The Books Of Enoch The Angels The Watchers And Th

This is a NEW (2010) easy-to-read translation by ancient languages scholar Dr. A. Nyland and is NOT one of the many Public Domain translations of Enoch NOR IS IT A REWORDED PUBLIC DOMAIN VERSION of Enoch. Great advances which have been made in ancient word meaning in the last twenty years were unknown to the translators of the public domain versions of the late nineteenth and early twentieth centuries. There are copious background notes and cross references to Bible verses.This book is an easy to read translation with cross references and notes.Despite the current trend for non-translators to reproduce public domain versions (both as is and disguised by slight rewording) as a commercial venture, be aware that such public domain versions do not take advantage of recent scholarship in word meaning or any corrections in translation.This new translation by Dr. A. Nyland contains all three books of Enoch:1 Enoch (Also called The Ethiopic Book of Enoch)2 Enoch (Also called The Slavonic Book of Enoch, The Secrets of Enoch). This volume contains the extended version of 2 Enoch, The Exaltation of Melchizedek.3 Enoch (Also called The Hebrew Book of Enoch)Note that this is Dr. Nyland's translation and NOT a public domain work.1 Enoch tells of the Watchers, a class of angel, who taught humans weapons, spell potions, root cuttings, astrology, astronomy, and alchemies. The Watchers also slept with human women and produced the Nephilim. For this, they were imprisoned and cast into Tartarus. This is also mentioned in the New Testament. In 2 Enoch, two angels take Enoch through the 7 heavens. This volume contains the extended version of 2 Enoch, The Exaltation of Melchizedek.In 3 Enoch, Enoch ascends to heaven and is transformed into the angel Metatron. This is about the Merkabah and is of interest to Kabbalists. People interested in Theosophy and Rosicrucianism will find this book invaluable. The Complete Books of Enoch is also an invaluable reference for those interested in Theology and it is also a valuable Christian reference.Dr. A. Nyland is an ancient language scholar and lexicographer who served as Faculty at the University of New England, Australia. Dr. Nyland is also the translator of "The Source New Testament with Extensive Notes on Greek Word Meaning," "The Book of Jubilees," "The Gospel of Thomas," the ancient Hittite "Kikkuli Text," and "The Psalms: Translation with Notes."
The Book of Enoch is an ancient Jewish religious work, ascribed by tradition to Enoch, the great-grandfather of Noah. Enoch contains unique material on the origins of supernatural demons and giants, why some angels fell from heaven, an explanation of why the Great Flood was morally necessary, and prophetic exposition of the thousand-year reign of the Messiah.The older sections of the text are estimated to date from about 300 BCE, and the latest part probably to the 1st century BCE.It is not part of the biblical canon as used by Jews, apart from Beta Israel. Most Christian denominations and traditions may accept the Books of Enoch as having some historical or theological interest, but they generally regard the Books of Enoch as noncanonical or noninspired. It is regarded as canonical by the Ethiopian Orthodox Tewahedo Church and Eritrean Orthodox Tewahedo Church, but not by any other Christian groups.
The Holy Spirit inspired Jude to quote Enoch for a reason. The Ancient Book of Enoch opens by addressing those in the Tribulation period. It contains numerous prophecies about the flood and fire judgments, and the two comings of the Messiah. It teaches that the Messiah is the Son of God and that He will shed His blood to redeem us and even predicts the generation that this would occur! The book of Enoch prophesies a window of time in which the Second Coming would occur and prophesies that there will be twenty-three Israeli Prime Ministers ruling in fifty-eight terms from AD 1948 to the beginning of the Tribulation period, and much more. Even though it prophecies that the Bible would be created and says we will be judged by our obedience to the Bible, it also makes it clear that this book is not to be added to the Canon of Scripture. The Ancient Book of Enoch recounts the history of the angels that fell in the days of Jared, Enoch's father. It testifies to their marriages with human women and their genetic experiments. This commentary includes a previously unknown chapter from the Dead Sea Scrolls that actually explains how they did their genetic tampering. The commentary is from a fundamentalist Christian view, brought to you by Biblefacts Ministries, biblefacts.org.
The apocryphal Book of Enoch, suppressed by the Church and then lost for many centuries, is believed to have been written in the first century or earlier. This edition-translated by British biblical scholar R. H. CHARLES (1855-1931) and first published in 1917-tells the story of the fallen angels, who appeal to Enoch the Prophet, great-grandson of Noah, to speak with God on their behalf after He banishes them from heaven. Enoch travels to heaven, describing what he sees there in detail, and speaks with the angels and ponders their nature. The book, in its original Hebrew or Aramaic, is believed to have influenced the writers of the New Testament, and while not considered canonical scripture, its apocalyptic themes continue to be highly influential today in modern popular Christian End Times fantasy, such as the Left Behind series. Students of the Bible who wish to explore related texts and those interested in foundational apocalyptic literature will find this book essential reading.
