The first half of the
volume provides a
self-contained
introduction to
mean field games,
starting from
concrete
illustrations of
games with a finite
number of players,
and ending with

is cut short when a storm knocks him off their boat, and he disappears completely, leaving only one very waterlogged clue (Glub! Blub!). Will Dumpling be able to find Leon (or is it Noel) again? And just what is a glub blub? Jim Meehan, British psychologist, poet and amateur philosopher, was asked by one of his

mentors, eminent

American psychologist

Dr. William E. Hall, to

consider what attitudes

are essential to the

establishment of trust,

which Hall regarded as

being at the heart of all

good human

relationships. Meehan

came up with ten words

in the form of two

promises that provide

the title for this book, I

mean you no harm; I
Miss You Love
You And Fuck
seek your greatest good.

The book starts as

Meehan attempts to
answer the question he
is often asked, Where do
these words come from?
Born in Liverpool in the
same hospital and same
year as Paul McCartney,
Meehan uses
McCartneys account of
the composition of his
bestselling song,

Where To Download What I Mean When I Say

Yesterday, to describe a similar experience that gave birth to his ten-word mantra, which captures the heart of trust. Meehan offers some possible biographical contributing factors. Beginning with a section aptly titled, My Yesterdays, he explores some early childhood relationships and

experiences in
Liverpool toward the
end and shortly after the
Second World War and
investigates his
adolescence, which was
spent mainly in
Birmingham, Englands
second largest city. He
then turns his attention
to the influence of five
mentors who definitely
meant him no harm and
sought his greatest good

Where To
Download What I
Mean When I Say

to examine how instrumental they could have been in the formulation of the words. Having exhausted his search for the origin of the expression, he then discusses the meaning of trust and how the two promises, when exchanged with other people, start a journey toward total mutual

trust. Meehan defines different forms of trust, draws on the views of certain philosophers, psychologists and exemplars of trust and addresses the current global crisis of trust or, rather, lack of trust. He also includes a few anecdotes that describe the meaningfulness of the ten words to others. At the beginning of his

Where To
Download What I
Mean When I Say

account, Meehan explains how these two promises have developed legs of their own and have traveled widely since first being written in 1997. He finishes the book by posing the question, Where are the words going? Certainly, the book could be said to have given the ten words some wings or at

least some more legs. In his epilogue, he provides attempts he has made to catch the essentials of total mutual trust and related concepts in verse.
