

The Duff Neo

Seventeen-year-old Bianca Piper may not be the prettiest girl in her high school, but she has a loyal group of friends, biting wit, and a spot-on BS detector. She's also way too smart to fall for the charms of a man-slut and slimy school hottie Wesley Rush, who calls Bianca the Duff - the designated ugly fat friend - of her crew. But things aren't so great at home and

Get Free The Duff Neo

Bianca, desperate for a distraction, ends up kissing Wesley. Worse, she likes it. Eager for escape, Bianca throws herself into a secret enemies-with-benefits relationship with him. Until it all goes horribly wrong. It turns out Wesley isn't such a bad listener, and his life is pretty screwed up, too. Suddenly Bianca realizes with absolute horror that she's falling for the guy she thought she hated more than anyone. With a wry

European integration is at a turning point with implications for all member states and their citizens. The Amsterdam treaty marks a shift towards constitutional issues. Integration has involved a continually evolving process of constitution making. A group of leading scholars argue that the shift towards constitutional issues is rooted

Get Free The Duff Neo

not only in the issues on the European level, but also in shifting models of political and economic organisation in the member states. Paradoxically, however, this push towards integration is accompanied by a number of institutional changes and political decisions, which challenge the picture of on-going integration, and indicate a shift towards a new pluralism in the Euro-polity. The contributors address questions such as; what are the likely

Get Free The Duff Neo

effects of the Amsterdam treaty changes in comparison with Maastricht?; how will these changes effect the complex balance among the governing institutions of the EU?; and what will be the implications for the lingering quest for democracy?

Highlighting neo-Victorian humour's crucial role in shaping contemporary re-visions of nineteenth-century culture, this volume explores the major aesthetic, ideological and ethical

Women Writing the Neo-Victorian Novel

Get Free The Duff Neo

The British Missionary Enterprise since 1700

The danger to British democracy in the interwar period came from a different source to that which has thus far been assumed. It came from a network of radical conservatives who challenged the political system and sought to replace it with an authoritarian corporate state. In this book, Bernhard Dietz provides the first systematic analysis of this network and its members, which are called Neo-Tories.

Get Free The Duff Neo

With strong links to the European right, yet a minority back home, this group of British conservatives are all the more fascinating today because it is on their ultimate failure that the success of British democracy rested.

Missions are an important topic in the history of modern Britain and of even wider importance in the modern history of Africa and many parts of Asia. Yet, despite the perennial subject matter, and the publication of a large number of studies of particular aspects of missions,

Get Free The Duff Neo

there is no recent, balanced overview of the history of the missionary moment during the last three hundred years. The British Missionary Enterprise since 1700 moves away from the partisan approach that characterizes so many writers in field and instead views missionaries primarily as institution builders rather than imperialists or heroes of social reform. This balanced survey examines both Britain as the home base of missions and the impact of the missions themselves, while also evaluating the independent

Get Free The Duff Neo

initiatives by African and Asia Christians. Also addressed are the previously ignored issues of missionary rhetoric, the predominantly female nature of missions, and comparisons between British missions and those from other predominantly Protestant countries including the United States. Jeffrey Cox brings a fresh and much needed overview to this large, fascinating and controversial subject.

The Sunday Times bestselling edition of Chips Channon's remarkable diaries. Born

Get Free The Duff Neo

in Chicago in 1897, 'Chips' Channon settled in England after the Great War, married into the immensely wealthy Guinness family, and served as Conservative MP for Southend-on-Sea from 1935 until his death in 1958. His career was unremarkable. His diaries are quite the opposite. Elegant, gossipy and bitchy by turns, they are the unfettered observations of a man who went everywhere and who knew everybody. Whether describing the antics of London society in the interwar years, or the growing scandal

Get Free The Duff Neo

surrounding his close friends Edward VIII and Wallis Simpson during the abdication crisis, or the mood in the House of Commons in the lead up to the Munich crisis, his sense of drama and his eye for the telling detail are unmatched. These are diaries that bring a whole epoch vividly to life. A heavily abridged and censored edition of the diaries was published in 1967. Only now, sixty years after Chips's death, can an extensive text be shared.

