Urban Watercolor Sketching

A Guide to Drawing, Painting, and Storytelling in Color

Many artists first learn to paint in watercolour. But this flexible, dynamic medium has an immediacy that is perfect for experimentation. Discover textures, applications, techniques, combinations of materials, and new ways of tackling the medium you love. Rub it, dab it, scratch it, scrunch it. Cut it, glue it, sew it and seal it. And above all, learn from what other people do! This little book is full of big ideas from contemporary artists to inspire you to think differently. With a new idea on every spread of the book, you will discover fresh ways of working with watercolour to create work that is original and exciting.

A guide that shows painters, drawers, doodlers, and urban sketchers how to bring their drawings to life with colorful, bold, yet accessible painting methods. Watercolor sketching is a rapidly emerging technique that enlivens sketches done in pen or pencil with the expressive washes, glazes, and luminous hues of watercolor. This lushly illustrated resource teaches artists on the go how to sketch with watercolor, rendering subjects efficiently and without inhibitions. Readers are guided through all aspects of the medium, from fundamental techniques including wet-on-wet, glazing, and washes; materials and supplies; and little known tips and tricks for getting the most out of watercolor (for example, just sprinkling a little salt on your painting creates a texture that's impossible to achieve with a brush.) A strong focus color theory provides a solid foundation for enhancing drawings with vibrant hues.

50 No-Sketch Projects That Bring the Ocean to Life Dana Fox, author of Watercolor with Me: In the Forest and founder of Wonder Forest, provides fifty new marine-themed projects in this beginner-friendly watercolor guide. Known for her whimsical art style and straightforward instruction, Dana leads you through three major watercolor techniques: wet-on-wet, wet-on-dry, and ink-and-wash. Best of all, there's no sketching required, so you can focus on each painting method. Bring adorable sea creatures like octopuses and otters to life on high-quality art

paper. Start simple with shading in a monochromatic orca, experiment with adding depth to color with a bright bobbing seahorse and practice stylizing your subject in a charming lighthouse scene. With inspired art and step-by-step instruction, it's easy to pick up a paintbrush, break out your palette, and create something beautiful.

The Ultimate Beginner's Guide to Painting with Confidence

A step by step guide to painting 15 different scenes in watercolor by Canadian artist Peter Humeniuk. From florals to sunsets, barns and lighthouses, this book shows each painting in small increments from beginning to end with descriptions and pictures of each step plus pictures of Peter's palette mixing colors. Beginning to advanced artists can learn how to paint in Peter's loose dramatic style, letting the water be the paint brush. Peter Humeniuk has been making art for over 70 years and his loose renderings of rough water and stormy skies have been inspiring students for many years. His workshops and classes in Canada and the U.S. are well attended and his followers are many. Peter's style does not change for students from beginner to intermediate and advanced, and all benefit from his classes. Watercolor is taking the art, fashion, and home décor worlds by storm. The result is an explosion of amazing new work by contemporary artists. This volume surveys the current revival of this loveliest of mediums, in portfolios from more than 20 of today's top watercolor artists from around the globe. From the evocative visual journals of Danny Gregory and Fabrice Moireau, through the fashion-inspired portraits of Samantha Hahn and Virginia Johnson, to the indie art stylings of Jane Mount and Becca Stadtlander, Watercolor stunningly showcases painterly brilliance. With artist profiles, an informative history of the medium, and an inspiring preface by DailyCandy's Sujean Rim, this is the guide to a beautiful revolution.

"No other medium is as magical and enjoyable as watercolor." So says artist and author Michael Reardon. In *Watercolor Techniques: Painting Light and Color in Landscapes and Cityscapes*, Reardon covers it all, from answers to beginners' most vexing problems (What is the proper ratio of pigment and water? How do I lay down an even wash? Why do my paintings look so washed out?) to understanding the trifecta of perspective, value, and color. He shows how to paint whites that sparkle and shadows that glow and how to conjure the atmosphere of a particular place and time. Painters of all skill levels will see--and feel--the difference in their work. • Packed with expert advice for infusing scenes with light and color • Includes special tips and techniques for painting architectural subjects • Illustrated with inspiring paintings of scenes from around the world • 8 start-to-finish demonstrations show key concepts in action "Light, as it glances off a facade, glimmers off the water or gleams off polished marble, is always

inspiring. Color, with its infinite array of hues, is always irresistible. Searching for ways to make them harmonize and tell a story can last a lifetime."
