

The Lord The Tenth Day The 12 Days Of Christmas M

This book holds the answers to many questions that have been asked for centuries. The book of Revelations is the most complex book in the bible. No one has ever understood it completely and no one can explain it’s hidden messages. GOD reveals things to us as he pleases and always reveal them at the perfect time. Just as he revealed the visions of the book of Revelations to the Apostle John, he revealed certain interpretations of these visions to me. This book reveals the identity of the seven churches to the world. The seven churches are the heart of the book of Revelations for the message of revelations is to the seven churches. The seven churches are made up of all the people in the world and noone is left without a message through the revealments of this book. This book clarifies many mysteries that have held the imaginations of mankind for centuries. Nothing has been added or taken away from the book of revelations, things has only been identified.

The darkness that will come upon the people of God at the beginning of the day of the Lord shall not be the same as the affliction that came upon her when Jesus came the first time. The end of the age of grace will not be as dark as the end of the age of the law because the [Gentile] people that walked in darkness have seen a great light; those that dwell in the land of the shadow of death, upon them has the light shined. Yes, it’s true that great apostasy has engulfed much of Western Europe and seems to be making quite a bit of headway in North America. But what about places (to name a few) such as China, Iran, Egypt, Venezuela, Cuba, Brazil, Colombia, Africa, and even India, where the gospel is surging? Most of the end-time harvest is taking place under great adversity and persecution. So, for now it can be said, As thou hast multiplied the nation [the people of God], thou hast not increased the joy. But the day of the Lord will be the biggest game-changer ever seen in human history. For those among the people of God who have clean hearts when Jesus returns, They shall rejoice before thee as they rejoice in the harvest and as men rejoice when they divide the spoil, even as all the kingdoms of this world crumble and come down. The vision of Isaiah is a prophetic hub placed in the middle of the Scriptures with ties to almost every book in the Bible (most are footnoted in this work). There are living parables of events that actually happened during the lifetime of Isaiah, prophecies regarding Judah and Jerusalem with both a near and a far fulfillment, all interwoven with messianic prophecy depicting events surrounding the first and second comings of Jesus Christ, the final judgment, and the new creation with new heavens and a new earth. A central theme of Isaiah relates to the day of the LORD (as does the book of Revelation). We know there is a special blessing on the seventh day (Genesis 2:3). Scripture also defines what some call a “prophetic day” mentioned in both the unique Psalm attributed to Moses: For a thousand years in thy sight are but as yesterday when it is past and as a watch in the night (Psalm 90:4), and by Simon Peter: But, beloved, be not ignorant of this one thing, that one day before the Lord is as a thousand years, and a thousand years are as one day (2 Peter 3:8). Human history has now entered into the beginning of the seventh millennium since the creation of Adam, according to the years and generations meticulously recorded in Scripture. There is, however, the possibility of two distinct timelines — one dating from the creation of Adam and the other dating from the fall of man when the present world system founded on lies devised by Satan began. Scripture does not specify exactly when the curse was pronounced, and Adam and Eve were expelled from the Garden of Eden. The original world created by God (and founded on truth) was pronounced “very good.” It’s clear, however, that Satan subverted the authority God had placed on Adam, and this sorry situation will not be corrected until the day of the Lord (the seventh millennium). We now appear to be in an ambiguous period in which it’s clear (no matter what relatively minor discrepancies there may be in our calendar) that more than six thousand years have passed since the creation of Adam. However, it does not appear that six thousand years have gone by since the fall of man. If the seventh prophetic day begins with the demise of Satan and the promise he will be bound for a thousand years, the first resurrection of those who will reign and rule with Christ for a thousand years, and the return of Jesus Christ, then it’s also clear that the prophesied day of the LORD has not yet begun — although it may be very close. This is when religion that has been contaminated by man (by humanism) and manipulated by the devil will all come down. The pure and undefiled religion before God and the Father is this, To visit the fatherless and widows in their tribulation and to keep thyself unspotted by the world (James 1:27). As we enter the end-time events described by Isaiah, it’s good to keep in mind that there is a substantial godly remnant containing true ministers (servants) of God who, like Isaiah, have been cleansed by the fire of God and commissioned from the throne, and who have authority to represent God according to his will. They desire to see the people entrusted to their care joined to the Lord Jesus, so that all of God’s people may have intimate communion with him and with the Father, by the Holy Spirit. This is the only covering that will provide secure protection. How much time do we have left? I think we probably do have a little time, but not a lot. The world situation around us is not improving. It is, in fact, degenerating rapidly (even though some countries are experiencing spiritual revival). We can expect things to continue to polarize as the bride of Christ is cleansed and purified and as Babylon the Great continues to degenerate. The evil in the world will soon pass a threshold that will trigger the indignation and wrath of God the Father, and Jesus will soon return for a bride without spot or wrinkle or any such thing. These two things seem to happen in very close succession on the day of the Lord. There are other prophetic markers that may bear watching. The two thousandth anniversaries of the beginning of the ministry of Jesus, of his death and resurrection, of the outpouring of the Holy Spirit on the day of Pentecost, and of the destruction of Jerusalem and the temple are all coming up within what many of us can expect to be our lifetime. Even if the coming of the Lord should be delayed (so that more people can be given the opportunity to be saved), we are told to always be ready. None of us knows when our own death will take place and when we could be suddenly thrust into the presence of God. Russell M. Stendal