Get Free The Duff Neo

perfectly embodied the qualities vital to the task: a capacious ear for gossip, a neat turn of phrase, a waspish desire to tell all, and easy access to the highest social circles across Europe.[...]

Blending Woosterish antics with a Lady Bracknellesque capacity for acid comment. Replete with fascinating insights.' Jesse Norman, Financial Times

This is an introduction to Scottish history in the 18th which is completely up-to-date and gives equal emphasis to politics and religion. Once a small and

Get Free The Duff Neo

isolated country with an unenviable reputation for poverty and instability, by 1800 Scotland it was emerging as an economic powerhouse, a major colonial power and an internationally acclaimed center of European philosophy, science and literature. This thematic investigation explores the experiences and responses of a people whose world was being fundamentally reconfigured and offers some topical and thought-provoking lessons from a dramatic period when, willingly or with great reluctance, the Scots adapted

Get Free The Duff Neo

themselves to rapidly changing circumstances. Starting with the threshold of the Act of Union (1707) and running through to 1800 and the outbreak of the Napoleonic Wars, This book covers the impact of the Enlightenment on Scotland and Scotland's own very significant contribution to this via Adam Smith, David Hume and their circle. Setting social, cultural and economic analyses within a firm political framework, Scotland's internal story is placed in the wider context of Britain, Europe and Empire, and

Get Free The Duff Neo

her role and identity within the newly united Britain assessed.

Get Free The Duff Neo

How is it that the age of Enlightenment gave rise to the genre of the literary ghost story? What did the term 'Gothic' mean, when Horace Walpole used it in the subtitle of his experimental novel The Castle of Otranto? How did a type of writing which broke. Based on intensive research, it demonstrates the importance of a historical understanding of the genre, and will be influential in the development of Gothic studies.. It is prestigious and timely: Gothic is a highly active research area and has a growing presence in the university syllabus.. Clery and Miles are well-respected and much cited critics who have already published widely in this field.. This is a unique anthology filling an important gap in the market; an indispensable resource for students, teachers and scholars.

Women Writing the Neo-Victorian Novel: Erotic "Victorians" focuses on the work of British, Irish, and Commonwealth women writers such as A.S. Byatt, Emma Donoghue, Sarah Waters, Helen Humphreys, Margaret Atwood, and Ahdaf Soueif, among others, and their attempts to re-envision the erotic. Kathleen Renk argues that women writers of the neo-Victorian novel are far more philosophical in their approach to representing the erotic than male writers and draw more heavily on Victorian conventions that would proscribe the graphic depiction of sexual acts, thus leaving more to the reader's imagination. This book addresses the following questions: Why are women writers drawn to the neo-Victorian genre and what does this reveal about the state of contemporary feminism?

Get Free The Duff Neo

How do classical and contemporary forms of the erotic play into the ways in which women writers address the Victorian “woman question”? How exactly is the erotic used to underscore women’s creative potential? Since the global financial crisis of 2008, advanced economies have been making various efforts to overcome the economic impasse. While the contrast between the countries that have escaped from the crisis relatively quickly and those still suffering from serious problems is becoming clearer, a new economic crisis stemming from newly emerging economies has again impacted advanced economies. In retrospect, both leftist and rightist governments in advanced economies pursued expansive macroeconomic and welfare policies from the post-WWII

Get Free The Duff Neo

period to the oil shocks of the 1970s. While we recognise that the particular policy regime in this 'Golden Decades' during which the left and the right implemented similar policies cross-nationally, were characterised by outstanding economic growth in each country, the specific growth patterns varied across countries. Different social coalitions underpinned different growth models. This book is premised on tentative conclusions that Magara and her research collaborators have reached as a result of three years of study related to our previous project on economic crises and policy regimes. Recognising the need to analyse fluid and unstable situations, we have set up a new research design in which we emphasise political variables—whether political leaders and citizens can

Get Free The Duff Neo

overcome the various weaknesses inherent in democracy and escape from an economic crisis by establishing an effective social coalition. A new policy regime can be stable only if it is supported by a sufficiently large coalition of social groups whose most important policy demands are satisfied within the new policy regime.