Complete Books of Enoch
Book of Enoch's Secrets
The Book of the Secrets of Enoch
The Complete Set: 1 Enoch (Ethiopic Enoch), 2 Enoch (Slavonic Secrets of Enoch) the Extended Version, 3 Enoch (Hebrew Book of Enoch)
All 108 Remaining Chapters
Origen was one of the most influential pre-Nicene church fathers, whose exegetical method shaped much of subsequent interpretation of the Old Testament. Some of his theological speculations were condemned in the 6th cenutry, but his influence as a Christian scholar and Old Testament exegete remain undiminished. This book offers a fresh, contemporary translation of Origen's 28 homilies on the book of Numbers.
1896 Translated from the Slavonic by W.R. Morfill. Reader in Russian and the other Slavonic languages. Edited, with introductory notes & indices by R. H. Charles, M.A., Trintiy college, Dublin & Exeter college, Oxford. (1896). the Secrets of Enoch is.
Published in 1928, this is the ancient scripture, 3 Enoch or The Hebrew Book Of Enoch. Edited and translated with commentary and notes by Hugo Odeberg.
The First Book of Enoch was lost for centuries to the western world although it was kept by the Ethiopian church. In 1773 the Scottish explorer James Bruce heard that the Book of Enoch may have been in Ethiopia so traveled there and procured three copies. In 1821 Richard Laurence, a professor of Hebrew at Oxford, produced the first English translation. Fragments of ten Enoch manuscripts were found among the Dead Sea Scrolls. It is quoted by New Testament Book of Jude. This book contains all sections of The First Book of Enoch: The Book of the Watchers The Book of Parables of Enoch The Astronomical Book The Book of Dream Visions The Epistle of Enoch It is of particular interest to anyone with an interest in angels and demons, or Bible history in general. The Books of Enoch: The Complete Set also contains 2 Enoch (also known as The Slavonic Enoch, or The Secrets of Enoch) and contains the Extended Version; and 3 Enoch (also known as The Hebrew Book of Enoch.)
The Three Books of Enoch, Plus the Enoch Portions of the Book of Jasher
2018 Edition with Enoch, Jasher, and Jubilees
Fallen Angels, the Watchers, and the Origins of Evil
The Book of Enoch Debunked
The Three Books of Enoch and the Book of Giants
A compilation containing the three Books of Enoch:- -1 Enoch or Ethiopic Enoch -2 Enoch or The Secrets of Enoch or Slavonic Enoch -3 Enoch or The Hebrew Book of Enoch - PLUS the Enoch sections of the Book of Jasher.
The study of Enoch's words awakened the desire to explore spiritual dimensions in a deeper way. Enoch once said: "I write not for my own, but for the extreme future generations, for you human beings who will come". Enoch, the seventh of Adam's descendants describes his journey through the seven heavens, where he receives revelations like when he is described the creation of the world and the secrets of the future. Enoch's journey culminates with the encounter with God after a life that lasted 365 years. From the mists of time he has shown humanity a luminous path to follow. Enoch goes back to the causes of evil and great are his sufferings for human wickedness and his exhortations to cultivate good and wisdom. All his writings, which are reported alongside the interpretation of "History Academy", were found and collected in the time before the birth of Christ. Not recognized by the Church and ignored in the Old Testament collection, they are now published for everyone to read. Besides giving us a clear overview of the extraordinary civilization that flourished on Earth in those times, they offer clear explanations of the beginning of sin, the angels' fall, the intervention of the archangels on the future of humanity, the apocalypse and the arrival of the Messiah and the "kingdom of God on Earth". Why do angels and archangels interact with high-minded human beings? The Ancient Book of Enoch tells the history of the angels who fell in the days of Jared, Enoch's father, who married human women and conducted genetic experiments. This commentary includes a previously unknown chapter from the Dead Sea Scrolls that explains how they did their genetic tampering. Enoch's Books are among the most relevant apocryphal texts in religious history. They are presented here for the first time in a restored and uncensored complete edition, translated from their original versions in Hebrew and Greek. The text is also accompanied by a rich theological, scientific, archaeological and esoteric analysis that explains its contents in detail. It is a necessary resource for those who want to know more about Angels, Demons, Watchers, Nephilim, Melchizedek, the angel Metatron and the Merkabah. This volume is an indispensable resource for those engaged in the study of religion, religious history, angelology, demonology, mysticism or the Kabbalah. "In every period of crisis in human history, when morality is despised and wickedness reigns everywhere, divine help is invoked that will make its supreme justice prevail against all the diabolical and materialistic suppositions of earthly justice"
