The Philadelphia Inquirer S Guide To Historic Phil

*The first time she made a

historian Nancy Heller made the observation that led her to write this entertaining guide to contemporary art. Comparing modern art not only to pizzas but also to traditional and children's art, Heller shows us how we

Access PDF The Philadelphia Inquirer S Guide To Historic Phil

can refine analytical tools we already possess to understand and enjoy even the most unfamiliar paintings and sculptures. How is a painting like a pizza? Both depend on visual balance for much of their

Access PDF The Philadelphia Inquirer S Guide To Historic Phil

overall appeal and, though both can be judged by a set of established standards, pizzas and paintings must ultimately be evaluated in terms of individual taste. By using such commonsense examples and making

Acces PDF The Philadelphia Inquirer S Guide To Historic Phil

unexpected connections, this book helps even the most skeptical viewers feel comfortable around contemporary art and see aspects of it they would otherwise miss. Heller discusses how nontraditional

Access PDF The Philadelphia Inquirer S Guide To Historic Phil

works of art are made--and thus how to talk about their composition and formal elements. She also considers why such art is made and what it "means." At the same time, Heller reassures those of us who have felt