Recounts six summits which had a significant political impact during the twentieth century, including the Yalta summit in 1945 with Churchill, Roosevelt and Stalin, and the Geneva summit in 1985 with Gorbachev and Reagan.

Winner of the 2008 British Society of Criminology Book Prize Sex offenders, particularly those who offend against children, feature prominently in contemporary law and order debates. Child sexual abuse is a small component of the broader category of 'gendered and sexualised violence' which causes

Get Free The Duff Neo

significant trauma for victims yet continues to evade conventional approaches to justice. This is evidenced not only by the low number of prosecutions, due mostly to low levels of reporting and evidential difficulties at trial, but also by the failure of the justice system to prevent re-offending, largely due to the limited availability and effectiveness of prison treatment programmes. Following Braithwaite's dichotomy of 'reintegrative' and 'disintegrative' shaming, this book argues that contemporary popular and state-led responses to the risk posed by sex offenders are largely disintegrative

Get Free The Duff Neo

in nature. At best, the offender may be labelled, stigmatised and ostracised from the community, while at worst, he may be subjected to violence and vigilante action and ultimately return to offending behaviour. The failure of these retributive responses means there is considerable scope for exploring alternative forms of justice and their potential for improving the outcome for victims, offenders and communities affected by sexual offences. This book examines the controversy of whether restorative justice can be applied to child sexual abuse as one of the most intractable of contemporary societal

Get Free The Duff Neo

problems, and if so, what special considerations might apply. Although restorative schemes with sex offenders are in short supply, a few initiatives have developed in Canada and parts of the United States which have effected significant benefits in 'reintegrative shaming.' The book examines whether such ad hoc schemes may be of general application with child sexual abuse and whether they may be implemented on a more holistic basis.

In 1839 a diverse group of Hindu leaders began gathering in Calcutta to share and propagate their faith in a non-idolatrous form of worship. The group,

Get Free The Duff Neo

known as the Tattvabodhini Sabha, met weekly to worship and hear discourses from members on the virtues of a rational and morally responsible mode of worship. They called upon ancient sources of Hindu spirituality to guide them in developing a form of modern theism they referred to as "Vedanta." In this book, Brian Hatcher translates these hitherto unknown discourses and situates them against the backdrop of religious and social change in early colonial Calcutta. Apart from bringing to light the theology and moral vision of an association that was to have a profound influence on religious and

Get Free The Duff Neo

intellectual life in nineteenth-century Bengal, Hatcher's analysis promotes reflection on a variety of topics central to understanding the development of modern forms of Hindu belief and practice.

A survey of Arabic and allied loanwords in Western languages is a first-rate tool to assess the impact of Islamic factors in the emergence and background of Western civilization. The Romance languages of the Iberian Peninsula are in an ideal position for this kind of research, considering the length and strength of Muslim states on its soil.

The DUFF

The foreign policies of Turkey and Iran seem increasingly to dictate the course of events in the Middle East. More recently, and especially following the Syrian crisis, the spotlight has turned to these states' dynamic re-entry onto the political stage, revealing them as key players with an international

Get Free The Duff Neo

role in efforts towards the balance of power across the region. This book traces the major determinants of Turkish and Iranian foreign policies and their influence on events in the Middle East. Based on an examination of these states' politics and policies since 1979, and using material gathered from interviews with leading political figures from Turkey, Iran and the Kurdistan Region of Iraq, Marianna Charountaki offers fresh insights into how we understand the contemporary global order. Of particular importance, this book shows, is the effect of both external and internal factors on foreign policy and how the interaction between state and non-state actors informs political decisions. In

Get Free The Duff Neo

placing these issues in a theoretical framework, Marianna Charountaki pioneers a new conceptual map within International Relations. An interdisciplinary study that provides a fresh new perspective, this book will be of particular interest to scholars of International Relations, Politics, Foreign Policy, Kurdish and Middle East Studies.