As the Book of Enoch is, in some respects, the most notable extant apocalyptic work outside the canonical Scriptures, it will not be inappropriate to offer a few remarks here on the Apocalyptic Literature generally. In writing about the books which belong to this literature, Prof. Burkitt says very pointedly that "they are the most characteristic survival of what I will venture to call, with all its narrowness and its incoherence, the heroic age of Jewish history, the age when the nation attempted to realize in action the part of the peculiar people of God. It ended in catastrophe, but the nation left two successors, the Christian Church and the Rabbinical Schools, each of which carried on some of the old national aims. And of the two it was the Christian Church that was most faithful to the ideas enshrined in the Apocalypses, and it did consider itself, not without some reason, the fulfilment of those ideas. What is wanted, therefore, in studying the Apocalypses is, above all, sympathy with the ideas that underlie them, and especially with the belief in the New Age. And those who believe that in Christianity a new Era really did dawn for us ought, I think, to have that sympathy. . . . We study the Apocalypses to learn how our spiritual ancestors hoped again that God would make all right in the end; and that we, their children, are here today studying them is an indication that their hope was not wholly unfounded."
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Aramaic Fragments from the Qumran Cave
Battlefield Earth
Ancient Book of Enoch
Why is "The Book Of Enoch" so important to anyone interested in Biblical History? The answer is simple...it is directly quoted in the New Testament by Jude (vv.14-15) and themes of the book referenced in 2 Peter 2:1. Also, the first 36 chapters have been considered Scripture in the Ethiopic Coptic Church (a church who ascribes their founder as the Apostle John). Additionally, it was one of the most significant Jewish Pseudepigrapha (writings ascribed to some other than the real author*). It is believed that The Book of Enoch was taken out of the Jewish Canon by the Sanhedrin just after Jesus' death because of the prophesies they thought pointed to Jesus as the Messiah. However, The Oxford Dictionary of the Christian Church states. ..".this view has been increasingly questioned, especially since the discovery of the Qumran fragments [where Dead Sea Scrolls were found]; for although all the other sections of 1 Enoch are well represented in these fragments, the messianic chapters (37-71) were not represented at all. Nor are they represented in the Greek and Latin fragments. It is probable, therefore, that they are a later (Christian) insertion into the Book and that it was the New Testament which influenced them rather than vice versa."* There is no question, however, that the chapters outside chapters 37-71 are BC in their time-origin as they were part of the fragments in Qumran. For further proof, here are some stark and uncanny Book of Enoch references in the New Testament: 1.Jesus referred to The Book of Enoch; "Blessed are the meek, for they shall inherit the earth." (Mat 5:5) pulled from "The elect shall possess light, joy and peace, and they shall inherit the earth. (Enoch 5:7 {6:9})" 2."Wo unto you that are rich! for ye have received your consolation. (Luke 6:24) Woe to you who are rich, for in your riches have you trusted; but from your riches you shall be removed. (Enoch 94:8 {93:7}). 3."Ye also shall sit upon twelve thrones, judging the twelve tribes of Israel. (Mat. 19:28) I will place each of them on a throne of glory (Enoch 108:12 {105:26}) 4."Between us and you there is a great gulf fixed. (Luke 16:26) by a chasm . . . [are] their souls are separated (Enoch 22: 9,11{22:10,12}) 5."That ye may be called the children of light (John 12:36) the good from the generation of light (Enoch 108:11 {105: 25}) 6.One direct quote in the New Testament is by Jude, a brother of Jesus Christ: Jude 1:14-15, quoting Enoch 1:9... "And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints to execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches, which ungodly sinners have spoken against him." You will love how this series of revelations help to fill in many blanks about: Genesis The description of the wickedness of the world - pre-flood of Noah How fallen angels corrupted human seed Destiny of angels Future apocalyptic events explained in more detail And much, much more! "The Oxford Dictionary of the Christian Church, s.v. "Enoch, Books of," 547."
Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.
2nd Book of Enoch, the Slavonic Enoch, or 2 Enoch, which is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in The Oxford Guide to People & Places of the Bible state that there is no manuscript "earlier than the fourteenth century BE". ~ Amazon.