Days of the Lord

The Lord's Day: Its Divine and Moral Obligation

The Divine Authority and Perpetual Obligation of the Lord's Day, Asserted in Seven Sermons, Delivered in ... 1830

Being a Consecutive Arrangement of the Narrative and Other Portions of Holy Scripture, in the Words of the Authorised Version

Days of the Lord is an excellent guide to the riches of the Church's liturgy, and a welcome companion to the Sacramental, the Liturgy of the Hours, and the Lectionary. First published in Belgium, this outstanding seven volume series will enable all Christians to enter into the mystery of the liturgical year, to pray with understanding, to proclaim the beauty and wealth of the liturgy. More than a thorough commentary on the readings, more even than a reflection on the liturgical seasons, this series comprehends the totality of the liturgical year-that vehicle developed by the Church to express, summarize, and present "the whole mystery of Christ," the mystery that we are called to profess and celebrate every day. Since this mystery belongs to all Christians, the writers of this series have written their reflections with the average reader in mind. Yet the knowledge and insight that they bring to this work make it invaluable even to those who are themselves well versed students of the liturgical calendar. Readers will come away not only with a greater understanding of the liturgical year, its structure and meaning, but with a deepened appreciation of the prayer life the liturgical year provides through its structure.

The Day of the Lord, Unveiling the Mysteries in the Book of Revelation establishes a revolutionary new perspective on how to view the approaching prophetic end times. Developed out of his own Bible study for US Soldiers who were asking hard questions about the Apocalypse while deployed in support of Operation Iraqi Freedom (OIF), Chaplain Basal thoroughly addresses these mysteries and draws our attention to the major focus of the entire Revelation. This insight is revealed in two parallel, but separate set of interwoven visions. Both sets of visions start with a broad, overall big picture of what will take place, then the picture is refined with more detail, and finally the picture is brought into focus. The first sets of visions are depicted in the Seven Seals, Seven Trumpets, and the Seven Bowls, which culminates with the focus on the Wrath of God. The second set of visions, which he calls the First, Second, and Third Previews depict the struggle between the forces of God and Satan and finally focuses with the Third Preview on the Victorious Christ.

• See what Jesus reveals about why heaven is such a mystery, when it's found, and the two treasures to be aware of.
• Discover some of the apostle Paul revealed about judgment of the redeemed, and judgment on the world.
• Understand the mysteries about the ears that hear God, ears that do not, and unbelief.
• Learn some very enlightening truths that Jesus revealed about the effect that our words have in our lives now, and the effect they will have on the coming Day of Judgment.
• Get a brief, close-up look at two hidden kingdoms of the souls of humanity.