Just as ontology developed over the centuries as part of philosophy, so in recent years ontology has become intertwined with the development of the information sciences. Researchers in such areas as artificial intelligence, formal and computational linguistics, biomedical informatics, conceptual modeling, knowledge engineering and information

Get Free The Duff Neo

retrieval have come to realize that a solid foundation for their research calls for serious work in ontology, understood as a general theory of the types of entities and relations that make up their respective domains of inquiry. In all these areas, attention has started to focus on the content of information rather than on just the formats and languages in terms of which information is represented. A clear example of this development is provided by the many initiatives growing up around the project of the Semantic Web. And as the need for integrating research in these different fields arises, so does the realization that strong principles for building well-founded ontologies might provide significant advantages over ad hoc,

Get Free The Duff Neo

case-based solutions. The tools of Formal Ontology address precisely these needs, but a real effort is required in order to apply such philosophical tools to the domain of Information Systems. Reciprocally, research in the information science raises specific ontological questions which call for further philosophical investigations.

Thanks to a combination of hormone overload, peer pressure, and social beliefs, teens and even preteens often feel misunderstood or alienated and are treated as unimportant or an outcast. These feelings are a combination of many things but generally come down to trying to figure out your place in the world from

Get Free The Duff Neo

under your parent's thumb. Sports and video games sometimes help you escape the pressures of life for a little while. but they are not solutions. You need answers that can help you get a clearer picture of where you're going in life and what you want to be like when you get there. Through movies, we can see the best and worst in ourselves. These studies will help you as a young adult (ages eleven to sixteen) to see beyond the movie's storyline and into the heart of the feelings and issues the characters are dealing with. If you haven't had to deal with some of these issues yet, hang on. They're coming. You need to give serious thought now about how you will choose to deal with these issues when they do come up. No

Get Free The Duff Neo

one can do it for you. Going through these questions is a good way to get started thinking. The world is ever-changing, but we have the one thing that will never change--God's Word. Living in this world can be rough, but you can be the one to make it better. Not all of the movies are rated to be seen by someone your age, but they don't have to be. You don't have to see the movies to do this study. The questions will guide you through the scenes so you can focus on the issues without dealing with the emotions that accompany visual images. Despite this, some topics may still be too sensitive for some people. For this reason, movies that focus solely on death or evil are noted with an asterisk on the

Recapturing Freedom is about the experience of long-term prisoners as they prepare for release. Dot Goulding shows the connection between the institutionalisation that strips inmates of their identity in order to make them tractable, and their subsequent, all-too-common failure to cope with life on the outside. Her book is based on extensive in-depth interviews with male and female prisoners. Recurring themes are the relentless surveillance and control to which prisoners are subjected, and the

Get Free The Duff Neo

centrality of violence and brutalisation in the prison experience - group violence, sexual violence and, according to the interviewees, violence which is officially sanctioned. Recapturing Freedom shows why most long-term prisoners find freedom so hard to recapture - physically free but mentally still locked into a subculture of brutality, isolation and deprivation, it is most often prison that recaptures them. Goulding finishes her book with suggestions on how, taking account of the actual experiences of prisoners, this

Get Free The Duff Neo

endless cycle of recidivism might be stopped.

The three-volume set CCIS 1224, CCIS 1225, and CCIS 1226 contains the extended abstracts of the posters presented during the 22nd International Conference on Human-Computer Interaction, HCII 2020, which took place in Copenhagen, Denmark, in July 2020.* HCII 2020 received a total of 6326 submissions, of which 1439 papers and 238 posters were accepted for publication in the pre-conference proceedings after a careful reviewing process. Growth, Crisis, Democracy

Duff Gordon in Italy is a comedy drama set in Northern Italy and Switzerland. It is the first in a series of romps around Europe featuring Duff Gordon Associates of Piccadilly, an organisation loved by the British Establishment where the utmost discretion is required. In this story Count Ferdinand Vespucci needs new keys to his vault box in a Zurich bank. His father enabled the Nazis to buy in to the Swiss banking system in 1942 and capital and substantial interest is due. Proof of this is in the promissory note in the family box. Vespucci