In this book, Jim Garton has compiled substantial proof to demonstrate the Book of Enoch is not an inspired text and was never part of the biblical canon of mainstream Judaism or Christianity. Internal and external evidence will be presented that shatters every claim that Enoch authored or contributed to the Book of Enoch. Prophecies in the text will be revealed as failed predictions and dangerous messages. Popular church doctrines connected to the Book of Enoch will be uncovered, and solid arguments will be presented against those same doctrines. A case will be built proving the Book of Enoch has nothing to do with Jesus, but instead, is promoting a false end-time Messiah. The Book of Enoch is a dangerous ancient text that should be avoided. Scholars, supporters, and religious leaders have elevated the Book of Enoch to a status it does not deserve, and this book will show you why. The Book of Enoch Debunked is a comprehensive resource that exposes the Book of Enoch's false teachings and delusions and serves as a guide to bring people back to the truths of the Bible.
The Book of Enoch (Nat)
The Book of Parables: Christian Apocrypha Series
Dictionary of Deities and Demons in the Bible
Complete Edition: Including (1) the Ethiopian Book of Enoch, (2) the Slavonic Secrets and (3) the Hebrew Book of Enoch
The Complete Apocrypha
Fifty years after James Bruce brought a copy of the Book of Enoch, found in Ethiopia, to England, Richard Laurence made a first modern translation. Later, R.H. Charles made another translation using some Greek excerpts, and more Ethiopian texts. Then recently, Michael A Knibb, using many texts, and partial texts, put together an ?adequate' translation. Yet, all of these translations are rough, obscure, and confusing to Christians of today. The Dead Sea Scrolls contained many copies and partial copies of the Book of Enoch, In the Dead Sea scrolls, there were found 17 copies. Comparitively, there were 30 copies of Psalms, 25 copies of Deuteronomy, 19 of Isaiah, 15 of Genesis and Exodus, 14 Of Jubilees. Jude validated The Book Of Enoch with his quote from it. Using all of the sources now available, along with an in-depth study of book, I have prepared this paraphrase/translation. Along with such, I have included an commentary to help in its comparison with the Bible. John D. Ladd was raised the son of an Assemblies of God pastor. He attended Northeast Bible College, in Pennsylvania, and later, Malone College, in Canton, Ohio. He pastored for many years, was ordained in the Assemblies of God, but later left to pastor independent churches. Preferring teaching to preaching, he has spent many years studying, reading books from the early church period, and translating\paraphrasing them for ease of use by Christians of today. This book of Enoch's has been translated, paraphrased, and now is being given commentary, to compare it with the Bible's message, to test it by the Word of God. How does it compare? Is it in agreement with the message and prophetic teachings of the Bible?
One of numerous texts that were removed from the Bible. This piece was traditionally attributed to Enoch. These Parables are part of the tradition of Apocalyptic Literature, and come to us as the Voice of God.
Evil walked the earth when angels fell. Evil stalks us now in disembodied spirits; immortal wraiths once clothed in flesh when angel and women bred; spirits released from their fleshly prisons when their bodies were destroyed for drinking the blood of men. Evil also lives inside of the common man; set free when pride kills reason and eats integrity whole. There is evil that entraps us and evil that tugs from within. But neither have control until we choose to relent. Evil is a choice of action, of thoughts entertained too long, of arrogance pushing aside the last vestiges of compassion. Evil resides within the problem of choice. What is evil? Could it be as simple as pernicious selfishness? Could it be the drive for immediate gratification without regard for others? Man's life is limited; one hundred years or less. But, the souls of angel and watcher are eternal. Consider how much evil can be wrought through the millennia of immediate gratification on an eternal scale. By contrasting and comparing ancient texts such as Enoch, Jasher, Jubilees, the Bible, and various others containing stories of the creation of angels, demons, and man, a full and panoramic history of evil is produced. In this history the startling revelation of the descent of man and angels, and the evolution of evil on earth is clearly revealed.