RELIGION / NON-FICTION The Exciting and Promised Fullfillment of the Good News Unveiled in Revelation Over the nearly 2000 years since John wrote the words of Revelation there has been hundreds of interpretations claiming to know what Revelation means and when this prophecy will occur—most of which have proven foolish and not a single one has yet proven to be right! In the Day of the Lord, the fresh air for here is not another improbable interpretation, but an extensively researched examination of the apocalyptic message in which Old Testament and New Testament Scripture explain once and for all the Revelation prophecy and Jesus's plan for the New Covenant era. In a text which comprises both a line by line interpretation of the literal, concealed story and a line by line explanation of the message, Peter W. Smith takes his readers to the very edge of the age in an engaging telling of the Revelation prophecy unlike any other account to date. The Peterbrook Series

The Lord's Day No Jewish Sabbath: Or, the Sabbatarian Heresy Confuted on Scripture Authority

Greetings-I'm Robert Harris; in writing Lord's Day Cry I've combined doctrinal readiness with the fact of Christ's Bridegroom Return. Suitably, this work makes plain Christ's initial return, which is not an at-once redemption-whether it be the at-once Rapture, or the Second Coming.Actually, both above teachings negate large portions of Scripture. Indeed, if either of these teachings represented the whole truth, then there wouldn't be a need to watch, or a need to prepare. No Tribulation Night? No Midnight Cry? No four watches? No doors? No knocking? No Jewish wedding? No Jewish feast? No Bridegroom Return with two male witnesses? No first fruits? No Like Manner Return? No partial Summer Harvest? No early and latter rains? No thief like coming in That Night? No place prepared for us? No, we are not bought with a price? In perceiving Christ's first coming, these many Scriptural references all intricately link to a Jewish nighttime wedding. No, these many references are not all just allegoric and meaningless, as many would have us believe.Now Jesus warned, "Take heed to yourselves, lest at anytime your hearts be overcharged with surfeiting (overindulgence), and drunkenness, and the cares of this life, so that day come upon you unawares. . . .Watch you therefore, and pray always, that ye may be accounted worthy to escape all these things . . ." (Luke 21:34-36). Here, in praying always, it is the Christian that is to be sober in doctrine, and not to be overtaken with overindulgence and the cares of this life-not the unbeliever (1 Thess. 5:6-8). Sadly, the need to look for the Day of our Redemption, not to mention the need of preparedness for Christ's Bridegroom Return, isn't widely being taught in the Body of Christ. It's time to change that!

The Bible book of Revelation is a prophetic warning of God's judgment upon mankind. It was presented in visions to Apostle John, who transmitted it to the early congregations at the beginning of the Christian era. An accurate understanding of the Word of God in general and Revelation more specifically can mean the difference between life or death, the difference between an eternal life of bliss in the kingdom of God or eternal death in the lake of fire. Apocalyptic Visions endeavors to provide such an understanding. Revelation reveals the culmination of a spiritual battle between God and Satan. It is a struggle for the very souls of mankind. Satan has made a challenge to the sovereignty of God and the motivations of man. The continued existence of man is at stake. The first prophecy of Genesis sets the stage for the whole theme of the Word of God, and Revelation brings it to a close. There are four distinct principles in Revelation, and a clear understanding of these elements and their interaction brings God's plan for mankind into focus. The serpent and his seed are at war with a woman and her seed. It is important that those who wish to please God be well informed with his will and commands. Those who live in accordance with the will of God receive part in the blessings of the kingdom of God.

As you to carve out a few minutes each day to sit quietly and enjoy the presence of your Lord, you will swiftly discover that He awaits you, always.

In 1883, a \$500 prize was offered for the best essay adapted to counteract the numerous and powerful influences constantly active in drawing professed Christians into fatal conformity with the world, both in spirit and practice. The theme of the essay was The Perpetual Obligation of the Lord's Day. The winning essay, entitled The Abiding Sabbath, written by the Rev. George Elliot appeared in 1884 and was issued from the press of the American Tract Society in the winter of 1884-85 in the form of a 280 page book. Another essay, this time with a \$1,000 prize, was awarded to Professor A. E. Waffle of Pennsylvania. The 418 page essay, entitled The Lord's Day; Its Universal and Perpetual Obligation, was approved by the board of the union, and was printed and copyrighted by the union in 1885. These two authoritative discussions of the question as to why Sunday should be kept as the true Sabbath are strongly refuted in this book by Adventist pioneer Alonzo T. Jones.