Get Free The Duff Neo

discovers his key no longer fits the box which strongly suggests the bank is stalling on the repayment of 800 million Swiss Francs, 650 million Euro. Time is running out for the Vespucci brand names, Pucci Pasticceria and Pucci Pomodori that are facing unprecedented hard times. In desperation Vespucci calls on his chum from his Oxford University College days, Duff Gordon. Armed with new keys, the elder of the count's sons Clementino, (Clementino and Ignatio are Little People), discovers the note is missing from the box and that the bank is actually owned by a Neo-Nazi organization known as the "Stalhelm." This organization has access to the rear of the vault boxes. Duff Gordon Associates comes to the rescue once more with plans for an audacious robbery in

Get Free The Duff Neo

which Clementino and Ignatio will retrieve the promissory note, rare Nazi documents and paraphernalia once belonging to Adolph Hitler. These will be used to encourage the bank to pay the money owing. The twins find safe haven from Nazi thugs with a relative, the Countess Anna at her estate in St. Moritz in Switzerland, until they venture out into the fairground they love ... Tensions between the twins are many, not least because only one, Clementino, will inherit the title count and family estate at Bergamo, being born twenty minutes before his brother. Both boys are in love with different girls, Ignatio with Gabrielle, a completely unsuitable (in his father's eyes) shepherd's daughter and Clementino with Sophie, a six foot four inch debutante who,

Get Free The Duff Neo

unfortunately, prefers girls. The ending is a cliff-hanger that begins with Gabrielle saving her beloved Ignatio from certain death, on a cliff face.

Explains and explores the important areas of psychology through a cultural perspective This book addresses key areas of psychology, placing them in cultural perspective via a comprehensive overview of current work integrating culture across the major subfields of psychological science. Chapters explore the relation of culture to psychological phenomena, starting with introductory and research foundations, and moving to clinical and social principles and applications. It covers the subfields that are of most importance to undergraduates and beginning graduates, such as consciousness, development,

Get Free The Duff Neo

cognition, intelligence, personality, research methods, statistics, gender, personality, health, and well-being. Cross-Cultural Psychology: Contemporary Themes and Perspectives, 2nd Edition is richly documented with research findings and examples from many cultures, illuminating the strengths and limitations of North American psychology, while also highlighting the diversity and vitality of this fascinating field. The book offers many new chapters, in addition to fully updated ones from the previous edition. Starting with basic concepts in the subject, the book offers chapters covering ethnocentrism, diversity, evolutionary psychology, and development across cultures. It also examines education, dreams, language and

Get Free The Duff Neo

communication issues, sex roles, happiness, attractiveness, and more. Provides a comprehensive overview of current work integrating culture across major subfields of psychological science Offers introductory chapters on topics such as cultural psychology and ethnocentrism, which provide a foundation for more specialized chapters in development, education, cognition, and beyond Features new chapters in areas such as cultural competence, culture and dreams, education across cultures, abnormality across cultures, and evolutionary psychology Presents chapters by some of the leading contributors to the fields of cultural and cross- cultural psychology Cross-Cultural Psychology: Contemporary Themes and Perspectives, 2nd Edition is

an ideal book for undergraduate and graduate courses in cultural or cross-cultural psychology.

In this book, distributional justice theories developed by John Rawls and Amartya Sen are applied to the governance of today's media, proposing a fresh, and innovative assessment of the potential role for media in society. Three case studies describe the utilization of new media by marginalized communities in Israel – Ethiopian immigrants, the Bedouin and Palestinians – and set the stage for media policy scholars, teachers and students to discuss an analytic framework for media policy that is fresh, different, innovative and original. Departing from the utilitarian principles that dominate Western liberal regimes, and that have led to the

Get Free The Duff Neo

proliferation of media systems in which control is concentrated in the hands of the few, this work proposes an alternative that focuses on redistributing power and voice.

In the 1790s, while across the Channel a political revolution raged, Britain was struck by a reading revolution, a taste for terror fiction that seemed to know no bounds. Ann Radcliffe and "Monk" Lewis were only the most celebrated of a host of writers purveying a new brand of "Gothic" literature. How is it that the age of Enlightenment gave rise to the genre of the literary ghost story? This is a landmark in the study of Gothic writing: nowhere else is the historical location of Gothic more richly or vividly illustrated.