Experience the ultimate lost Christian scripture! Taken out of the Jewish Canon by the Sanhedrin just after Jesus' time because if the incredibly accurate prophesies for Jesus. The Pharisees feared that the people would read the text and discover how closely Jesus matched the Messiah described by the prophet Enoch, they made every effort to bury this lost book. It is still part of the Coptic churches canon, an ancient church started by the apostle John. The first paragraph of this lost book is quoted already in the Christian scriptures, in the book of Jude. Also Peter makes references to the book in his letter. This is everything you could want from a lost book and more. Learn about the hidden history of the Earth, sin, and God's relationship to mankind. Don't miss out! Not only does Jesus reference The Book of Enoch in the Gospels and his teachings; but also Jude, the brother of Jesus, directly quotes from it in the Book of Jude, the second to the last book of the New Testament. The similarities from the ancient Book of Enoch and the New Testament simply cannot be ignored. Keep in mind that even today we have copies of the Book of Enoch that are older than Jesus. Blessed are the meek, for they shall inherit the earth. (Mat 5:5) The elect shall possess light, joy and peace, and they shall inherit the earth. (Enoch 5:7) The Father judges no man, but has committed all judgment unto the Son (John 5:22) The principal part of the judgment was assigned to him, the Son of Man. (Enoch 69:27) ...Shall inherit everlasting life. ...Those who will inherit eternal life (Enoch 40:9) Woe unto you that are rich! For you have received your comfort. (Luke 6:24) Woe to you who are rich, for in your riches have you trusted; but from your riches you shall be removed. (Enoch 94:8) You also shall sit upon twelve thrones, judging the twelve tribes of Israel. (Mat. 19:28) I will place each of them on a throne of glory. (Enoch 108:12) Woe unto that man through whom the Son of Man is betrayed! It had been good for that man if he had not been born. (Mat. 26:24) Where will the habitation of sinners be . . . who have rejected the Lord of Spirits? It would have been better for them, had they never been born. (Enoch 38:2) ...between us and you there is a great gulf fixed. (Luke 16:26) ...by a chasm . . . are their souls are separated (Enoch 22: 9,11) In my Father's house are many mansions (John 14:2) In that day shall the Elect One sit upon a throne of glory, and shall choose their conditions and countless habitations. (Enoch 45:3) ...that you may be called the children of light (John 12:36) ...the good from the generation of light (Enoch 108:11) ...the water that I shall give him shall be in him a well of water springing up into everlasting life. (John 4:14) ...all the thirsty drank, and were filled with wisdom, having their habitation with the righteous, the elect, and the holy. (Enoch 48:1) The one direct quote in the New Testament is by Jude, a brother of Jesus Christ: Jude 1:14-15, quoting Enoch 1:9 "And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord comes with ten thousands of his saints, to execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches, which ungodly sinners have spoken against him."
2 Enoch Also Called the Secrets of Enoch and the Slavonic Book of Enoch
A Saga of the Year 3000
The Second Book of Enoch
The Book of Enoch the Prophet
A Complete Guide and Reference
"The Book of Enoch" is not part of the biblical canon as used by Jews, apart from Bata Israel. Most Christian denominations and traditions may accept the Books of Enoch as having some historical or theological interest, but they generally regard the Books of Enoch as non-canonical or non-inspired. It is regarded as canonical by the Ethiopian Orthodox Tewahedo Church and Eritrean Orthodox Tewahedo Church, but not by any other Christian groups.It is wholly extant only in the Ge'ez language, with Aramaic fragments from the Dead Sea Scrolls and a few Greek and Latin fragments. For this and other reasons, the traditional Ethiopian belief is that the original language of the work was Ge'ez, whereas non-Ethiopian scholars tend to assert that it was first written in either Aramaic or Hebrew; Ephraim Isaac suggests that the Book of Enoch, like the Book of Daniel, was composed partially in Aramaic and partially in Hebrew. No Hebrew version is known to have survived. It is asserted in the book itself that its author was Enoch, before the Biblical Flood.Although evidently widely known during the development of the Hebrew Bible canon, 1 Enoch was excluded from both the formal canon of the Tanakh and the typical canon of the Septuagint and therefore, also from the writings known today as the Deuterocanon. One possible reason for Jewish rejection of the book might be the textual nature of several early sections of the book that make use of material from the Torah; for example, 1 En 1 is a midrash of Deuteronomy 33. The content, particularly detailed descriptions of fallen angels, would also be a reason for rejection from the Hebrew canon at this period - as illustrated by the comments of Trypho the Jew when debating with Justin Martyr on this subject: "The utterances of God are holy, but your expositions are mere contrivances, as is plain from what has been explained by you; nay, even blasphemies, for you assert that angels sinned and revolted from God." (Dialogue 79)The Book of Enoch was considered as scripture in the Epistle of Barnabas (16:4) and by many of the early Church Fathers, such as Athenagoras, Clement of Alexandria, Irenaeus and Tertullian, who wrote c. 200 that the Book of Enoch had been rejected by the Jews because it contained prophecies pertaining to Christ. However, later Fathers denied the canonicity of the book, and some even considered the Epistle of Jude uncanonical because it refers to an "apocryphal" work.
