly important craft of teaching? This collection of narratives, essays, and poetic expressions includes the perspectives of students and educators who, in varying ways, express gratitude toward those who came before them and a deep desire to keep the faith alive. The authors share narrative accounts of someone or something in the public schools or learning experiences in general that inspired and nurtured the passionate desire to achieve goods internal to some shared practice – that is, some art at living – such that there was a transformative readjustment to the very nature of experience itself. We share with readers the stories and intellectual habits that have fueled us, inspired us, and that continue to push us to engage in the practice of cultivating educational dynamics that are meaningful and transformative for ourselves, our students, and our communities. The book concludes with an exploration into how teachers might not only root their craft, but the habit of love in general, in a sense of freedom.

"Practices and wonderful quotations to help re-open our heart." - Ram Dass, author of Be Here Now and How Can I Help? "Andrews provides such a wealth of creative and insightful ideas that his book is likely to change the meaning of your life forever." - Leading Edge Review "So faith, hope, love abide, these three; but the greatest of these is love. Make love your aim." - St. Paul One goal transcends all others, one purpose heightens all others, one emotion brings joy to all others: to love fully and without conditions. The most wise men and women of all religious and philosophical traditions have taught the art and practice of loving. Now for the first time, their knowledge has been distilled and collected in this one volume-with 144 practices for cultivating a loving heart. This is a unique and practical guidebook for loving-deeply and continuously-regardless of what happens to you as you go through life. With the inspiring quotations, valuable exercises, and insightful text of this volume, you can gain the skill and the will to turn living into loving. "Earth's the right place for love: I don't know where it's likely to go better." - Robert Frost "If you wish to open your heart to love, to explore the depth of your soul, to experience help on your spiritual journey, and to meditate on spiritual truths, then this is the book for you." - Gerald Jampolsky, M.D., author of Love Is Letting Go of Fear

A Practical Guide to the Art of Relationship

Love

The Art of Loving You

Will She Always Just be a Memory?

A Sacramental Journey to Marital Success

The Art of Loving BTS As Phenomena

To be a subject is to be able to speak, to give meaning. The Art of Loving interrogates the phenomenon of "theatrical subjectivity"--female protagonists as both subjects and objects on the early modern English stage and within the illusion of Shakespeare's tragedies. The disparity between females as acting, speaking subjects onstage and male protagonists' objectifications of them constitutes the dominating gendered irony of the dramatic texts. In Romeo and Juliet, Othello, and Antony and Cleopatra, Professor Gajowski argues, women are not portrayed as they are valued by men. Endowed with a self-estimation that is independent of masculine estimations of them, Juliet, Desdemona, and Cleopatra subvert Petrarchan, Ovidian, and Orientalist discursive traditions by which males construct females as gendered, colonized others. The independence of their self-evaluation from conflicting male desire and repugnance for them accounts for their "infinite variety." The uniqueness of Shakespeare's representation of heterosexual relations is his creation of female protagonists who are relational, yet independent, human beings. The empowered female protagonists of Shakespeare's comedies are rightly celebrated by "compensatory" feminist critics; the disempowered--even victimized--female protagonists of his tragedies are rightly noted by "justificatory" feminist critics. To view the marriages of the comic females as nothing more than submissions to patriarchy, Professor Gajowski contends, is to ignore the crucial significance in Shakespeare's texts of affiliative capacities of both sexes of the human animal. Accordingly, to view the deaths of the tragic females as victimizations by patriarchy--and no more than that--is to ignore the commentary that Shakespeare's texts make upon masculine impulses of possession, politics, and power. While feminist critics recognize the significance of dramatic representations of sexuality and affective relations, recent materialist/historicist studies consider representations of sexuality and affective relations significant only insofar as they are relevant to the manipulations of Elizabethan and Jacobean political power and mechanisms of economic exchange. The privileging of politics and power on the part of these critics constitutes a perpetuation and reinforcement of patriarchal values. It has the effect of putting woman in her customary place: marginalized, erased, subservient to the newly dominant male discursive traditions. It is antithetical, moreover, to a genuinely feminist discourse because it deprivileges relationships, denying the power that they play in cultures and in texts. It is the difference between proclaiming, Creon-like, that families are subservient to the state and comprehending the far more complex psychosocial truth that the state is constituted of families. To assume that structures of political and economic power have greater value than sexual and affective experience is to ignore the interpenetrating nature of public and private experience that Shakespeare's texts depict.

