General Ridgewalker Zirkander is getting married. Sardelle—the woman who’s battled dragons, shamans, and countless enemy soldiers at his side—has accepted his proposal, and it’s the perfect time for a wedding. It’s been two months since any dragons or sorceresses attacked the city, the Cofah haven’t come after their kidnapped emperor, and King Angulus has stopped yelling at Ridge for his inadvertent role in destroying the castle. Yes, it’s the perfect time for a wedding. Never mind that the resident dragon who thinks he’s a god is pressuring Ridge to build a temple for him, or that the pirate-turned-scientist Tolemek has disappeared. Or that Ridge’s mother is on the verge of discovering that magic exists and her future daughter-in-law is a sorceress. These are small hiccups, and the wedding will go smoothly. Ridge is sure of it. Really. The Well of Tears was created to harness the power of the Netherworld to prevent a magical apocalypse. Now Darien Lauchlin is the last surviving mage capable of reversing the destruction the Well unleashed. Darien will be forced to sacrifice everything of himself and everyone around him—all to preserve a nation of people who despise him. The Rhenwars Saga is a sprawling epic set in a morally gray world where there is no clear distinction between hero and villain. Purchase this Special Edition hardcover to experience epic battles, flawed heroes, and a brutal struggle where the triumph of good over evil is never guaranteed. If you enjoy the dark, sprawling world of Steven Erikson, the awe-inspiring magic of The Wheel of Time, and the compelling antiheroes of C.S. Friedman, then you'll love The Rhenwars Saga.

Secrets can be powerful... ..but also destructive. Alrion doesn't know the power inside him. He's more surprised than anyone when he discovers he's a wizard. Three trials await the young wizard. He must conquer each of the pillars of magic: Knowledge, Will, and Spark. Only then will he be ready to face his destiny.

A forgotten prison. A powerful artifact. An epic tale begins. When Wulf Rome discovers a mysterious, ancient axe hidden in a deep cavern, the powerful artifact wins him a throne - and unlocks a prison. Melekath and his followers have languished beyond memory for eons, but now the feared Guardians again roam the land, sowing disease and destruction. The enigmatic stranger Lowellin claims to be immortal. He also claims to bear the world's only hope: sorely needed weapons to be employed in the war against Melekath. When those weapons prove to be dangerous and unpredictable, Rome soon begins to doubt his true motives. But with apocalypse looming, Melekath must be stopped, no matter the cost... for where immortality goes, chaos follows.

The most complete guide ever to the real Arthurian world and the legends that surround it He defeated the Saxons so decisively at the Battle of Badon that he held the Saxon invasion of Britain at bay for at least a generation. He has inspired more stories, books and films than any other historical or legendary figure. But who was the real King Arthur? Here is the most comprehensive guide to the real Arthurian world and the legends that surround and often obscure it. Sifting fact from fancy, Mike Ashley reveals the originals not only of King Arthur but also of Merlin. Guinevere, Lancelot and the knights of the Round Table - as well as all the major Arthurian sites. He traces each of the legends as they developed and brilliantly shows how they were later used to inspire major works of art, poetry, fiction and film. There is clear evidence that. The Arthurian legends arose from the exploits of not just one man, but at least three originating in Wales, Scotland and Brittany The true historical Arthur really existed and is distantly related to the present royal family The real Arthur and the real Merlin never knew each other The real Lancelot was not British but was closer to a sixth-century asylum-seeker The Holy Grail legend probably grew out of a cosmic catastrophe that could have destroyed most of civilization

The Keeper Chronicles

Presents eight essays on translations and reinterpretations of Old Norse myth and saga from the eighteenth century.

"The runes you must find ... Which the mighty sage stained and the powerful gods made and the runemaster of the gods carved out." (The Poetic Edda, translated by C. Larrington) The runes are mysterious and powerful magical keys to the primal forces of nature that shaped Norse and Northern European culture. These twenty-four unique and inspiring symbols of the Elder Futhark (first runic alphabet) each possess powerful energies, identities, meanings, and sounds. The runes are invoked and harnessed to create change through inspiration, healing, protection, knowledge and divine wisdom from the Norse gods. Odin's Gateways is a practical guide to using the runes in our lives, in magic and in divination - a unique journey into the mysteries hidden within the runes, filled with the information and practices necessary to developing a deep personal understanding and relationship with them. By focusing on how to directly harness and channel the energy of the individual runes, the author guides the reader along the path to self knowledge and empowerment. With a deft hand and lucid style, Katie Gerrard cuts to the heart of the runes, combining the wisdom of the Norse Sagas and Rune Poems with practical advice and techniques gained through living and experiencing their powers. The divinatory meanings of the runes are given, with a range of different reading methods; bindrunes are explained in detail, with numerous examples presented ready for use; galdr (incantation) and spellcraft, charms and talismans are all seamlessly explored and made accessible in this fluid, concise and practical guide.

WIN BIG OR DIEThe survivors built a community and called it Hope. After eight years, they allowed themselves to think that the zombie scourge was ending; the hordes fading away in the face of time.But the enemy they thought extinct was evolving - growing faster, stronger, and more cunning. The timely return of the much-depleted 1st Reconnaissance Battalion, US Marine Corps helped turn the tide of one battle. The prospect of renewed war against a different type of enemy will require sterner stuff and serious firepower.Now, they must go far beyond the overgrown wastes they call The Wild in a desperate attempt to recover vital military equipment that will determine whether the future of mankind is one for the living - or for the dead.

The world ended and with it so did the rules.I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see.Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness.*18+ Reverse Harem Romance. An elite forces officer with a dreadful reputation. A bookish paleontologist with a love for mysteries. An ancient stronghold full of secrets that will take both of them to unearth. Professor Lilah Zirkander (yes, she's related to the famous pilot, and no, she can't get him to autograph your undergarments) is looking forward to a summer in the paleontology lab, researching and cataloging new fossils. But that summer takes an unexpected turn when the king sends her into the Ice Blades to a secret mine where ancient dragon bones have been discovered. Rumor has it that they're cursed and dangerous, but Lilah is more concerned about dealing with the outpost commander, a fierce officer with the temperament of a crabby badger. As punishment for irking the king, Colonel Vann Therrik is overseeing the hardened criminals working in the remote Magroth Crystal Mines. He would like a chance to redeem himself—and escape the loathsome duty station—but nothing is going his way. Cursed fossils have delayed production, miners are trying to escape, and now a scientist has shown up, making demands on his time. Worse, she's the cousin of his nemesis General Zirkander. As if one Zirkander in his world wasn't bad enough. Investigating the fossils leads Lilah and Vann into the depths of Magroth Mountain where centuries-old secrets lurk, and a long-forgotten threat stalks the passages. To have any chance at survival, they'll have to work together and perhaps learn that neither is what the other expected. Shattered Past is a stand-alone novel set in the author's Dragon Blood world.

"Imperial law enforcer Amaranthe Lokdon is good at her job: she can deter thieves and pacify thugs, if not with a blade, then by toppling an eight-foot pile of coffee canisters onto their heads. But when ravaged bodies show up on the waterfront, an arson covers up human sacrifices, and a powerful business coalition plots to kill the emperor, she feels a tad overwhelmed. Worse, Sicarius, the empire's most notorious assassin, is in town. He's tied in with the chaos somehow, but Amaranthe would be a fool to cross his path. Unfortunately, her superiors order her to hunt him down. Either they have an unprecedented belief in her skills... or someone wants her dead"--P. [4] of cover.