Enoch - ????, Chanoch or Hanokh - is the name given to one of the most peculiar and mysterious biblical characters in Scripture. He was born, according to the Jewish writings, in the seventh generation after Adam, being the son of Jared, and father of Methuselah.Enoch is the subject of many Jewish and Christian traditions. He was considered the author of the Book of Enoch and also called Enoch the scribe of judgment.According to the Hebrew written tradition called Tanakh, reported in Genesis, chapter 5, verses 22-24, Enoch would have been taken by God so that he would not experience death and would have been spared the wrath of the flood:"And Enoch walked with God, after he begat Methuselah three hundred years, and begat sons and daughters. And all the days of Enoch were three hundred and sixty-five years. And Enoch walked with God; and he appeared no more, because God took him.There are two extraordinary aspects in Enoch's account, focused on in these verses, which have not been focused on in other generations: the indications in the text that he "walked with God" and the fact that he supposedly would not have died, because "God took him. These accounts were the origin of many fables and midrashim (deeper rabbinical studies) of wise Jews over the centuries. Many of them were very bothered by the fact that Enoch "only" lived 365 years, a short life span for his time, according to the book of Genesis.About this biblical character there are also the apocryphal pseudoepigraphic books: "Book of Enoch I" and "Book of Enoch II", which are part of the canon of some religious groups, mainly the Christians of Ethiopia", but which were rejected by the Christians, because they were not inspired by the Holy Spirit and the Hebrews, because they were particularly troublesome from the political point of view. However, the epistle of Judas, in the biblical New Testament, makes express mention of the Book of Enoch, making a brief quotation in verses 14 and 15 of its single chapter. According to The Book of Enoch: with comparative study of the main translations, there are several books attributed to Enoch, three of which are the best known: The Book of Enoch (or Ethiopian Enoch or Enoch 1), The Second Book of Enoch (or Slavonic Enoch) and The Third Book of Enoch (or Hebrew Enoch). The best known is the first one, which is included in the Ethiopian bible, is considered authentic by the Jews of Ethiopia and was considered authentic by the Jews until about the year 200, having been part of the Hebrew biblical corpus until that time and having been removed by a rabbi, for several reasons, including politics. About 200 years later, St. Jerome, in charge of creating the Christian bible, based himself on the principle of "Hebrew truth", which meant that the books considered authentic by the Jews (from the Old Testament) were authentic. For this reason, the Book of Enoch fell into oblivion in the West, until it was found more than a thousand years later. The Book of Enoch (Enoch 1) was first translated and published in Brazil in 1982. The Book of Enoch is extremely controversial, because it addresses sexual and racial issues. One of the controversies is that of the fallen angels who descended from heaven to have sexual relations with women they considered attractive and generated giants that destroyed the Earth. Another polemic is that according to one passage, Adam and Eve had black children and Adam was white, which indicates that Eve was black.According to the account in Genesis about the age of the patriarchs, Seven and their children were still alive when Enoch was taken by God, as well as Methuselah and Lamech.
The text known as "Second Enoch," was discovered in 1886 by Professor Sokolov in the archives of the Belgrade Public Library. The Second Book of Enoch, or 2 Enoch was written in the latter half of the first century A.D. but had gone through alterations and additions to make it more acceptable to the Christian community. It was written in Slavonic but had evidence of being translated from another language. 2 Enoch has also been known by the title "The Secrets of Enoch." 2 Enoch and is an expansion of Genesis 5:21-32, taking the reader from the time of Enoch to the onset of the great flood of Noah's day.
The Books of Enoch, Jubilees, and Jasher together in one volume FONT IS 8 POINT TYPE (There is a Large Print Edition for the vision impaired) *Enoch- Is derived from the R.H. Charles translation of The Book of Enoch reprinted and published under that name in 1917 with reworked verse numbers (Usually at sentence beginnings) for a more uniform pattern and more fluent reading experience. *Jubilees- Is derived from the R.H. Charles translation of The Book of Jubilees, or the Little Genesis reprinted and published under that name in 1917 excluding the [Anno Mundi] date stamps, for a more uniform pattern and more fluent reading experience. *Jasher- Is derived from the texts of The Book of Jasher Published By J.H. Parry & Company 1887 the Translator of the text is unknown to the editor.