Considered by many to be the greatest book of Marian spirituality in one volume, True Devotion to Mary is St. Louis de Montfort's classic statement on the spiritual way to Jesus Christ though the Blessed Virgin Mary. In Behold the Handmaid of the Lord, Marian theologian Fr. Edward Looney masterfully summarizes the central teachings of St. Louis in a ten-day personal retreat that will bless even those who have completed the full devotion. During the course of ten days, you'll explore ten different titles for Mary popularized by St. Louis. Each presents a distinct aspect of her motherhood and protection while illuminating the spiritual path to Jesus through Mary. You'll get to know Mary and become devoted to her as: The Queen of All Saints Our Lady of the Holy Trinity The New Eve The Mother of the Interior Life The Mother of Disciples The Star of the Sea The Queen of All Hearts The Mediatrix of Grace The Mold of God Our Mother and Our Queen Each day you will reflect on Mary's role in your life and the practical implications of that connection before wrapping up with a brief closing prayer tailored to the day's title. You'll come away prepared to begin or renew your consecration to Mary and with a refreshed love for the Mother of Jesus. The book includes an appendix for step-by-step consecration to Mary.

"I want to know you, to understand anything at all about you, because you are the most maddening lady I have ever encountered." He's the perfect gentleman... After years hidden away from the mockery of the Ton, proud Andrew Clifton, Lord Amberstall, is finally ready to face Society again. But when his horse is injured on the road to London, Andrew finds himself literally thrown at the feet of the beautiful, infuriating, and undeniably eccentric Katie Moore. ...she's anything but a lady. Katie always preferred the stables to society, so when she was badly injured in a riding accident, she was more than happy to retreat to the countryside and give up the marriage mart for good. She never expected an infuriatingly proper lord to come tumbling into her life-and she certainly never expected to find herself wondering what it would be like to rejoin the world at his side. They couldn't be more different, and soon Andrew and Katie find themselves at odds about everything but the growing passion between them...and a keen awareness of a threat that may end their unconventional romance before it has even begun.

The Lord’s Day (First Day Sabbath), is a comprehensive study containing detailed biblical evidence supporting the New Testament’s account regarding the changing of the 7th day Sabbath to the 1st day of the week. The book is easy to read, and filled with hundreds of Biblical passages that are written out for your convenience. The book is

designed to assist any that are confused or misguided, and it will also provide insight to those that are observing the first day Sabbath but are unaware of the Biblical facts involved. Therefore, the material presented in this book will give you the confidence and assurance of knowing “that it’s biblically correct to honor and give reverences to the first day Sabbath (Sunday)” I guarantee any that reads this book will definitely be impressed with all the constructive biblical data presented, and it also contains a bonus lesson on the Holy Trinity.