Attitude. Personality. Mindset. Spirit. Essence. Regardless of how you define your state of being, it is the basis for your existence and how you experience life. The Art of Being lays the foundation for your first impressions because if you get this part wrong not much else matters. All other efforts may be diminished or wasted. Your way of being sets the tone for how people relate to you, behave toward you, and engage with you. The more positively centered and grounded you are in your authentic being, the more people may be drawn to you. Becoming the person you want to be includes being your best, doing your best, and allowing your personality, passions, and purpose to shine through.This book is Book 1 of 8 from the Susan Young's mastery manual The Art of First Impressions for Positive Impact;8 Ways to Shine Bright to Transform Relationship Results.

The landmark bestseller that changed the way we think about love: “Every line is packed with common sense, compassion, and realism” (Fortune). The Art of Loving is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book’s release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, The Art of Loving is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of To Have or To Be? and Escape from Freedom. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author’s estate.

Kierkegaard has long been known as a philosopher and theologian, but his contributions to psychology, anthropology and sociology have also made an important impact on these fields. In many of the works of his complex authorship, Kierkegaard presents his intriguing and unique vision of the nature and mental life of human beings individually and collectively. The articles featured in the present volume explore the reception of Kierkegaard's thought in the social sciences. Of these fields Kierkegaard is perhaps best known in psychology, where The Concept of Anxiety and The Sickness unto Death have been the two most influential texts. With regard to the field of sociology, social criticism, or social theory, Kierkegaard's Literary Review of Two Ages has also been regarded as offering valuable insights about some important dynamics of modern society..

Ars Amatoria: The Art of Love

In the spirit of Gretchen Rubin's megaseller The Happiness Project and Eric Weiner's The Geography of Bliss, a journalist embarks on a project to discover what it takes to love where you live The average restless American will move 11.7 times in a lifetime. For Melody Warnick, it was move #6, from Austin, Texas, to Blacksburg, Virginia, that threatened to unhinge her. In the lonely aftermath of unpacking, she wondered: Aren't we supposed to put down roots at some point? How does the place we live become the place we want to stay? This time, she had an epiphany. Rather than hold her breath and hope this new town would be her family's perfect fit, she would figure out how to fall in love with it—no matter what. How we come to feel at home in our towns and cities is what Warnick sets out to discover in This Is Where You Belong. She dives into the body of research around place attachment—the deep sense of connection that binds some of us to our cities and increases our physical and emotional well-being—then travels to towns across America to see it in action. Inspired by a growing movement of placemaking, she examines what its practitioners are doing to create likeable locales. She also speaks with frequent movers and loyal stayers around the country to learn what draws highly mobile Americans to a new city, and what makes us stay. The best ideas she imports to her adopted hometown of Blacksburg for a series of Love Where You Live experiments designed to make her feel more locally connected. Dining with her neighbors. Shopping Small Business Saturday. Marching in the town Christmas parade. Can these efforts make a halfhearted resident happier? Will Blacksburg be the place she finally stays? What Warnick learns will inspire you to embrace your own community—and perhaps discover that the place where you live right now . . . is home.

Renowned psychoanalyst Erich Fromm has helped generations of men and women achieve rich and productive lives by developing their capacity to love. This centennial edition of his most enduring work salutes the valuable lessons that are Fromm's legacy.