The Books of Enoch, Jubilees, and Jasher
The Lost Book of Enoch
A Problem of Choice
The Books of Enoch
Commentary on the Book of Enoch
This eBook is packaged with supporting literary and visual elements regarding the subjectivity of Enoch. The core, and complete English translation of 1 Enoch (Ethiopian Enoch) has been remastered from the original R.H. Charles version. Chapters along with their headings have been logically organized into a more readable book like format rather than the un-organized Charles manuscript. An original page scan of the Ethiopic manuscript is additionally included along with an array of supporting extras: Dead Sea Scrolls Chart, Book of Adam and Eve, Book of Giants, Fossil Evidence of Giants, Fossil Evidence of Noah's Ark, Testament of Solomon, References to Enoch in Other Manuscripts, General Biblical Timelines, Spiritual Charts, Enochian Calendar, 4,000 Year Old Science, How to Know You're Saved, and several others. These extras were added to this Enoch package due to their supporting informational elements. This eBook is void of errors and due to its magnitude is not free like other versions I have released.
This book includes 1 Enoch: The Ethiopic Book of Enoch; 2 Enoch: The Slavonic Book of the Secrets of Enoch; 3 Enoch: The Hebrew Book of Enoch; and versions of the Book of Giants. The 1st Book of Enoch, the Ethiopic Book of Enoch, or 1 Enoch is more known as simply the Book of Enoch. Although this book is considered apocryphal for the Western canon, it is contained in the Ethiopic Bible. It was considered sacred by some important first followers of Christ but it was left out of the Bible and disappeared for centuries until it was rediscovered in 1773 in Ethiopic. This manuscript was first translated into English in the 1820s and into German in the 1830s. According to most scholars, part of it was written in third century BCE and part of it in the first century CE (the part related to the Son of Man). Although the oldest complete copies of 1 Enoch are K-9 or Kebran 9, dated late fourteenth early fifteenth century and Ethiopian Monastic Microfilm Library (EMML 2080) of the fifteenth or fourteenth century, fragments found in Qumram in the 1950s are more than 2000 years old. Other old important manuscripts are Abbadianus 55 (possibly fifteenth century) and British Museum Orient 485 (first half of the sixteenth century). The 2nd Book of Enoch, the Slavonic Enoch, or 2 Enoch, is another apocryphal book, found complete only in Old Slavonic manuscripts, and it was once present in the Old Slavonic Bible. It's usually dated to the first century CE although Matthew Black in The Oxford Guide to People & Places of the Bible state that there is no manuscript "earlier than the fourteenth century BE." The 3rd Book of Enoch, the Hebrew Enoch, or 3 Enoch, is a Rabbinic text originally written in Hebrew usually dated to the fifth century CE. Some experts believe it was written by Rabbi Ishmael (second century CE), familiar with both 1 Enoch and 2 Enoch. The Book of Giants contains a narrative that involves the antediluvian giant offspring originally known from both the Genesis and the Book of Enoch. The Book of Giants resembles particularly 1 Enoch: The First Book of Enoch.
It was a mention in the New Testament by Jude that alerted David Humphries to the existence of The Lost Book of Enoch, one of the greatest examples of early Hebraic literature and part of the canon, widely known by early Christians, until the fourth century, when it was banned by the church authorities and virtually disappeared. Enoch, father of Methuselah and of the seventh generation from Adam, walked with the Archangels who took him up to heaven and revealed to him the secrets of the universe and the future of mankind. He wrote down all he saw and learned for the benefit of his son and future generations. This is the background to the marvellous Apocalyptic vision which bears his name, composed in Aramaic and Hebrew verse between 200bc and 100ad by scholars who regarded themselves as the heirs to the prophets. For 1600 years, the book was lost; then, at the end of the 19th century, an Ethiopic manuscript was discovered. This book is based on scholarly reconstruction of the greatest of the Apocalypse sagas, now available for the first time to a wide audience.
This is the only modern translation of the complete collection of deuterocanonical books known popularly as "The Apocrypha" that also includes Enoch, Jasher, and Jubilees. Aside from Jasher, they were included as secondary works in the canon of Scripture for most of the Church's history. The Literal Standard Version (LSV) is a modern translation that stays true to the original manuscripts. This handsome 6" x 9" edition features a matte finish with thick, high-quality, cream-colored pages and 8-point Times New Roman font for elegance and easy reading. The Complete Apocrypha offers a staggering two-thirds as much material as the canonical 66 books of the Holy Bible. Additionally, the apocryphal versions of Esther and Daniel are included in their entirety.The Complete Apocrypha includes Tobit, Judith, Wisdom, Sirach, Baruch, 1st, 2nd, 3rd, and 4th Maccabees, 1st and 2nd Esdras, Prayer of Manasses, Enoch, Jubilees, Jasher, Psalm 151, and all of the apocryphal additions to Daniel and Esther (including The Prayer of Azariah, Susanna, and Bel and the Dragon). This collection is published by Covenant Press, the publishing arm of the Covenant Christian Coalition.