Interpreting Old Testament End-Times Prophecy

My First 40 Days with the Lord

In Light of the New Testament

Behold the Handmaid of the Lord

The Old Testament is richly laden with prophecies and foreshadowings of the last days. Having never researched its treasures, however, many Christians possess a lopsided, exclusively New Testament understanding of End-Times prophecy. The Day of the Lord Commentary meticulously examines every Old Testament text foretelling or foreshadowing the dramatic people and events that consummate God ’ s prophetic plan, terminate this world order, and inaugurate Christ ’ s unprecedentedly righteous, peaceful, worldwide kingdom on earth. Only the Bible, accurately interpreted, establishes accurate End-Times views. This commentary ’ s abundant, biblical cross-references lay a deep, broad foundation for a clear, accurate eschatology. It will amaze you how often, and how specifically, Old and New Testament prophets agree. All see the same final events, and in the same order: Tribulation, Armageddon, Millennium! This in-depth study gives special attention to the Old Testament ’ s less-known “ little apocalypses ” in Isaiah, Jeremiah, Ezekiel, Daniel, and Zechariah, and identifies their many links to John ’ s well-known apocalypse, Revelation. Soundly refuting Supersessionism, it explains why God has regathered the Jews, reestablished the State of Israel, and preserved it against all odds: Israel ’ s Day of the Lord is coming! Book Review 1: "Greg Hinnant ’ s monumental work, The Day of the Lord Commentary, is a must-read for anyone interested in the final summation of End-Times events ... Greg takes the reader on an extraordinary journey through the Old Testament with three-dimensional glasses that allows one to see direct references and indirect typology concerning the great drama of redemption as it moves to its conclusion. This may be the foremost study of its kind on this topic." -- Dr. Charles H. Gauden, Old Testament Professor, Southeastern University Book Review 2: "It is exceptionally common in eschatological study to focus almost exclusively on the New Testament, yet such an approach ignores Paul ’ s admonition that all scripture is inspired (2 Timothy 3:16-17). The Day of the Lord Commentary provides a systematic overview of important references to the impending Day of the Lord found throughout the Old Testament, and weaves these prophetic expectations into one seamless tapestry throughout the whole Bible." -- Dr. Ran Whitley, DMin, PhD, Professor, Campbell University Book Review 3: "Though a Bible student all my life, certain passages remained obscure and confusing. The Day of the Lord Commentary has changed all of this, as these formerly confusing passages have now come alive. This book ’ s depth and insight into the Old Testament is astounding. How Greg was able to mine through all the rock and rubble of confusing Bible prophecy to access these precious stones of biblical revelation is truly a gift. This work is a must-read for all who desire a deeper understanding of God ’ s Word and a valuable resource for ministers, to shed light and understanding on the gospel message we proclaim." -- Sherri Leith, Senior Pastor, Family Worship Center, Port Orchard, Washington Book Review 4: "The Day of the Lord Commentary provides an in-depth study of biblical eschatology. Using a detailed comparative analysis of the eschatological oracles scattered throughout the Hebrew Bible, Greg lays out a theological roadmap for understanding God ’ s plan for Israel and the nations. This book, written from a Christian perspective, tackles some of the most intriguing End-Times prophecies recorded in Israel ’ s sacred scriptures. Pastors, preachers, and Bible teachers will greatly benefit from this thought-provoking volume." -- Dr. Igal German, Founding Director, Yesod Bible Center, and International Biblical Apologetics Association (bibleapologist.org)

Dr. G. Emmanuel Olajide was born in Lagos Nigeria to two Christian parents: Late Alfred Olajide (an accountant) and Janet Olajide (a retired School teacher). His primary School was Ijero Baptist School and he moved on to St Finbarr's College, Yaba Lagos Nigeria. Because of the shortage of University Education in Nigeria in the early 70's, Dr. Olajide was left with no option but to migrate to the United States of America for further studies, where he landed a B.Sc. Degree at Western Illinois University; And a D.C degree from Cleveland Chiropractic College. At present, Dr. Olajide is an ordained minister at Joyful Nations Ministries where he now pastors the English/Spanish section of the Ministry. Dr. Emmanuel Olajide also teaches Sunday school class at Living Truth Fellowship in Corona California. Finally, with the help of the Holy Spirit, Dr. Emmanuel Olajide takes on the challenge of a Home Bible Study and Fellowship from his home in Corona California. In addition he is an independent Medical Examiner (IME) with the State of California.

As ancient Israel's size and influence declined, her prophets began to increasingly predict a new act from God that would accomplish three things on a global scale: (1) a purifying judgment that would reset the scales of justice and remove the degrading effects of evil; (2) the carving out of a remnant community deeply devoted to Yahweh, expanding to include international participation; and (3) the ushering in of a messianic age in which goodness, harmony, and righteousness would pervade every dimension of life on earth. Jesus' disciples connected the prophetic Day of the Lord with his coming and redemptive work. Yet many questioned whether the full impact was made manifest in Jesus, since wars did not cease, broad judgment on sin and evil was not unleashed, and the full blessings of the predicted messianic age were not evident. Jesus did something that no one had anticipated, however, by splitting the Day of the Lord into two divine acts instead of one. This is what distinguishes Christianity from its Jewish roots, as well as its Islamic successor--neither of which acknowledge this unique aspect of Jesus' person and work, or the reworking of how and when the Day of the Lord would take place.