Erich Fromm was a political activist, psychologist, psychoanalyst, philosopher, and one of the most important intellectuals of the twentieth century. Known for his theories of personality and political insight, Fromm dissected the sadomasochistic appeal of brutal dictators while also eloquently championing loveÑwhich, he insisted, was nothing if it did not involve joyful contact with others and humanity at large. Admired all over the world, Fromm continues to inspire with his message of universal brotherhood and quest for lasting peace. The first systematic study of Fromm's influences and achievements, this biography revisits the thinker's most important works, especially Escape from Freedom and The Art of Loving, which conveyed important and complex ideas to millions of readers. The volume recounts Fromm's political activism as a founder and major funder of Amnesty International, the National Committee for a Sane Nuclear Policy, and other peace groups. Consulting rare archival materials across the globe, Lawrence J. Friedman reveals Fromm's support for anti-Stalinist democratic movements in Central and Eastern Europe and his efforts to revitalize American democracy. For the first time, readers learn about Fromm's direct contact with high officials in the American government on matters of war and peace while accessing a deeper understanding of his conceptual differences with Freud, his rapport with Neo-Freudians like Karen Horney and Harry Stack Sullivan, and his association with innovative artists, public intellectuals, and world leaders. Friedman elucidates Fromm's key intellectual contributions, especially his innovative concept of social character, in which social institutions and practices shape the inner psyche, and he clarifies Fromm's conception of love as an acquired skill. Taking full stock of the thinker's historical and global accomplishments, Friedman portrays a man of immense authenticity and spirituality who made life in the twentieth century more humane than it might have been.

Zen master Thich Nhat Hanh, bestselling author of Peace is Every Step and one of the most respected and celebrated religious leaders in the world, delivers a powerful path to happiness through mastering life's most important skill. How do we say what we mean in a way that the other person can really hear? How can we listen with compassion and understanding? Communication fuels the ties that bind, whether in relationships, business, or everyday interactions. Most of us, however, have never been taught the fundamental skills of communication—or how to best represent our true selves. Effective communication is as important to our well-being and happiness as the food we put into our bodies. It can be either healthy (and nourishing) or toxic (and destructive). In this precise and practical guide, Zen master and Buddhist monk Thich Nhat Hanh reveals how to listen mindfully and express your fullest and most authentic self. With examples from his work with couples, families, and international conflicts, The Art of Communicating helps us move beyond the perils and frustrations of misrepresentation and misunderstanding to learn the listening and speaking skills that will forever change how we experience and impact the world.

Publisher Description

Don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. He shows us how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore the spirit of playfulness that is vital to loving relationships.

When an idol and fan stand face to face and the idol's mask comes off, is it simply the fan staring into a mirror, admiring their own reflection? Idol Limerence explores the mass phenomena of the Korean idol, in particular, BTS and how it intersects with the psychological experience of limerence, as originated by Dorothy Tennov. Further phenomena will be introduced with an exploration of persona as a link to a fantasy realm accessed by both idol and fan. Culminating in the exploration of the revolutionary capacity of BTS and their fan base, ARMY, who were created in their image. Echo's narrative spans from her first love as a child to falling in love with BTS as an adult, an experience she feels is largely out of her control. Idol Limerence is a love story wrapped in social theory that spans this universe and the next. Insperence is the space where the revolution can begin to take hold; insperence is where we can all become revolutionaries. In many ways, we already are.Idol Limerence: The Art of Loving BTS as Phenomena by Wallea Eaglehawk is a scholarly and literary work on the phenomenon that is BTS, the most popular and influential music group of our generation. Idol Limerence is a cognitive and emotional state of loving adoration and attachment to an Idol or celebrity. Echo, a young millennial woman, finds herself falling deeply in love with a group of blouse-wearing Korean men who sing, dance and dish out uncommon potent eye contact like it's a period drama. This book joins Echo on her journey from first love as a child to falling in love with K-pop group BTS as an adult. Echo learns just how and why she can't control her feelings towards BTS, not that she really wants to; and this is not an isolated experience, she is not alone but part of BTS' fan base, ARMY. The theory of Idol Limerence is developed from the psychological idea of limerence and linked to sociological concepts of identity, persona, parasocial relationships, love and celebrity. The theory development is interwoven with the love narrative of Echo which shows how Idol Limerence can be a 'safe-love' alternative for millennials overwhelmed by loving and dating in a world on the brink of collapse. If the question is 'Why can't I stop thinking about what my life with BTS would look like?' Idol Limerence is the answer and becoming a revolutionary to save the world is the result.