Have you ever closed your Bible and thought, What did I just read? Or maybe you have tried to read through the Bible in a year, but quit when it felt confusing or impersonal. The Bible Recap is here to help. Tara-Leigh Cobble, host of the popular Bible Recap podcast, walks readers through a one-year chronological Bible reading plan and explains each day's passage in an easy-to-understand way. Emphasizing how God's character can be seen throughout Scripture, the recaps are simple and short yet deep enough to help you understand the hard parts and press into knowing God better. As Cobble says, The primary role of Scripture is to show me who God is, and if I behold God, my life will naturally conform around what I learn about him. The Bible Recap will not only help you understand the entire narrative of the Bible, it will fortify your faith.
The Dictionary of Deities and Demons in the Bible (DDD) is the single major reference work on the gods, angels, demons, spirits, and semidivine heroes whose names occur in the biblical books. Book jacket.
Only 35,000 humans remain... ...and the aliens hunt them for sport. Who will lead the uprising? In the year A.D. 3000, Earth is a dystopian wasteland. The great cities stand crumbling as a brutal reminder of what we once were. When the Psychlos invaded, all the world's armies mustered little resistance against the advanced alien weapons. Now, the man animals serve one purpose. Do the Psychlos' bidding or face extinction. One man, Jonnie Goodboy Tyler, has a plan. They must learn about the Psychlos and their weapons. He needs the other humans to follow him. And that may not be enough. Can he outwit his Psychlo captor, Terl? What is their weakness? The fate of the Galaxy lies on the Battlefield of Earth. This is one of the finest examples of science fiction ever written, with nuance, sub-plots, and action all the way through. A masterpiece at over 1,000 pages. You'll love this epic New York Times bestseller by L. Ron Hubbard, because his vision of science fiction was ahead of its time. Get it now. "Pulse-pounding mile-a-minute sci-fi action-adventure that does not stop. It is a masterpiece of popular adventure science fiction." —Brandon Sanderson "Battlefield Earth is like a 12-hour 'Indiana Jones' marathon. Non-stop and fast-paced. Every chapter has a big bang-up adventure." —Kevin J. Anderson (co-author of the Dune Sagas) "Over 1,000 pages of thrills, spills, vicious aliens and noble humans. I found Battlefield Earth un-put-downable." —Neil Gaiman
The ultimate reference and guide to the book of 1 Enoch (The Ethiopic Book of Enoch) containing the author's notes and insights on the ancient text, commentary, parallel Bible verses, history, prophecy, and the Calendar of Enoch. The author has included an amazing section on the application of the Calendar of Enoch to the prophecy of Daniel and "Daniel's Week of Years." Joseph Lumpkin is the author of the best selling books, "The Lost Book of Enoch - A Comprehensive Transliteration," "The Second Book of Enoch," and "The Third Book of Enoch." Now he brings us his extensive knowledge in Enochian literature in this single-source reference for those seeking more information on the Book of Enoch and its contribution to the Christian and Jewish faiths.

The Bible Recap
3 Enoch, also called "The Third Book of Enoch," "The Hebrew Book of Enoch," and "The Book of the Palaces," purports to have been written in the second century A.D. by a Rabbi, who became a 'high priest' after he had visions of an ascension to Heaven, 90 AD - 135 A.D. The book is part of the Merkabah tradition, which are writings with the theme of ascension into heaven. The name is derived from a Hebrew word meaning " chariot," referring to Ezekiel's vision beginning in Ezekiel 1:4. 3 Enoch is also part of the Temple or Hekalot body of literature. The name Sefer Hekhalot means, "Palaces" or "Temples." 3 Enoch is one of the supreme sources of Jewish mystical knowledge. The Hebrew Book of Enoch (3 Enoch) has been translated using Hebrew source materials and contains "in-text" commentary. This volume contains copious notes designed to guide the reader through the difficulties of language, theology, and mystical references. It is a necessary resource for those engaged in the study of religion, religious history, or mysticism.
Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world.The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work.We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
What books were left out of the Bible and why? First issued in 1926, this is the most popular collection of apocryphal and pseudepigraphal literature ever published. Here, in one place, are the infancy gospels, the letter of Jesus to Abgarus, the Gospel of Nicodemus, the Legends of Paul and Thecla, the Epistles of Clement and Barnabus, the Shepherd

The Watchers, Nephilim, and the Book of Enoch
